COGENT ALTERNATIVE STRATEGIES, INC.
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2022

Note 1 - ORGANIZATION AND NATURE OF BUSINESS

Cogent Alternative Strategies, Inc. (the "Company") began doing business in July 2000 as a broker-dealer registered with the Securities and Exchange Commission and the Financial Industry Regulatory Authority ("FINRA"). The principal source the Company's income is generated from the private placement of securities. In this capacity, the Company places assets with investment managers for its qualified individual and institutional customers. In addition, the Company acts as an agent for secondary private placements and other similar transactions.

Note 2 - SIGNIFICANT ACCOUNTING POLICIES

The Company maintains its books and records on an accrual basis in accordance with accounting principles generally accepted in the United States of America which require management to make estimates and assumptions in determining the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from these estimates.

Note 3 - CASH IN BANK

Funds deposited with a single bank are insured up to \$250,000 in the aggregate by the Federal Deposit Insurance Corporation ("FDIC"). The Company considers all highly liquid instruments purchased with a maturity date of three months or less when purchased to be cash equivalents. The Company maintains all of its cash in one financial institution located in the US.

Note 4 - PROVISION FOR INCOME TAXES

The Company has elected to be treated as an "S" Corporation under the provisions of the Internal Revenue Code. Under the provisions, the Company does not pay federal corporate income taxes on its taxable income. Instead, the stockholder is liable for individual income taxes on his respective share of the Company's taxable income. The Company prepares its income tax returns on the cash basis.

The Financial Accounting Standards Board ("FASB") provides guidance for how uncertain tax positions should be recognized, measured, disclosed and presented in the financial statements. This requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Corporation's tax returns to determine whether the tax positions are "more-likely-than-not" of being sustained "when challenged" or "when examined" by the applicable tax authority. Tax positions not deemed to be the more-likely-than-not threshold would be recorded as a tax benefit or expense and liability in the current year. The tax years that remain subject to examination are 2018, 2019 and 2020. As of March 31, 2022, the Company's federal and state tax returns generally remain open for the last three years, management has determined that there are no material uncertain income tax positions.

Note 5 - RULE 15C-3-3

The Company does not claim an exemption from the provisions of Rule 15c-3-3. The provisions of SEA Rule 15c3-3 are not applicable to the Company under the guidance of Footnote 74 of SEC Release No. 34-70073 in that the Company carries no customer accounts.

Note 6 - NET CAPITAL REQUIREMENT

The Company is subject to the Securities and Exchange Commission's Net Capital Rule (15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At March 31, 2022, the Company had Net Capital of \$611,226, which was in excess of the minimum requirement of \$5,000 by \$606,226. The Company's percentage of aggregate indebtedness to net capital was 2.54%.

COGENT ALTERNATIVE STRATEGIES, INC.
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2022

Note 7 - LIABILITIES SUBORDINATED TO THE CLAIMS OF GENERAL CREDITORS

As of March 31, 2022, the Company had not entered into any subordinated loan agreements.

Note 8 - CUSTOMER CONCENTRATION

The Company had one customer that represented 100% of total revenue for the year ended March 31, 2022. The customer represented 100% of accounts receivable at March 31, 2022.

Note 9 - PROFIT SHARING PLAN

The Company adopted a Profit Sharing Plan during 2016 covering the Shareholder.

Note 10 - DEFINED BENEFIT PLAN

The Company instituted a defined benefit pension plan ("the Plan") covering the shareholder. The initial actuarial valuation of the plan was as of January 1, 2016 and the most recent actuarial valuation was performed in March 31, 2022. The assets supporting the Plan are held in a separate investment fund and are valued at fair value. A fiscal year end is used as the measurement date for the plan.

The Plan is currently adequately funded as there is no short fall which is the difference between the Fair Value of Plan Assets and the Defined Benefit Obligation as of March 31, 2022. The Plan is governed by the Employee Retirement Income Security Act of 1974 ("ERISA") and the Plan was designed to provide the maximum allowable benefit (as limited by Section 415 of the Internal Revenue Code) to its sole participant. The Plan is subject to Title I of the ERISA funding rules which provide a range of acceptable funding contributions provided by an Enrolled Actuary. Because the sole participant of the plan is also the sole member of the Company, the Plan is exempt from Title IV of ERISA and not covered under the federal insurance pension program ("the PBGC"). As a result, the plan can be terminated with a shortfall (i.e. the difference between the plan assets and the plan benefit obligations) without any liability.

The Company adopted a Profit Sharing Plan during 2016. The Company incurred an expense of \$38,500 for the defined benefit plan during the year ended March 31, 2022 which was included in Retirement Plan Expense on the accompanying Statement of Income.

COGENT ALTERNATIVE STRATEGIES, INC.
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2022

Note 11 - REVENUE RECOGNITION

Revenues and expenses related to financial advisory activities are recorded on an accrual basis when earned and incurred, respectively. Revenue is deemed to be earned when the Company typically has no further obligation after all committed investor funds have been collected, all documents are properly executed, and title to the assets or stock is transferred. There is no deferred revenue as of March 31, 2022.

Note 12 - COMMITMENTS AND CONTINGENT LIABILITIES

The Company had no underwriting commitments, no contingent liabilities and had not been named as a defendant in any lawsuit at March 31, 2022 or during the year ended March 31, 2022.

Note 13 - COVID-19

Management is currently evaluating the COVID-19 pandemic and its impact on the financial services industry and has concluded that while it is reasonably possible that the virus could have a negative effect on the Company's operations, the specific impact is not readily determinable as of the date of these financial statements. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Note 14 - SUBSEQUENT EVENTS

Events have been evaluated through the date that these financial statements were available to be issued and no further information is required to be disclosed.
