NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 ORGANIZATION

Nature of Business

Melvin Securities, LLC (the Company) is an Illinois Limited Liability Company registered as a broker-dealer with the Securities and Exchange Commission (SEC) and with Financial Industry Regulatory Authority (FINRA), conducting business as an institutional broker. The Company's primary focus is to participate in securities underwritings. Commissions are earned when the Company acts as a participating underwriter for the sale of securities. The securities transactions are carried and cleared by the managing underwriter. On January 14, 2021, the Company restated their operating agreement to allow additional members to the Company with the authorization to establish an unlimited number of classes of membership interests. Class A, B and C membership interests have been issued. Class A interests are voting membership interests and Class B and C are non-voting membership interests.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies which have been followed by Melvin Securities, LLC in preparing the accompanying financial statements is set forth below.

Accounting Policies In October 2017, the FASB issued Accounting Standards Update No. 2017-13, Revenue Recognition (Topic 615), Revenue from Contracts with Customers (Topic 606), Leases (Topic 840) and Leases (Topic 842): The accounting for a broker-dealer's proprietary trading operations and lending activities (including securities lending and repurchase arrangements) will not be in the scope of the new standard. Recognition of interest and dividend income and expense from financial instruments owned or sold short, interest (rebate) from securities lending, repurchase agreements and similar arrangements also will be outside of the scope of the standard. Recognition of realized and unrealized gains and losses on the transfer of derecognition of financial instruments will continue to be within the scope of Accounting Standards Codification (ASC) 860.

Use of Estimates The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition The Company underwrites securities for business entities and governmental entities that want to raise funds through a sale of securities. Revenues are earned from fees arising from securities offering in which the Company acts as a participating underwriter.

Revenue is recognized on the trade date. The Company believes that the trade date is the appropriate point in time to recognize revenue as there are no significant actions which the Company needs to take subsequent to this date and the issuer obtains the control and benefit of the capital markets offering at this point.

MELVIN SECURITIES, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES (continued)

Underwriting costs and fees, if any, are recognized in expense at this time the related revenues are recorded.

Cash Equivalents Cash and cash equivalents include highly liquid instruments with original maturities of three months or less.

Short-Term Investments Short-Term Investments consist of an interest bearing certificate of deposit at the rate of .10% maturing within one year.

Equipment **Equipment** is stated at cost less accumulated depreciation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets with a half year convention in the year of acquisition. For assets sold or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any related gain or loss is reflected in income for the period.

Income Taxes A Limited Liability Company does not pay federal income taxes. The Company is treated for federal and state income taxes as if it was a partnership reporting their income under the Sub Chapter K provision of the Internal Revenue Code of 1986. Each member is responsible for reporting their pro rata share of the profits and losses on their tax returns. The Company reports their income for taxes on a calendar year basis.

The Company applies the provision of FASB ASC 740, Income Taxes, which provides guidance for how uncertain tax positions should be recognized, measured, presented and disclosed in the financial statements. FASB ASC 740 requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's financial statements to determine whether the tax positions are more-than-likely-than-not of being sustained by the applicable tax authority. The managing member has concluded there is no tax expense to be recorded by the Company for the year ended December 31, 2021.

Management has reviewed the Company's tax positions for the open tax years (current and prior three tax years) and concluded that no provision for income tax is required in the Company's financial statements. Such open tax years remain subject to examination by tax authorities.

In the normal course of business, the Company enters into contracts that contain a variety of representations and warranties that provide indemnifications under certain circumstances. The

Company's maximum exposure under these arrangements is unknown, as this would involve future claims that may be made against the Company that have not yet occurred. The Company expects the risk of loss to be remote.

The Company has agreed to indemnify its clearing brokers for losses that the clearing brokers may sustain from their customer account activity. The Company believes that it is unlikely it will have to make any material payments under these agreements and has not recorded a contingent liability in the financial statements for these indemnifications.

To the Member

We have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Report pursuant to SEC Rule 17a-5, in which (1) Melvin Securities, LLC identified the following provision of 17 C.F.R. §15c3-3(k) under which Melvin Securities, LLC claimed the following exemption(s) from 17 C.F.R. §240.15c3-3: (k)(2)(i) and (2) Melvin Securities, LLC stated that Melvin Securities, LLC met the identified exemption provisions throughout the most recent fiscal year without exception.

The Company is also filing this Exemption Report because the Company's other business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 are limited to its business activities exclusively to proprietary trading; In addition, the Company did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; did not carry accounts of or for customers; and did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Melvin Securities, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based upon the Company's business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5, and related SEC Staff Frequently Asked Questions.
