Diversified Securities Incorporated
Notes to Financial Statements
As of and for the Year-Ended December 31, 2020

NOTE 1 - ORGANIZATION AND NATURE OF BUSINESS

Diversified Securities, Incorporated (the "Company") is a wholly-owned subsidiary of DSI Financial, Inc ("Parent"). The Company acts as an introducing broker/dealer and facilitates limited partnership resales and transfers for DSI Properties, Inc ("DSIP"), an entity affiliated through common ownership. The Company also provides certain management services to DSIP.

The Company is a registered broker-dealer with the Securities and Exchange Commission ("SEC"), the Financial Industry Regulatory Authority ("FINRA") and the Securities Investor Protection Corporation ("SIPC").

The Company's main office is located in Long Beach, California. It also maintains branch offices in Tustin and West Covina, California.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Marketable equity securities

Marketable equity securities are held directly and accounted for at fair value.

In January 2016, the Financial Accounting Standards Board issued Accounting Standards Update ("ASU") 2016-01 *Financial Instruments-Overall (Subtopic 825-10): Recognition and Measurement of Financial Assets and Financial Liabilities*. ASU 2016-01 amends various aspects of the recognition, measurement, presentation, and disclosure of financial instruments. Upon adoption of ASU 2016-01 in January 2018, the Company now recognizes unrealized gains and losses related to marketable equity securities in other income (expense).

Revenue Recognition

Management fees are earned over the period over which the services are performed in accordance with the terms of the related agreement in providing management services to DSI Properties.

Commission revenue includes limited partnership sales commissions and trailing commission fees for mutual funds. Limited partnership sales commissions earned are based on the trade date of the transaction. The mutual fund trailing commission fees are based on a percentage of the current market value of clients' investment holdings in eligible assets and recognized over the period during which services are performed. During the year ended December 31, 2020, there were mutual fund commissions in the amount of \$4,749.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (continued)

Fair Value

FASB ASC 820, *Fair Value Measurements and Disclosures*, defines fair value, establishes a consistent framework for measuring fair value, and expands disclosure requirements for fair value measurements.

FASB ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 - Valuations based on unadjusted quoted prices for identical assets or liabilities in active markets accessible by the Company at the measurement date.

Level 2 - Valuations based on inputs that are observable in the marketplace other than those inputs classified as Level 1.

Level 3 - Valuations based on inputs that are unobservable in the marketplace and significant to the valuation.

The following table presents the Company's assets and related valuation inputs within the fair value hierarchy utilized to measure fair value as of December 31, 2020 on a recurring basis:

	Level 1	Level 2	Level 3	Total
Marketable equity securities	<u>\$ 199,110</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 199,110</u>

The fair value of marketable equity securities is based on quoted market prices in active markets for identical assets. There were no transfers in or out during 2020.

Income Taxes

The Company files consolidated Federal and State corporate tax returns with its parent, DSI Financial, Inc., which elected to be taxed as a Subchapter S corporation effective January 1, 2008 and thereafter. Diversified Securities, Inc., as a wholly-owned subsidiary of DSI Financial, Inc., elected to be treated as a Qualified Subchapter S Subsidiary which was also effective January 1, 2008 and thereafter. Accordingly, the taxable income of the consolidated group is reported on the consolidated income tax return and passed through to the stockholders to be reported on their respective income tax returns. For California tax purposes, the consolidated group is subject to a 1-1/2% California franchise tax.

NOTE 3 - LEASES

In January 2016, the FASB issued ASU 2016-02, Topic 842, Leases. Also, in July 2018, the FASB issued ASU 2018-10, Codification Improvements to Leases. These standards require the recognition of lease assets and lease liabilities by lessees for those leases previously classified as operating leases under previous U.S. GAAP. The lease asset would reflect a right-to-use asset and the lease liability would reflect the present value of the future lease payments. ASU 2016-02 is effective for fiscal years beginning after December 15, 2018 and a modified retrospective transition approach is required where companies will have to recognize and measure leases at the beginning of the earliest period presented. The Company has performed an assessment of ASU 2016-02.

NOTE 3 – LEASES (continued)

FASB ASC Topic 842 which requires capitalization of leases on the balance sheet to represent a "Right of Use Asset" and corresponding "Lease Liability". As of December 31, 2020, the Company has reported a right to use asset in the amount of \$535,274, which is offset by a liability in the amount of \$539,784. There is no impact to the Company's net capital, as the right of use asset is allowable to the extent of the offsetting lease obligation.

NOTE 4 - CONCENTRATION OF RISK

Amounts held in financial institutions occasionally are in excess of the Federal Deposit Insurance Corporation limits. The Company deposits its cash in high quality financial institutions, and management believes the Company is not exposed to significant credit risk on those amounts.

NOTE 5 - RELATED PARTY TRANSACTIONS

The Company is affiliated through common ownership with other entities. Because of the nature of their relationship, the Company's Parent has the ability to influence the nature and extent of the revenues recognized and some costs incurred by the Company. Common ownership could result in operating results or the financial position of the Company being significantly different than if the entities were autonomous.

Management fees

During the year ended December 31, 2020, the Company earned management fees totaling \$805,106 for providing management services to DSIP.

Due from affiliate

At times the Company pays for expenses, including payroll and rent, on behalf of DSI Financial Group ("DSIFG"), an entity also affiliated through common ownership. As of December 31, 2020, an amount of \$25,009 was due from this affiliate. No interest was charged on these amounts for the year ended December 31, 2020.

NOTE 6 - COMMITMENTS

The Company entered into operating leases relating to its offices in Long Beach, West Covina and Tustin, California. During the year ended December 31, 2020, rent expense of approximately \$92,709 for the facilities in West Covina and Tustin were reimbursed by DSIFG for the use of respective facilities. The lease agreements expire in various years through 2025. Long Beach entered into a new lease adjusted lease as of June 2020 reducing their space. Under the lease agreements, the Company is responsible for its share of operating expenses and taxes.

Rent expense for the year ended December 31, 2020 was \$136,179, net of rent reimbursement. The remaining minimum future rental payments under non-cancelable operating leases as of December 31, 2020, are approximately as follows:

NOTE 6 – COMMITMENTS (continued)

<i>Year ended December 31,</i>	<i>Amount</i>
2021	118,721
2022	156,316
2023	123,247
2024	126,944
2025	130,753
<i>Total minimum future rental payments</i>	<i>\$ 655,980</i>

NOTE 7 - NET CAPITAL

The Company is a member of FINRA and is subject to the SEC Uniform Net Capital Rule (SEC 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The Company's applicable minimum net capital is the greater of \$5,000 or 6-2/3% percent of total aggregated indebtedness. SEC 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2020, the Company had net capital of \$173,189 which was \$168,189 in excess of its required net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital was .24 to 1.00 at December 31, 2020.

NOTE 8 – EXEMPTION FROM THE SEC RULE 15c3-3

Subsequent to amending its FINRA membership agreement, the Company claims exemptions from SEC Rule 15c3-3 pursuant to section (k)(2)(i). Such exemption is provided for firms that: carry no margin accounts; promptly transmit all customer funds and deliver all securities received in connection with their broker-dealer activities; do not otherwise hold funds or securities for, or owe money or securities to, customers; and effectuate all financial transactions with customers through one or more bank accounts designated as "Special Account for the Exclusive Benefit of Customers" of the Company.

NOTE 9 - SUBSEQUENT EVENTS

The Company has evaluated subsequent events through February 25, 2021, the date which the financial statements were available to be issued. There were no subsequent events noted that would require adjustment to or disclosure in these financial statements.

Exemption Report**

Report of Independent Registered Public Accounting Firm

To the Board of Directors of Diversified Securities, Inc.

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Diversified Securities, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which Diversified Securities, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(i) (exemption provisions) and (2) Diversified Securities, Inc. stated that Diversified Securities, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Diversified Securities, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Diversified Securities, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) (exemption provisions) of Rule 15c3-3 under the Securities Exchange Act of 1934.
