We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to SeriesOne Securities LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. SERIESONE SECURITIES, LLC
NOTES TO FINANCIAL STATEMENT

JUNE 30, 2020

NOTE 1. DESCRIPTION OF ORGANIZATION AND BUSINESS

SeriesOne Securities, LLC (the “Company”) is a broker dealer registered with the Securities and Exchange Commission (“SEC”) and is a member of the Financial Industry Regulatory Authority (“FINRA”) formed for the purpose of providing broker dealer services including financial advisory services, mergers and acquisition services and to engage in private placement of securities and similar services.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

These financial statements were prepared in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Cash Equivalents

The Company considers money market mutual funds and other highly-liquid investments with original maturities of three months or less to be cash equivalents.

Income Taxes

The Company is a limited liability company, treated as a partnership for federal, state and city income tax purposes; it therefore does not incur income taxes at the Company level. Instead its earnings and losses are passed through to the members and included in the calculation of each member’s tax liability. Accordingly, no provision for income taxes has been made in the accompanying financial statements. The Company is subject to New York City Unincorporated Business Tax.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

NOTE 3. RELATED PARTY TRANSACTIONS

In accordance with a services agreement, the Company's affiliate pays for various specified expenses for which the Company compensates the affiliate in the form of a management fee and for various other expenses, such as sundry professional services, for which the Company does not reimburse the affiliate.

NOTE 4. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule 15c3-1. This Rule requires the maintenance of minimum net capital and that the ratio of aggregate indebtedness to net capital both as defined shall not exceed 15 to 1 thereafter and that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At June 30, 2020 the Company's net capital was \$7,358 which was approximately \$2,358 in excess of its minimum requirement of \$5,000.

NOTE 5. COMPLIANCE WITH RULE 15C3-3

The Company does not handle cash or securities on behalf of customers and accordingly has no obligation under SEC Rule 15c3-3.

NOTE 6. GOING CONCERN

Accounting Standards Update 2014-15 requires that management evaluate conditions or events that might raise substantial doubt about the Company's ability to continue as a going concern. Management has evaluated the Company's conditions and has determined that unless the Company generates enough revenue or continues to be funded by its members, there is substantial doubt about the Company's ability to continue as a going concern. Capital is not a significant income producing factor but should the Company have a need for capital it will be able to rely upon its members to infuse capital to cover overhead should that become necessary.

NOTE 7. COVID-19

During the 2020 calendar year, the World Health Organization has declared COVID-19 to constitute a "Public Health Emergency of International Concern". This pandemic has disrupted economic markets and the economic impact, duration and spread of the COVID-19 virus is uncertain at this time. The financial performance of the Company is subject to future developments related to the COVID-19 outbreak and possible government advisories and restrictions placed on the financial markets and business activities. The impact on financial markets and overall economy, all of which are highly uncertain, cannot be predicted. If the financial markets and/or overall economy are impacted for an extended period, the company's results may be materially affected. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.
