REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Stockholder of
Quint Capital Corporation:

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Quint Capital Corporation (the "Company") as of June 30, 2021, and the related notes (collectively referred to as the financial statement). In our opinion, the statement of financial condition presents fairly, in all material respects, the financial position of Quint Capital Corporation as of June 30, 2021 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of Quint Capital Corporation's management. Our responsibility is to express an opinion on Quint Capital Corporation's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to Quint Capital Corporation in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

We have served as Quint Capital Corporation's auditor since 2020.

Quint Capital Corporation

Notes to Financial Statement
For The Year Ended June 30, 2021

1. Organization and Nature of Business

Quint Capital Corporation (the "Company") was formed in Florida on September 28, 1989. The Company is located in New York and is a registered broker-dealer and a registered investment adviser ("RIA") under the Securities Exchange Act of 1934. The Company is a member of both the Financial Industry Regulatory Authority, Inc. ("FINRA") and the Securities Investors Protection Corporation ("SIPC") and operates under SEC Rule 15c3-3(k)(2)(ii), which provides that all funds and securities belonging to the Company's customers are handled by the clearing firm. QCap Holdings, LLC, a limited liability company ("the Parent") is a New York State entity formed in 2013. QCap Holdings, LLC is the sole owner of Quint Capital Corporation.

The Company is authorized to engage in transactions in over-the counter corporate equities securities, corporate debt securities, mutual funds, variable life insurance and annuities on a fully disclosed basis. The Company is also authorized to act as a placement agent for securities offerings, an underwriter or selling group participant for over-the-counter corporate securities (other than mutual funds) and perform investment advisory services. The Company is a non-exchange member authorized to arrange transactions in listed securities by an exchange member. They also provide fee based consulting services in the areas of corporate finance, mergers and acquisitions, RIA and insurance.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statement has been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statement and related disclosures in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the financial statement, and the reported amounts of income and expenses during the reporting period. Accordingly, actual results could differ from those estimates and such differences could be material.

Cash and Cash Equivalents

The Company maintains cash in bank account which, at times may exceed federally insured limits or where no insurance is provided. The Company has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents.

Accounts Receivable

The Company carries its accounts receivable at cost, less an allowance for doubtful accounts. On a periodic basis, the Company evaluates its accounts receivable and establishes an allowance for doubtful accounts based on history of past write-offs and collections and current credit conditions. No allowance for doubtful accounts was required at June 30, 2021.

Income Taxes

The Company has elected to be treated as a single-member, disregarded, "S" Corporation under the provisions of the Internal Revenue Code and New York State tax regulations. Under the provisions, the Company files a consolidated tax return with its parent entity, QCap Holdings, LLC, which is a disregarded entity for tax purposes. Neither the Company nor the parent pays federal or state corporate income taxes on its taxable income. Instead, the individual stockholder is liable for individual income taxes on Company's taxable income.

The Company accounts for uncertainties in income taxes under the provisions of FASB ASC 740-10-05, "Accounting for Uncertainty in Income Taxes" ("ASC"). The ASC clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statement. The ASC prescribes a recognition threshold and measurement attitude for the financial statement recognition and measurement of as tax position taken or expected to be taken in a tax return. The ASC provides guidance on de-recognition, classification, interest and penalties, accounting in interim periods, disclosure and transition.

Quint Capital Corporation

Notes to Financial Statement
For The Year Ended June 30, 2021

2. Summary of Significant Accounting Policies (Continued)

Revenue and Expense Recognition

Commission revenue (and the related clearing expenses) are recorded on a trade date basis. Revenue from sale of insurance based products are earned when the placement is completed and the income is reasonably determinable. Investment management fees are recognized when earned based on the terms of their respective agreements.

Significant Judgement

Significant judgement is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company's progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events.

Broker Dealer Commissions

The Company's broker-dealer subsidiaries earn commissions by executing client transactions in stocks, mutual funds, variable annuities and other financial products and services. Commissions revenue is recognized on trade date when the performance obligation is satisfied. Commissions revenue is paid on settlement date, which is generally two business days after trade date for equities securities and corporate bond transactions and one business day for government securities and commodities transactions. The Company records a receivable on the trade date and receives a payment on settlement date.

Advisory Fees

The Company provides investment advisory services on a daily basis. The Company believes the performance obligation for providing advisory services is satisfied over time because the customer is receiving and consuming the benefits as they are provided by the Company. Fee arrangements are based on a percentage applied to the customer's assets under management. Fees are received quarterly and are recognized as revenue at the time as they relate specifically to the services provided in that period, which are distinct from the services provided in other periods.

Mutual Fund Fees and Variable Annuity Fees

The Company enters into agreements with Mutual Funds and Variable Annuities ("funds") to distribute shares to investors. The Company may receive distribution fees paid by the fund up front, over time, upon the investor's exit from the fund (that is, a contingent deferred sales charge), or as a combination thereof. The Company believes that its performance obligation is the sale of securities to investors and as such this is fulfilled on the trade date. Any fixed amounts are recognized on the trade date and variable amounts are recognized to the extent it is probable that a significant revenue reversal will not occur once the uncertainty is resolved. For variable amounts, as the uncertainty is dependent on the value of the shares at future points in time as well as the length of time the investor remains in the fund, both of which are highly susceptible to factors outside the Company's influence, the Company does not believe that it can overcome this constraint until the market value of the fund and the investor activities are known, which are usually monthly or quarterly. Mutual fund fees and variable annuity fees recognized in the current period are primarily related to performance obligations that have been satisfied in prior periods.

3. Concentrations of Credit Risk

Cash

The Company maintains principally all cash balances in one financial institution which, at times may exceed the amount insured by the Federal Deposit Insurance Corporation. The exposure to the Company is solely dependent upon daily bank balances and the respective strength of the financial institution. The Company has not incurred any losses on this account. At June 30, 2021, the amount in excess of insured limits was \$322,230.

4. Due From Clearing Firm

Due from clearing firm represents amounts due from a clearing organization, which includes a clearing deposit of \$20,002 as of June 30, 2021.

Quint Capital Corporation

Notes to Financial Statement For The Year Ended June 30, 2021

5. Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At June 30, 2021, the Company had net capital of \$574,056, which was \$559,611 in excess of its required net capital of \$14,445. The Company's ratio of aggregate indebtedness to net capital was 37.74%.

6. Indemnifications

FASB ASC 460, Guarantees, requires the Company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying factor (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement as well as indirect guarantees of indebtedness of others.

In the normal course of its business, the Company indemnifies and guarantees certain service providers against specified potential losses in connection with their acting as an agent of, or providing services to, the Company. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statement for these indemnifications.

The Company has issued no guarantees at June 30, 2021, or during the year then ended.

7. Commitments and Contingencies

Office Leases

The Company is currently leasing office space at two locations in New York City, NY, under separate lease agreements. Each of the two lease agreements are for one year. The Company's total rent expense as of June 30, 2021 was \$166,778.

Contingencies

In the normal course of business, from time to time, the Company may be involved in judicial proceedings or arbitration concerning matters arising in connection with the conduct of its businesses, and, in the past, the Company has been involved in litigation matters. In addition, United States government agencies and self-regulatory organizations, as well as state securities commissions in the United States, conduct periodic examinations and initiate administrative proceedings regarding the Company's business, including, among other matters, accounting and operational matters, that can result in censure, fine, the issuance of cease-and-desist orders or the suspension or expulsion of a broker-dealer, investment advisor, or its directors, officers or employees. In view of the inherent difficulty of determining whether any loss in connection with such matters is probable and whether the amount of such loss can be reasonably estimated, particularly in cases where claimants seek substantial or indeterminate damages or where investigations and proceedings are in the early stages, the Company cannot estimate the amount of such loss or range of loss, if any, related to such matters, how or if such matters will be resolved, when they will ultimately be resolved, or what the eventual settlement, fine, penalty or other relief, if any, might be. Subject to the foregoing, the Company believes, based on current knowledge and after consultation with counsel, that it is not currently party to any material pending legal proceedings, individually or in the aggregate, the resolution of which would have a material effect on the Company. Provisions for losses are established in accordance with ASC 450, "Accounting for Contingencies" when warranted. Once established, such provisions are adjusted when there is more information available or when an event occurs requiring a change.

8. Related Party Transactions

For the year ended June 30, 2021, one of the Company's rental agreements was with an affiliate of the sole shareholder. Rental payments made under this lease were \$76,778 for the period.

Quint Capital Corporation

Notes to Financial Statement
For The Year Ended June 30, 2021

9. COVID-19

On May 20, 2020, the Company received loan proceeds in the amount of approximately \$148,750 under the Paycheck Protection Program ("PPP"). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), provides for loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loan is forgivable so long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. Any unforgiven portion of the PPP loan is payable over two years at an interest rate of 1%, with a deferral of payments for the first six months. As of June 12, 2021 the loan has been forgiven in full by the SBA and therefore there is no outstanding balance on the financial statement.

10. Subsequent Events

The Company has evaluated events and transactions that occurred between August 23, 2021, which is the date the financial statement was available to be issued, for possible disclosure and recognition in the financial statement.

CERTIFIED PUBLIC ACCOUNTANTS

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ON APPLYING
AGREED-UPON PROCEDURES**

To the Stockholder of
Quint Capital Corporation:

We have performed the procedures included in Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and in the Securities Investor Protection Corporation ("SIPC") Series 600 Rules, which are enumerated below and were agreed to by Quint Capital Corporation (the "Company"), and the SIPC, solely to assist you and the SIPC in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7) for the year ended June 30, 2021. The Company's management is responsible for its Form SIPC-7 and for its compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with standards established by the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed, and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the total revenue amounts reported on the annual audited report Form X-17A-5 Part III for the year ended June 30, 2021, with the total revenue amount reported in Form SIPC-7 for the year ended June 30, 2021, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
4. Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion on compliance or conclusion, respectively on the Company's compliance with the applicable instructions of the Form SIPC-7 for the year ended June 30, 2021. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of Quint Capital Corporation and the SIPC and is not intended to be and should not be used by anyone other than these specified parties.
