FORESIDE DISTRIBUTION SERVICES, L.P.
(A Wholly-Owned Subsidiary of Foreside Financial Group, LLC)
NOTES TO FINANCIAL STATEMENT
JUNE 30, 2021

NOTE 1 - ORGANIZATION

Foreside Distribution Services, L.P. (the “Company”), a limited partnership, is an indirect, wholly-owned subsidiary of Foreside Financial Group, LLC (“Foreside”) and a direct subsidiary of Foreside Distributors, LLC (the “Parent”). The Company is registered with the Securities and Exchange Commission (“SEC”) as a broker-dealer and is a member of the Financial Industry Regulatory Authority (“FINRA”).

The Company serves as the distributor and principal underwriter to various investment companies (the “Funds”). Substantially all of the Company’s revenues are earned from the Funds or from the Funds’ advisors (collectively, the “Advisors”). In accordance with the structure of the Company, sales of the Funds' shares are executed by unaffiliated third party broker-dealers.

The accompanying financial statement has been prepared from the separate records maintained by the Company and, due to certain transactions and agreements with affiliated entities, may not necessarily be indicative of the financial condition that would have existed, had the Company operated as an unaffiliated entity.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

USE OF ESTIMATES

The preparation of the financial statement in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures of contingent assets and liabilities at the date of the financial statement. Actual results could differ from those amounts.

CASH EQUIVALENTS

The Company considers all highly liquid temporary cash investments with an original maturity of three months or less when purchased to be cash equivalents.

At June 30, 2021, the Company had no cash equivalents.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RECEIVABLES

The Company extends unsecured credit in the normal course of business to its clients. The determination of the amount of uncollectible accounts is based on the amount of credit extended and the length of time each receivable has been outstanding. The allowance for uncollectible amounts reflects the amount of loss that can be reasonably estimated by management. As of June 30, 2021, the Company had not recorded an allowance for any potential non-collection as all receivables are deemed collectible. Past due accounts are written off by management when deemed uncollectible on a case-by-case basis.

INCOME TAXES

The Company is organized as a limited partnership under the Internal Revenue Code. As such, income, losses, and other tax attributes are primarily passed through to Foreside. Foreside is organized as a Limited Liability Company that has elected to be treated as a partnership under the Internal Revenue Code. As such, income, losses, and other tax attributes are primarily passed through to its member and taxed at the member level.

NOTE 3 - RELATED PARTY TRANSACTIONS

The financial statement has been prepared from the separate records maintained by the Company. The Company shares office space and equipment with affiliates, which are under common control of Foreside. Accordingly, the Company has been allocated a portion of such shared costs. Also, the Parent provides administrative, legal, human resource and other general support services, the costs of which are allocated to the Company. For the year ended June 30, 2021, these allocated expenses totaled \$368,715. At June 30, 2021, amounts due to the Parent totaled \$32,394, which is included in “Due to related parties” in the Statement of Financial Condition.

At June 30, 2021, “Due to related parties” also included \$29,480, which resulted from revenue collected on behalf of its affiliates and expenses paid on behalf of the Company by Foreside.

At June 30, 2021, “Due from related parties” included \$1,893, which resulted from revenue collected on behalf of the Company.

The Parent agrees to financially assist the Company and is committed to provide such funds, as needed, to operate the business.

During the year ended June 30, 2021, the Company made capital distributions to the Parent totaling \$575,000.

NOTES TO FINANCIAL STATEMENT

NOTE 4 - NET CAPITAL REQUIREMENT

The Company is subject to the SEC's Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital of the greater of \$25,000 or 6-2/3% of aggregate indebtedness and the ratio of aggregate indebtedness to net capital not to exceed 15 to 1. The rule also provides that equity capital may not be withdrawn or cash distributions paid if the resulting net capital ratio would exceed 10 to 1. At June 30, 2021, the Company had net capital of \$232,506, which was \$207,506 in excess of its minimum required net capital of \$25,000. The Company's ratio of aggregate indebtedness to net capital at 1 was 0.42 to 1.

The Company is a fund member of the NSCC which requires registered broker-dealers to have \$50,000 in excess net capital over the minimum net capital requirement imposed by the SEC.

NOTE 5 - COMMITMENTS AND CONTINGENCIES

INDEMNIFICATIONS

The Company provides representations and warranties to counterparties in connection with a variety of commercial transactions and occasionally indemnifies them against potential losses caused by the breach of those representations and warranties. These indemnifications generally are standard contractual terms and are entered into in the normal course of business. The Company's maximum exposure under these arrangements cannot be known; however, the Company expects any risk of loss to be remote.

CREDIT RISK

The Company maintains a checking account in a financial institution. The account is insured by the Federal Deposit Insurance Corporation ("FDIC"). At times, cash may be uninsured or in deposit accounts that exceed the FDIC insurance limit. The Company has not experienced any losses in the account. The Company believes it is not exposed to any significant risk on cash. Management periodically assesses the financial condition of the bank and believes that any potential credit loss is minimal.

LITIGATION

In the normal course of business, the Company may be involved in legal proceedings, claims and assessments arising from the ordinary course of business. Such matters are subject to many uncertainties, and outcomes are not predictable with assurance.
