To the Member's and Board of Members of WBB Securities, LLC

Opinion on the Financial Statements

I have audited the accompanying statement of financial condition of WBB Securities, LLC as of December 31, 2021, the related statements of income, changes in member's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material respects, the financial position of WBB Securities, LLC as of December 31, 2021, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of WBB Securities, LLC's management. My responsibility is to express an opinion on WBB Securities, LLC's financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to WBB Securities, LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

The Supplemental Information is the responsibility of the WBB Securities, LLC's management. Notes to Financial Statements
For year ended December 31, 2021

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

WBB Securities, LLC, (the "Company"), was formed in 2001, in the State of California as a limited liability company. In August 2020, the Company left California and is now domiciled in the state of New Jersey. The Company is registered as a broker-dealer with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA") and Securities Investor Protection Corporation ("SIPC"). The Company is authorized to engage in private placements of securities and mergers and acquisitions. The Company does not hold customer funds or safeguard customer securities. The Company clears all security transactions through National Financial Services ("NFS"). As of December 2020, the Company entered into a Tri-party Clearing Agreement with Maplewood Investments. This agreement allows the Company to continue to clear through National Financial Services, however, it is done under the Maplewood Investments contract with National Financial Services.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

For purposes relating to the statement of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Property and equipment are stated at cost. Purchases greater than \$1,000 are capitalized. Repairs and maintenance to these assets are charged to expense as incurred; major improvements enhancing the function and/or useful life are capitalized. When items are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gains or losses arising from such transactions are recognized. Property and equipment are depreciated over their estimated useful lives of three (3) to seven (7) years by the straight-line method.

Retirement Plan - The Company maintains a retirement plan in accordance with Section 401(k) of the Internal Revenue Code. Under the terms of this plan, eligible employees make voluntary contributions to the extent allowable by law. The Company did not make contributions on behalf of employees to this plan for the year ended December 31, 2021.

The Company, with the consent of its Members, has elected to be a Limited Liability Company. For tax purposes, the Company is treated like a partnership, therefore in lieu of business income taxes, the Members are taxed on the Company's taxable income.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
Continued

Accordingly, no provision or liability for Federal Income Taxes is included in these financial statements. The State of New Jersey has similar treatment.

The Company is subject to audit by the taxing agencies for years ending December 31, 2018, 2019, and 2020.

The Company is engaged in various trading and brokerage activities in whose counterparties primarily include broker/dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends upon the creditworthiness of the counterparty or issuer of the instrument. To mitigate the risk of loss, the Company maintains its accounts with credit worthy customers and counterparties.

The management has reviewed the results of operations for the period of time from its year end December 31, 2021 through February 11, 2022 the date the financial statements were available to be issued and have determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritized the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or liability or, in the absence of a principal market, the most advantageous market for the asset or liability. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820 are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in

pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

* There were no levels to measure on December 31, 2021.

WBB Securities, LLC
Cranford, NJ

I have reviewed management's statements, included in the accompanying Exemption Report in which (1) WBB Securities, LLC, identified the following provisions of 17 C.F.R. §15c3-3(k) under which WBB Securities, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(ii) (the "exemption provisions") and (2) WBB Securities, LLC, stated that WBB Securities, LLC, met the identified exemption provisions throughout the most recent fiscal year without exception and (3) WBB Securities, LLC stated that WBB Securities, LLC is also filing this Exemption Report because the Company's other business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. 240.17a-5 are limited to (1) broker or dealer retailing corporate equity securities over the counter; (2) broker or dealer retailing corporate debt securities; (3) Underwriting or selling group participant (corporate securities other than mutual funds on a best efforts basis only); (4) Mutual fund underwriter or sponsor (5) mutual fund retailer (both application and wire order basis); (6) U.S government securities broker or dealer; (7) Municipal securities broker or dealer; (8) broker or dealer selling variable life insurance or annuities; (9) put and call broker or dealer or option writer; (10) investment advisory services; (11) non-exchange member arranging for transactions in listed securities by exchange member; (12) private placements of securities; and/or (13) trading securities for own account not with the firm's customers; (ii) did not carry accounts of or for customers; and (iii) did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception. WBB Securities, LLC's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about WBB Securities, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects.

SIPC Assessment Reconciliation.

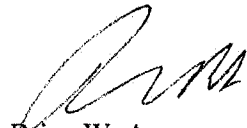

Board of Members
WBB Securities, LLC
Cranford, NJ

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and with the SIPC Series 600 Rules, I have performed the procedures enumerated below, which were agreed to by WBB Securities, LLC and the Securities Investor Protection Corporation ("SIPC") with respect to the accompanying General Assessment Reconciliation (Form SIPC-7) of WBB Securities, LLC (the "Company") for the year ended December 31, 2021, solely to assist you and SIPC in evaluating WBB Securities, LLC's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
2. Compared the Total Revenue amounts reported on the Annual Audited Report Form X-17A-5 Part III for the year ended December 31, 2021, with the Total Revenue amounts reported in Form SIPC-7 for the year ended December 31, 2021 noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the applicable instructions of the Form SIPC-7. Accordingly, I do not express such an opinion. Had I performed additional procedures other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
