Report of Independent Registered Public Accounting Firm

To: The Member
Allegro Securities LLC

Opinion on the Financial Statements

I have audited the accompanying statement of financial condition of Allegro Securities LLC as of December 31, 2020, and the related statements of operations, changes in member equity (deficit) and cash flows for the year then ended, that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934 and the related notes and schedules (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material respects, the financial position of Allegro Securities LLC as of December 31, 2020 and its results of operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of Allegro Securities LLC's management. My responsibility is to express an opinion on Allegro Securities LLC's financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and I am required to be independent with respect to Allegro Securities LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

Supplemental Information

The Schedule I, Computation of Net Capital Under SEC Rule 15c3-1, Schedule II, Computation for Identification of Reserve Requirements and Information Relating to Possession or Control Requirements Under SEC Rule 15c3-3 (*exemption*) has been subjected to audit procedures performed in conjunction with the audit of Allegro Securities LLC's financial statements.

The supplemental information is the responsibility of Allegro Securities LLC's management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In my opinion, the Schedule I, Computation of Net Capital Under SEC Rule 15c3-1, Schedule II, Computation for Identification of Reserve Requirements and Information Relating to Possession or Control Requirements Under SEC Rule 15c3-3 (*exemption*) is fairly stated, in all material respects, in relation to the financial statements as a whole.

Michael T. Remus

I have served as Allegro Securities LLC's auditor since 2011.

ALLEGRO SECURITIES LLC

Notes To Financial Statements

December 31, 2020

1 Organization and Nature of Business

Allegro Securities LLC (the "Company") was organized in 2005 as Farragut Capital & Marketing LLC. The Company is a broker-dealer registered with the SEC and is a member of the Financial Industry Regulatory Authority - FINRA and the Securities Investor Protection Corporation - SIPC.

The Company provides third-party marketing services to entities, generally in the real estate industry, seeking to raise capital. The Company holds no customer funds or securities and does not participate in the underwriting of Securities.

2 Significant Accounting Policies

(a) Basis of Presentation

The financial statements and accompanying notes are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") unless otherwise disclosed.

(b) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

(c) Statement of Cash Flows

For purposes of the statement of cash flows the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months, that are not held for sale in the ordinary course of business. The company has adopted the indirect method of presenting the statement of cash flows in accordance with current authoritative pronouncements. There were no cash equivalents at December 31, 2020. Cash is held at two major financial institutions and is insured by the Federal Deposit Insurance Corporation.

(d) Equipment

Equipment is stated at cost, and is depreciated on a straight-line basis over its estimated useful life. Maintenance, repairs and renewals that neither materially add to the value of the property nor appreciably prolong its life are charged to expense as incurred. Gains and losses on disposition of equipment are included in income.

ALLEGRO SECURITIES LLC

Notes To Financial Statements

December 31, 2020

(e) Revenue Recognition

The Company is entitled to placement and / or transaction fees associated with the success of its capital-raising work as such fees are earned, defined generally as when capital is irrevocably committed by investors and any funding or other contingencies have been removed. On occasion the Company also earns consulting fees for preparatory advisory work or similar activities associated with an actual or potential capital-raising mandate. Revenue is recognized in accordance with ASC Topic 606 as services are rendered and a given contract's identified performance obligations are satisfied. There were no unsatisfied performance obligations at December 31, 2020.

(f) Income Taxes

The Company is treated as a sole proprietorship (disregarded entity) for federal income tax purposes. Therefore, no provision or liability for federal or state income taxes has been included in the financial statements. The amount of income or loss allocable to the member are subject to examination by federal and state taxing authorities. In the event of an examination, the tax liability of the member could be changed if an adjustment in the Company's income or loss is ultimately determined by the taxing authorities.

Certain transactions may be subject to accounting methods for federal and state income tax purposes which differ from the accounting methods used in preparing the financial statements. Accordingly, the net income or loss of the member and the resulting balances in the members' capital account reported for federal and state income tax purposes may differ from the balances reported for those same items in these financial statements.

The Company recognizes and measures its unrecognized tax benefits in accordance with ASC Topic 740, Income Taxes. Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of the financial reporting period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change.

Management has determined that the Company has no uncertain tax positions that would require financial statement recognition at December 31, 2020. This determination will always be subject to ongoing evaluation as facts and circumstances may require. The Company remains subject to U.S. federal and state income tax audits for all years subsequent to 2016.

In addition, no income tax related penalties or interest have been recorded for the year ended December 31, 2020.

(g) Advertising and Marketing

Advertising and marketing costs (if any) are expensed as incurred.

(h) General and Administrative Expenses

General and administrative costs are expensed as incurred.

ALLEGRO SECURITIES LLC

Notes to Financial Statements

December 31, 2020

(i) Fair Value Hierarchy

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1.* Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date.
- Level 2.* Inputs other than quoted prices included in Level 1 that are observable for the assets or liability either directly or indirectly.
- Level 3.* Inputs are unobservable for the assets or liability.

The availability of observable inputs can vary from security to security and is affected by a wide variety of factors, including, for example, the type of security, the liquidity of markets, and other characteristics particular to the security. To the extent the valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised in determining the fair value is greatest for instruments categorized in level 3.

The inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

For further discussion of fair value, see “Note 6 Fair Value”

3 Net Capital Requirements

The Company, as a registered broker-dealer in securities is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1). The Company has elected to operate under that portion of the Rule which requires the Company maintain “net capital” equal to the greater of \$5,000 or 6 2/3% of aggregate indebtedness, as those terms are defined in the Rule. At December 31, 2020, the Company had net capital of \$123,314, which was \$112,704 in excess of its required minimum net capital of \$10,610. The Company had an AI/NC ratio of 129.06%.

Advances to affiliates, contributions, distributions and other withdrawals are subject to certain notification and other requirements of Rule 15c3-1 and other regulatory rules. The Company does not claim exemption from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934. The Company relies on Footnote 74 of SEC Release 34-70073.

ALLEGRO SECURITIES LLC

Notes to Financial Statements

December 31, 2020

4 Leases

The Company conducts its operations from facilities that are leased for \$200 per month on a month to month basis. The agreement is dated December 23, 2013 and became effective on January 1, 2014. The agreement can be terminated by either party with 45 days' notice.

Rent expense for the year ended December 31, 2020 was \$2,400.

5 Concentrations and Economic Dependency

The Company's revenues consist of fees as discussed in Note 2 above. There is no assurance of future revenues from such fees.

Five customers accounted for 100% of 2020 revenue.

The Company maintains its cash at two financial institutions in amounts that at times may exceed federally insured limits. The Company has not experienced any losses in such accounts through December 31, 2020. As of December 31, 2020 there were no cash balances held in any accounts that were not fully insured.

6 Fair Value

Cash, receivables (if any), contract asset, accounts payable and other current liabilities are reflected in the financial statements at carrying value which approximates fair value because of the short-term maturity of these instruments.

7 Commitments and Contingencies

Pursuant to Securities and Exchange Commission Rule 15c3-1(e)(2) the Company may not authorize distributions to its members if such distributions cause the Company's net capital to fall below 120% of the Company's minimum net capital requirement. As of December 31, 2020 the Company was not in violation of this requirement.

The Company had no lease or equipment rental commitments (other than as disclosed in Note 4 above), no underwriting commitments, no contingent liabilities, and had not been named as a defendant in any lawsuit at December 31, 2020 or during the year then ended.

8 Note Payable

On June 7, 2020 the Company executed a promissory note with the U.S. Small Business Administration in the amount of \$150,000 pursuant to Section 7(b) of the Small Business Act. The note bears interest at the rate of 3.75% per year and is payable in monthly installments including principal and interest of \$731 beginning June 2021. The Note will mature in June 2050 at which time the remaining unpaid principal and interest shall be due in full. This note is secured by the assets of the Company pursuant to the terms of the note. See also "Note 13 COVID 19" for discussion of the Paycheck Protection Program (PPP) loan received by the Company.

ALLEGRO SECURITIES LLC
Notes To Financial Statements
December 31, 2020

9 Related Party Transactions

During the year, the Company reimbursed its sole member \$6,830 for various overhead and travel expenses advanced by him in accordance with its routine practice.

The Company and another company also owned by the Company's sole member have certain common clients; however, the Company does not engage in any transactions with said commonly-controlled other company, other than as disclosed.

10 Anti-Money Laundering Policies and Procedures

The Company is required to implement policies and procedures relating to anti-money laundering, compliance, suspicious activities, and currency transaction reporting and due diligence on customers who open accounts with the Company. At December 31, 2020 the Company had implemented such policies and procedures.

11 Exemption from Rule 15c3-3

The Company is exempt from the Securities and Exchange Commission Rule 15c3-3 and, therefore, is not required to maintain a "Special Reserve Bank Account for the Exclusive Benefit of Customers".

12 Subsequent Events

The Company has evaluated subsequent events occurring after the statement of financial condition date through the date of February 6, 2021 which is the date the financial statements were available to be issued. Based on this evaluation, the Company has determined that no subsequent events have occurred which require disclosure in or adjustment to the financial statements.

13 COVID 19

In March 2020, the World Health Organization (WHO) declared COVID-19 a global pandemic. This pandemic event has resulted in significant business disruption and uncertainty in both global and U.S. markets. While management believes the Company is in an appropriate position to weather the potential short-term effects of these world-wide events, the direct and long-term impact to the Company and its financial statements is undetermined at this time.

In May 2020, the Company received a loan of \$20,800, which is guaranteed by the U.S. Small Business Administration (SBA) under the Paycheck Protection Program (PPP). This loan is forgivable when the Company expends the funds for allowable expenses as defined by the PPP. Management believes that the majority of the forgivable portion of this loan will be forgiven in the year ending December 31, 2021, at which time, it will be recognized as a gain on the extinguishment of debt in the statement of operations. The remaining balance (if any) will be due over a two-year period in accordance with the terms of the PPP.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To: The Member
Allegro Securities LLC

I have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Statement, in which (1) Allegro Securities LLC (the "Company") stated that the Company does not hold customers' cash or securities on behalf of customers and limits its business to effecting securities transactions via subscriptions and, therefore has no obligations under Rule 15c3-3 under the Securities Exchange Act of 1934. In addition, as a result of the Company's having no obligations under SEC Rule 15c3-3, it may file an Exemption Report and (2) the Company stated that it had no exceptions under SEC Rule 15c3-3 throughout the year ended December 31, 2020. The Company did not directly or indirectly receive, hold or otherwise owe funds or securities for or to customers, did not carry accounts of or for customers, and did not carry PAB accounts as defined in Rule 15c3-3. Management is responsible for compliance with 17 C.F.R. § 240.15c3-3 and its statements. My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with 17 C.F.R. § 240.15c3-3. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion. Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on Rule 15c3-3 under the Securities Exchange Act of 1934.
