NOTE 1: ORGANIZATION & SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

SECU Brokerage Services, Inc. (Company) is incorporated in the State of North Carolina as a broker/dealer under the Securities and Exchange Act of 1934. The Company is a wholly-owned subsidiary of Credit Union Investment Services, Inc. (Parent). The Company is registered with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority (FINRA) and the Securities Investor Protection Corporation (SIPC) and is therefore subject to certain regulatory requirements, including maintenance of specified levels of net capital.

Credit Union Investment Services, Inc. is a wholly-owned subsidiary of State Employees' Credit Union, a non-profit, member owned financial cooperative. State Employees' Credit Union is a state chartered, federally insured financial cooperative which was formed in 1937 and serves over 2.6 million members in North Carolina.

Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, the Company is exempt from the provisions of Rule 15c3-3. The Company has claimed exemption from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934, in that the Company's activities are limited to those set forth in the conditions for exemption appearing in paragraph (k)(2)(ii) of Rule 15c3-3.

Summary of Significant Accounting Policies

Use of Estimates

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make

SECU Brokerage Services, Inc.
Notes to Financial Statements
June 30, 2021 and 2020

estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes relating to the statement of cash flows, the Company considers all highly liquid debt instruments with a maturity of three months or less at acquisition, including money market accounts, to be cash equivalents. Certain cash equivalents are restricted and are recognized as a component of restricted deposit with clearing organization on the balance sheets.

The Company adopted ASU 2016-18 Statement of Cash Flows (Topic 230): Restricted Cash, which requires cash and cash equivalents with restrictions on withdrawal or use to be included in cash and cash equivalents in the statement of cash flows. The ASU is effective for fiscal years beginning after December 15, 2018. The Company has adopted Topic 230 effective July 1, 2019, with retrospective implementation.

Securities Transactions

Securities transactions are recorded on a trade date basis. Marketable securities owned by the Company are accounted for at fair value based on current published market prices.

Income Taxes

The operations of the Company are included in the consolidated federal income tax return filed by the Parent. Federal income taxes are calculated as if the Company filed on a separate basis and the amount of the current tax and/or benefit calculated is either remitted to or received from the Parent.

SECU Brokerage Services, Inc.
Notes to Financial Statements
June 30, 2021 and 2020

The Company accounts for deferred income taxes using the asset and liability method. Under this method, deferred income taxes are recognized, with certain exceptions, for temporary differences between the financial reporting basis and income tax basis of assets and liabilities based on enacted tax rates expected to be in effect when such amounts are realized or settled. The effects of changes in tax laws or rates on deferred tax assets and liabilities are recognized in the period that includes the enactment date.

Fee Revenue

Fee revenue from contracts includes monthly service fee at a rate agreed upon by the Company and Parent. The recognition and measurement of revenue is based on the assessment of individual contract terms. Judgment is required to determine whether performance obligations are satisfied; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company's progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events. There were no changes in judgments used to determine the timing of the satisfaction of performance obligations or the judgements used to determine the transaction price made in applying the guidance in Topic 606.

The following provides detailed information on the recognition of our revenues from Company's one revenue contract. Company provides investment and brokerage services to Parent through a relationship as an Introducing Broker Dealer. Service fees are fixed and accrued monthly over the course of the term. The Company records servicing fees when the services are provided and earned based on contractual terms. The Company believes the performance obligation for service fees is satisfied over time because the customer is receiving and consuming the benefits as they are provided by the Company.

Company recognizes a receivable between the monthly due date and payment date, if any material interval of time passes. Because the parties are related, it is unlikely to have a

Notes to Financial Statements
June 30, 2021 and 2020

gap between due date and payment. The receivable related to this contract at year end was \$0 for June 30, 2021 and 2020.

Disaggregation of Revenue

The following presents the Company's revenue from contracts. With only one contract, one performance obligation, and one customer - only one type of category is necessary.

	<u>2021</u>	<u>2020</u>
Service Fee Income	\$1,855,000	\$1,500,000

Franchise Tax

The Company is organized as a C corporation in the State of North Carolina and is subject to a franchise tax for the privilege of doing business in this state. The franchise tax rate is \$1.50 per \$1,000.00 of capital stock, surplus and undivided profits. The minimum franchise tax is \$200.00. For the years ended June 30, 2021 and 2020, the Company's franchise tax expenses were \$1,700 and \$1,671, respectively.

Coronavirus Disease (COVID-19)

In March 2020, the World Health Organization declared the spread of COVID-19 a worldwide pandemic. The COVID-19 pandemic is having significant effects on global markets, supply chains, businesses, and communities. Specific to the Company, COVID-19 may impact various parts of its future operations and financial results including but not limited to variation in asset based fee income due to market volatility, increased operations costs, costs for emergency preparedness, or potential shortages of personnel. Management believes the Company is taking appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated as these events are continuing subsequent to year end.

Notes to Financial Statements

NOTE 5: INCOME TAX

Management considers whether it is more likely than not that all or some portion of the deferred tax asset will be realized. The ultimate realization of the deferred tax asset is based on consideration of available evidence, including tax planning strategies and other factors. As of June 30, 2021 and 2020, no deferred assets remained for valuation consideration. For the years ended June 30, 2021 and 2020, the Company recognized \$28,421 and \$2,412, respectively, for current income tax expense.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors and Stockholders
SECU Brokerage Services, Inc.
Raleigh, North Carolina

We have reviewed management's statements, included in the accompanying SEC Rule 17a-5 Exemption Compliance Report, in which (1) SECU Brokerage Services, Inc. (the Company) identified the following provisions of 17 C.F.R. § 15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3, paragraph (k)(2)(ii) (the "exemption provisions") and (2) SECU Brokerage Services, Inc. stated that SECU Brokerage Services, Inc. met the identified exemption provisions throughout the most recent fiscal year except as described in its exemption report. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Re: SEC Rule 17a-5 Exemption Compliance

To Whom It May Concern:

The following information details our exemption compliance with SEC Rule 17a-5 reporting requirements:

- SECU Brokerage Services, Inc. is an introducing broker/ dealer who clears all transactions with and for customers on a fully disclosed basis with a clearing broker, Pershing, LLC. SECU Brokerage Services, Inc. promptly transmits all customer funds and securities to the clearing broker and claims exemption from Rule 15c3-3 under provisions of paragraph (k)(2)(ii).
- SECU Brokerage Services, Inc. met the above identified exemption provision throughout the most recent fiscal year ended June 30, 2021 with one exception, as noted below.

Amount	Payable To	Resolution	Date Received	Date Resolved
\$18,613.57	Pershing, LLC	The client delivered a rollover check at the local branch. Rather than depositing the check to Pershing's account at SECU, the rep forwarded it to the Back Office via SECU courier. The check was received by the Back Office 3 business days after it was initially received in the branch. The Back Office deposited the check the same day it arrived via SECU courier and reminded the rep that we cannot maintain custody of investment funds.	2/24/2021	3/1/2021
