PENROD FINANCIAL SERVICES, INC.

Notes to the Financial Statements

For the Year Ended December 31, 2020

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant policies is presented to assist in understanding the Company's financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Business Activity

Penrod Financial Services, Inc. (the Company) is a registered broker/dealer company. The Company is a member of the Financial Industry Regulatory Authority (FINRA). The FINRA, which operates subject to Securities and Exchange oversight, is the largest non-government regulatory for all securities firms doing business in the United States. Penrod Agency, Inc is a licensed insurance agency for the purpose of offering variable insurance products in states where it is properly licensed.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Net Cash and Cash Equivalents

At times during 2020 the Company's cash and cash equivalents could have exceeded the federally insured limits. The Company is at risk for amounts in excess of this limit. To date the Company has not incurred any losses on deposits in excess of federally insured limits.

For purposes of the statements of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Commissions Receivables

The Company considers commissions receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when the determination is made.

Securities Transactions

Customers' securities and commodities transactions are reported on a trade date basis with related commission income and expenses reported on a trade date basis.

Revenue

Revenue from Contract with Customers Standard (ASU 2014-09) core principle is that an entity should recognize revenue when it transfers a promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

PENROD FINANCIAL SERVICES, INC.

Notes to the Financial Statements

For the Year Ended December 31, 2020

ASU 2014-09 prescribes a five-step process to accomplish this core principle, including:

- Identification of the contract with the customer
- Identification of the performance obligation(s) under the contract,
- Determination of transaction price,
- Allocation of the transaction price to the identified performance obligation(s), and
- Recognition of revenue as (or when) an entity satisfies the identified performance obligations(s).

The Company recognizes revenues upon completion of transactions as it satisfies the performance obligation identified in accordance with this standard. The Company did not have any open contracts or deferred revenue as of December 31, 2020.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes

The Company implemented FASB Accounting Standards Codification 740-10. Included in this is a requirement under Accounting for Uncertainty in Income Taxes that realization of an uncertain income tax position must be “more likely than not” (i.e. greater than 50% likelihood of receiving a benefit or expense) before it should be recognized in the financial statements as the amount most likely to be realized assuming a review by the authorities having all relevant information and applying current conventions. The code section also clarifies the financial statement classification of potential tax-related penalties and interest and sets forth new disclosures regarding unrecognized tax benefits or expenses.

The Company assessed its federal and state tax positions. It was determined there were no uncertainties or possible related effects that need to be recorded as of or for the year ended December 31, 2020.

The federal and state income tax returns for the Corporation for 2017, 2018, 2019 and 2020 are subject to examination by respective taxing authorities generally for three years after they are filed.

The Company’s policy for reporting interest and penalties related to income taxes is to expense as they are incurred. The Company feels there is a more likely than not chance that all tax positions will be fully recognized; therefore, no provision for potential interest or penalties on these tax positions have been made. The total penalties and interest the Company paid for 2020 was \$-0-.

The Company has elected S corporation status for federal income tax and Missouri franchise tax reporting purposes. As an S corporation, substantially all income tax liability flows through to the shareholders with the exception of various state corporate level taxes. Accordingly, the financial statements do not include a provision for federal income taxes. Should the Company convert to a C corporation status for federal and state income tax purposes, deferred tax balances, as calculated on the date of the conversion, would be recorded as a reduction in shareholder’s equity.

PENROD FINANCIAL SERVICES, INC.

Notes to the Financial Statements

For the Year Ended December 31, 2020

NOTE 2 – CASH AND SECURITIES SEGREGATED UNDER FEDERAL AND OTHER REGULATIONS

No cash has been segregated in a special reserve bank account for the benefit of customers under Rule 15c3-3 of the Securities and Exchange Commission. The company does not hold any customer funds; accordingly, no reserve account is required.

NOTE 3 – RELATED PARTY TRANSACTIONS

The sole stockholder of Penrod Financial Services, Inc. is also the sole stockholder of Penrod Agency, Inc., dba Penrod Financial Group, an insurance agency. Penrod Financial Services, Inc. reimburses Penrod Agency, Inc. for their pro rata share of overhead expenses, which includes rent, utilities, office supplies, phone, postage, cleaning, printing and other operating expenses. The allocation percentage used for the year ended December 31, 2020 was 94%.

At December 31, 2020, Penrod Financial Services, Inc. owed Penrod Agency, Inc. \$3,854.

NOTE 4 – ADVERTISING COST

Non-direct-response advertising costs are expensed in the year incurred. This amount at December 31, 2020 totaled \$0. Company did not incur any direct-response advertising cost during the year.

NOTE 5 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the “applicable” exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2020, the Company had net capital of \$30,910, which was \$25,910 in excess of its required net capital of \$5,000.

NOTE 6 – EXEMPTIVE PROVISION UNDER RULE 15c3-3

An exemption from Rule 15c3-3 per paragraph (k)(2)(ii) is claimed as the broker-dealer does not hold customer funds or securities. All accounts are on a fully disclosed basis.

Therefore, the schedules of “Computation for Determination of Reserve Requirements under Rule 15c3-3” and “Information Relating to Possession or Control Requirements Under Rules 15c3-3” are not applicable.

NOTE 7-FAIR VALUE MEASUREMENT

The Company’s financial instruments consist principally of cash and cash equivalents, short- and long-term marketable securities, long-term debt, hedge fund investments, and derivative contracts. The fair value of a financial instrument is the amount that would be received in an asset sale or paid to transfer a liability in an orderly transaction between unaffiliated market participants. Assets and liabilities measured at fair value are categorized based on whether the inputs are observable in the market and the

See Independent Auditors’ Report

PENROD FINANCIAL SERVICES, INC.

Notes to the Financial Statements

For the Year Ended December 31, 2020

degree that the inputs are observable. The categorization of financial instruments within the valuation hierarchy is based on the lowest level of input that is significant to the fair value measurement. The hierarchy is prioritized into three levels (with Level 3 being the lowest) defined as follows:

Level 1: Quoted prices in active markets for identical assets or liabilities that the entity has the ability to access.

Level 2: Observable inputs other than prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated with observable market data.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities. This includes certain pricing models, discounted cash flow methodologies, and similar techniques that use significant unobservable inputs.

The fair value of all of the Company's cash equivalents and marketable securities was determined based on "Level 1" inputs.

There have been no changes in Level 1, Level 2, and Level 3 and no changes in valuation techniques for these assets or liabilities for the period ended December 31, 2020.

NOTE 8 – COMMITMENTS AND CONTINGENCIES

The Company has no commitments or contingencies to report for years ending December 31, 2020.

NOTE 9 – DATE OF MANAGEMENT'S REVIEW

In accordance with the Statement of Accounting Standards No. 165, *Subsequent Events*, the date through which subsequent events were evaluated was February 26, 2021, the date the Management Representation Letter was signed. No further activity has occurred that would require disclosure.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders
of Penrod Financial Services, Inc.

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Penrod Financial Services, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which Penrod Financial Services, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(ii) and the Non-Covered Firm provision and (2) Penrod Financial Services, Inc. stated that Penrod Financial Services, Inc. met the identified exemption provisions throughout the most recent fiscal year ended December 31, 2020 without exception. Penrod Financial Services, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Penrod Financial Services, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934 and the Non-Covered Firm Provision.
