We have audited the accompanying statement of financial condition of Energy Domain Securities, LLC (the Company) as of December 31, 2021, and the related notes (collectively referred to as the financial statement). ### **Basis for Opinion**

The financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

**ENERGY DOMAIN SECURITIES, LLC**  
**NOTES TO FINANCIAL STATEMENT**  
**FOR THE PERIOD MAY 12, 2021 TO DECEMBER 31, 2021**

**NOTE 1 – ORGANIZATION AND NATURE OF BUSINESS:**

Energy Domain Securities, LLC (the "Company") was formed as a limited liability company in Texas on February 2, 2020. The Company is a registered broker-dealer with the Securities and Exchange Commission ("SEC") and is a member of both the Financial Industry Regulatory Authority, Inc. ("FINRA") and the Securities Investors Protection Corporation ("SIPC") since February 14, 1984. The Company is authorized to engage in selling oil and gas interests, and operate a web based platform focused on facilitating transactions of oil and gas interests through a proprietary marketplace technology, which allows for the listing, evaluating, and transacting of interests. The platform automates and simplifies the offering and investment process for issuers and investors. The period of the financial statements is from May 12, 2021 to December 31, 2021, the date that FINRA approved the registration.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

**Basis of Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") as detailed in the Financial Accounting Standards Board's Accounting Standards Codification.

**Use of Estimates**

The preparation of financial statements and related disclosures in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income and expenses during the reporting period. Accordingly, actual results could differ from those estimates and such differences could be material.

**Going Concern**

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. The Company is currently dependent on its owner to fund its ongoing operations as the Company has not yet generated sufficient revenue. The owner intends to provide additional financing through direct contributions of capital until positive cash flows are generated. The owner is not contractually obligated to continue to provide support.

**Revenue and Expense Recognition**

*Commission Earned from the Sale of Oil and Gas Interests Based Products*

The Company engages in the sale of oil and gas interests based products. The Company earns fees upon the success of an oil and gas interests deal. Payments for services are payable in accordance with the terms of their contract under normal deal terms. Success fees are recognized and payable on the closing date (the date on which the deal is finalized) for the portion the Company is contracted to earn in accordance with its agreements. The Company believes that the closing date is the appropriate point in time to recognize success fees for transactions, as there are no significant actions which the Company needs to take subsequent to this date.

*Disaggregation of Revenue*

All of the revenue in for the period ended December 31, 2021 was from commission earned from sale of oil and gas based products.

*Receivables and Contract Balances*

At December 31, 2021, the Company had no contract assets or contract liabilities.

*Significant Judgment*

Significant judgment is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company's progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events.

**ENERGY DOMAIN SECURITIES, LLC**  
**NOTES TO FINANCIAL STATEMENT**  
**FOR THE PERIOD MAY 12, 2021 TO DECEMBER 31, 2021**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):**

**Revenue and Expense Recognition (Continued)**

**Income Taxes**

The Company is a single member limited liability company that is deemed to be a disregarded entity for federal income tax purposes. The taxable income or loss of the Company is allocated and taxed to its member.

The Company accounts for uncertainties in income taxes under the provisions of FASB ASC 740-10-05, "Accounting for Uncertainty in Income Taxes." The ASC clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements. The ASC prescribes a recognition threshold and measurement approach for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The ASC provides guidance on reversal, classification, interest and penalties, accounting in interim periods, disclosure and transition. At December 31, 2021, the Company had no material unrecognized tax and no uncertain tax positions.

**NOTE 3 – NET CAPITAL REQUIREMENTS:**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 12.5 to 1, in the first year of membership and 15 to 1, thereafter. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2021, the Company had net capital of \$105,131 which was \$100,131 in excess of its required net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital was 0.0695 to 1.

**NOTE 4 – CONCENTRATIONS OF CREDIT RISK:**

**Cash**

The Company maintains principally all cash balances in one financial institution which, at times, may exceed the amount insured by the Federal Deposit Insurance Corporation. The exposure to the Company is solely dependent upon daily bank balances and the respective strength of the financial institution. The Company has not incurred any losses on this account. At December 31, 2021, the amount in excess of insured limits of \$250,000 was \$0.

**Revenue**

During the period ended December 31, 2021, 100% of the Company's commissions revenues were from two customers.

**NOTE 5 – RELATED PARTY TRANSACTIONS:**

For the period ended December 31, 2021, the Company has an expense sharing agreement in place with its Parent, Energy Domain, LLC (the "Parent"). The agreement permits the allocation of certain shared expenses to the Company, which are included in the Statement of Income. Total shared expenses for the period were \$76,752, and the balance due to the Parent as of December 31, 2021 was \$0. The shared expenses consist of compensation, occupancy, IT and communications, administrative and technology support staff and other general overhead expenses incurred in the normal course of business.

**ENERGY DOMAIN SECURITIES, LLC**  
**NOTES TO FINANCIAL STATEMENT**  
**FOR THE PERIOD MAY 12, 2021 TO DECEMBER 31, 2021**

**NOTE 6 – EXEMPTION FROM RULE 15c3-3:**

The Company is exempt from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934. The Company does not hold customers' cash or securities and, therefore, has no obligations under SEA Rule 15c3-3 under the Securities Exchange Act of 1934.

**NOTE 7 – RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS:**

The Financial Accounting Standards Board (the “FASB”) has established the Accounting Standards Codification (“Codification” or “ASC”) as the authoritative source of GAAP recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with GAAP in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates (“ASUs”).

For the period ending December 31, 2021, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company’s financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

**NOTE 8 – COMMITMENTS AND CONTINGENCIES:**

The Company had no commitments or contingent liabilities and had not been named as a defendant in any lawsuit at December 31, 2021, or during the period then ended.

**NOTE 9 – SUBSEQUENT EVENTS:**

The Company has evaluated events subsequent to the Statement of Financial Condition date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.
