Notes to Financial Statements
December 31, 2020

Note 1 – Organization and Nature of Business

B.B. Graham & Company, Inc. (the “Company”) has been approved as a registered broker-dealer with the Securities and Exchange Commission under SEC Rule 15(b) as of August 8, 1996. The Company was incorporated in June 1996, and its membership in the NASD was approved May 1997. The NASD and NYSE Member Regulation consolidated in 2007 to form the Financial Industry Regulatory Agency (“FINRA”). The Company entered into an agreement with a clearing broker whereby the Company does not carry customer accounts. The Company introduces and forwards, as a broker, all transactions and accounts of customers to the clearing broker who carries such accounts on a fully disclosed basis. The Company forwards all funds and securities received in connection with its activities as a broker or dealer directly to the clearing broker and does not hold funds or securities for or owe funds or securities to customers.

Certain brokers (secondary clearing) clear their transactions through the Company and its clearing broker.

The Company has offices in California, Florida, Illinois, Iowa, Kansas, Maryland, Minnesota, Nebraska, Nevada, Oklahoma, and Texas.

Note 2 – Significant Accounting Policies

Basis of Presentation – The Company conducts business on a fully disclosed basis. The Company does not hold customer funds and/or securities. The Company currently conducts several types of business as a securities broker-dealer, including:

- Broker or dealer retailing corporate equity securities over-the-counter
- Broker or dealer selling corporate debt securities
- Underwriter or selling group participant (corporate securities other than mutual funds)
- Mutual fund retailer
- U.S. government securities broker
- Municipal securities dealer
- Broker or dealer selling variable life insurance or annuities
- Solicitor of time deposits in a financial institution
- Broker or dealer selling oil and gas interests
- Put and call broker or dealer or option writer
- Investment advisory services
- Broker or dealer selling tax shelters or limited partnerships in the secondary market
- Private placements of securities

B.B. Graham & Company, Inc.
Notes to Financial Statements
December 31, 2020

Note 2 – Significant Accounting Policies (continued)

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenues - Adoption of ASC Topic 606 Revenue from Contracts with Customers

On January 1, 2020, the Company adopted ASC Topic 606, *Revenue from Contracts with Customers* (“Topic 606”) using the modified retrospective method applied to those contracts which were not completed as of January 1, 2020. Results of reporting periods beginning after January 1, 2020 are presented under Topic 606, while prior period amounts are not adjusted and continue to be reported in accordance with our historic accounting under Topic 605.

There was no impact to retained earnings as of January 1, 2020, or to revenue for the year ended December 31, 2020, after adopting Topic 606, as revenue recognition and timing of revenue did not change as a result of implementing Topic 606.

Revenue recognition – Revenues are recognized when control of the promised services is transferred to customers, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those services. Revenues are analyzed to determine whether the Company is the principal (i.e. reports revenues on a gross basis) or agent (i.e. reports revenues on a net basis) in the contract. Principal or agent designations depend primarily on the control an entity has over the product or service before control is transferred to a customer. The indicators of which party exercises control include primary responsibility over performance obligations, inventory risk before the good or service is transferred and discretion in establishing the price.

Based upon the income reported, the commissions earned from the sale of mutual funds and investment company shares represent the major portion of the business and are recognized as earned. Securities trades are reported as of trade date.

Leases - in February 2016, the FASB issued ASU 2016-02, "Leases" that requires for leases longer than one year, a lessee to recognize in the statement of financial condition a right-of-use asset, representing the right to use the underlying asset for the lease term, and a lease liability, representing the liability to make lease payments. The accounting update also requires that for finance leases, a lessee recognize interest expense on the lease liability, separately from the amortization of the right-of-use asset in the statements of earnings, while for operating leases, such amounts should be recognized as a combined expense. In addition, this accounting update requires expanded disclosures about the nature and terms of lease agreements. The accounting update is effective for fiscal years beginning after December 15, 2018 (January 1, 2020 for the Company) under a modified retrospective approach and early adoption is permitted. The Company has reviewed the new standard and does not expect it to have a material impact to the statement of financial condition or its net capital.

B.B. Graham & Company, Inc.
Notes to Financial Statements
December 31, 2020

Note 2 – Significant Accounting Policies (continued)

Income Taxes – The amount of current and deferred taxes payable or refundable is recognized as of the date of the financial statements, utilizing currently enacted tax laws and rates. Deferred tax expenses or benefits are recognized in the financial statements for the changes in deferred tax liabilities or assets between years.

The accounting principles generally accepted in the United States of America provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the Company in its Federal and State organization tax returns are more likely than not to be sustained upon examination. The Company is subject to examinations by U.S. Federal and State tax authorities from 2017 to the present, generally for three years after they are filed.

Note 2 – Significant Accounting Policies (continued)

Depreciation – Depreciation is calculated on the accelerated method over estimated economic lives. Leasehold improvements are amortized over the lesser of the economic useful life of the improvement or the term of the lease. Property and equipment are carried at cost.

Statement of Changes in Financial Condition – The Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months that are not held for sale in the ordinary course of business.

Note 3 - Fair Value

Unless otherwise indicated, the fair values of all reported assets and liabilities that represent financial instruments (none of which are held for trading purposes) approximate the carrying values of such amounts.

Note 4 – Receivable From and Payable to Broker-Dealers and Clearing Organizations

Amounts receivable from and payable to broker-dealers and clearing organizations at December 31, 2020, consist of the following:

	Receivable	Payable
Fees and commissions receivable/payable	\$239,754	\$ 0

Note 5 – Related Party

The Company's sole shareholder purchased an office building and entered into a rent agreement to rent part of the building to the Company at \$170,000 annually. For the year 2020 the rent paid to the sole shareholder was \$170,000. In addition, the Company paid to the sole owner \$12,000 during the year for separate storage space. Furthermore, the Company received \$6,000 during the year as technology fee income from an affiliated company, as well as a \$5,000 during the year for trademark usage/licensing. In 2020 the total from the affiliated company was \$11,000. Also in 2020, the Company was reimbursed by the affiliate for its portion of the E & O insurance premiums, totaling \$4,342.

B.B. Graham & Company, Inc.
Notes to Financial Statements
December 31, 2020

Note 6 - Concentration of Credit Risk

The Company is engaged in various trading and brokerage activities in which counter-parties primarily include broker-dealers, banks, and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

Note 7 – Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 5c3-1) which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Net capital and aggregate indebtedness change day by day, but on December 31, 2020, the Company had net capital of \$380,275 which was \$351,483 in excess of its required net capital requirement of \$28,792. The Company's aggregate indebtedness of \$431,859 to net capital was 1.14 to 1.

Note 8 – Provision for Income Taxes

The Company files its Federal tax return on the cash basis. The provision for income taxes for the year consists of the following:

Federal	\$ 17,078
State	<u>7,272</u>
	<u>\$ 24,350</u>

Note 9 – Deposit – Clearing Organization

The Company has an agreement with a clearing broker which requires a minimum deposit of \$50,000. The clearing broker deposit at December 31, 2020 was \$50,000.

Note 10 – Exemption from the SEC Rule 15c3-3

The Company is an introducing broker-dealer that clears all transactions with and for customers on a fully disclosed basis with an independent securities clearing company and promptly transmits all customer funds and securities to the clearing company, which carries all of the accounts of such customers and maintains and preserves such books and records pertaining thereto pursuant to the requirements of the SEC Rule 17a-3 and 17a-4, as are customarily made and kept by a clearing broker or dealer.

Note 11 – Leases

The Company rents office space and storage space from a related party on a month to month basis. For 2020, rent expense was \$170,000, all of which was paid to a related party (see Note 5).

PBK-RP-6: Exemption Report Review—No Exceptions to Exemption Provisions

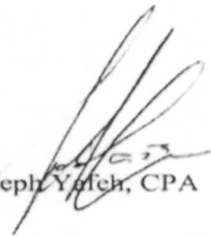

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders
of B.B. Graham & Company, Inc.

I have reviewed management's statements, included in the accompanying Exemption Report Review, in which (1) B.B. Graham & Company, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which B.B. Graham & Company, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: k(2)(ii) (exemption provisions) and (2) B.B. Graham & Company, Inc. stated that B.B. Graham & Company, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. B.B. Graham & Company, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about B.B. Graham & Company, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
