*Summary of Significant Accounting Policies*

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Property and equipment are stated at cost and depreciated straight line over five or seven years. Purchases over \$1,000 are capitalized. Repairs and maintenance to these assets are charged to expense as incurred; major improvements enhancing the function and/or useful life are capitalized. When items are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gains or losses arising from such transactions are recognized.

## Assertions Regarding Exemption Provisions

I, as a member of management of CenterPoint M & A Advisors, Inc. (“the Company”), is responsible for compliance with the annual reporting requirements under Rule 17a-5 of the Securities Exchange Act of 1934. Those requirements compel a broker or dealer to file annual reports with the Securities Exchange Commission (SEC) and the broker’s or dealer’s designated examining authority (DEA). One of the reports to be included in the annual filing is an exemption report prepared by an independent public accountant based upon a review of assertions provided by the broker or dealer. Pursuant to that requirement, the management of the Company hereby makes the following assertions:

The Company is a “non-covered” firm pursuant to Footnote 74 to SEC Release 34-70073 and is therefore not subject to SEA Rule 15c3-3 for the fiscal year ended December 31, 2021. The Company represents that it has not held customer funds or securities, did not carry accounts of or for customers and did not carry broker-dealer proprietary accounts as defined in Exchange Act Rule 15c3-3. The Company limits its business activities to private placement of securities on a best efforts basis only and merger and acquisition and other corporate finance advisory services.

The Company maintained compliance with the above throughout the year ended December 31, 2021, without exception.

**REPORT OF INDEPENDENT REGISTERED PUBLIC  
ACCOUNTING FIRM**

Board of Directors  
Centerpoint M&A Advisors, Inc.  
Woodland Hills, California

I have reviewed management's statements, included in the accompanying SEC Rule 15c3-3 Exemption Report in which Centerpoint M&A Advisors, Inc., stated that Centerpoint M&A Advisors, Inc.'s, business activities are limited private placements of securities on a best efforts basis only and other- merger and acquisition and other corporate finance advisory services, and that it has not held customer funds or securities and that Centerpoint M&A Advisors, Inc. is classified as "non-covered" pursuant to footnote 74 to SEC Release 34-70073, dated July 30, 2013, and as discussed in Q & A 6 of the related FAQ issued by SEC state on April 4, 2014. Centerpoint M&A Advisors, Inc. also stated that it had maintained compliance with the above declaration throughout the most recent fiscal year ended December 31, 2021, without exception. Centerpoint M&A Advisors, Inc.'s management is responsible for compliance and is not subject to the provisions set forth in Rule 15c3-3 under the Securities and Exchange Act of 1934 and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about Centerpoint M&A Advisors, Inc.'s declaration concerning the provisions set forth in Rule 15c3-3 under the Securities Exchange Act of 1934. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in Footnote 74 to SEC Release 34-70073.
