REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders
of Skypoint Capital Partners LLC

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Skypoint Capital Partners LLC as of December 31, 2021, the related statements of income, changes in members' equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the period then ended, and the related notes and schedules (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of Skypoint Capital Partners LLC as of December 31, 2021, and the results of its operations and its cash flows for the period then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of Skypoint Capital Partners LLC's management. Our responsibility is to express an opinion on Skypoint Capital Partners LLC's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to Skypoint Capital Partners LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Auditor's Report on Supplemental Information

The information contained in Schedules I, II and III has been subjected to audit procedures performed in conjunction with the audit of Skypoint Capital Partners LLC's financial statements. The supplemental information is the responsibility of Skypoint Capital Partners LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the information contained in Schedules I, II, and III is fairly stated, in all material respects, in relation to the financial statements as a whole.

Ascent CPA Group, LLC

We have served as Skypoint Capital Partners LLC's auditor since 2021.

**SKYPOINT CAPITAL PARTNERS, LLC
STATEMENT OF CHANGES IN LIABILITIES
SUBORDINATED TO CLAIMS OF CREDITORS
FOR THE PERIOD OF DECEMBER 24, 2020 TO DECEMBER 31, 2021**

The Company did not and has not had any subordinated liabilities.

SKYPOINT CAPITAL PARTNERS, LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021

Note 1 – Nature of Business and Significant Accounting Policies

Nature of Business

Skypoint Capital Partners, LLC (the “Company”) is a broker-dealer registered with the Securities and Exchange Commission (“SEC”) and is a member of the Financial Industry Regulatory Authority (“FINRA”) and the Securities Investors Protection Corporation (“SIPC”). The Company is a limited liability company organized under the laws of the State of Delaware.

The Company was approved as a broker-dealer on December 24, 2020 by the SEC and FINRA. Pursuant to the Annual Audit Financial Statement No Action Relief filed on January 18, 2021 (CRD# 310410 / SEC ID# 8-70575), the Company agrees that its annual audited financial report for the period ended December 31, 2021 covers the entire period from the effective date of the broker-dealer’s registration with the SEC.

The Company is approved to conduct business in the wholesaling of mutual funds, exchange traded funds, separately managed accounts, and limited partnerships. The Company does not execute or clear securities transactions nor maintains any customer accounts nor holds any customer funds or securities.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3, in reliance on footnote 74 to SEC Release Number 34-70073 dated July 30, 2013, the Company is exempt from Rule 15c3-3 as it does not hold customer funds or securities.

Basis of Accounting

The accompanying financial statements of the Company have been prepared on the accrual basis of accounting, and accordingly reflect all significant receivables, payables, and other assets and liabilities in accordance with accounting principles generally accepted in the United States of America.

Cash and Cash Equivalents

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash deposits. Accounts at the institution are insured by the Federal Deposit Insurance Corporation (“FDIC”) up to \$250,000 and may from time to time be in excess of those limits. As of December 31, 2021, the Company maintained \$334,859 in one bank account. The Company’s cash deposits exceeded the insured amount at December 31, 2021 by \$84,859.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Accounts Receivable

Accounts receivable represents amounts that have been earned and have been billed to clients, in accordance with the terms of the Company’s engagement letter with respective clients, that have not yet been collected. As of December 31, 2021, the Company considered 100% of the receivables to be collectible, therefore no allowance for non-collectability was necessary.

Revenue Recognition

In May 2014, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) No 2014-09, Revenue from Contracts with Customers (Topic 606). The ASU and all subsequently issued clarifying ASUs replaced most existing revenue recognition guidance in United States’ Generally Accepted Accounting Principles (“GAAP”). The ASU also required expanded disclosures relating to the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers.

The majority of the Company’s revenue during the period occurred from the wholesaling of mutual funds and separately managed accounts. The Company bills clients on a quarterly basis and accrues revenue on the last day of the month of the quarter in which revenues were earned. As of December 31, 2021, the Company accrued \$620,390 in accounts receivables from clients in performing wholesaling services.

Lease Accounting

On February 25, 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842). The update aims to increase transparency and comparability among organizations by recognizing lease assets and lease liabilities on the balance sheet and disclosing key information about leasing transactions. The Company adopted the standards on January 1, 2021. See Note 4 – Operating Lease.

Income Taxes

The Company does not incur income taxes. Instead, its earnings are included in the member’s personal income tax returns and taxed depending on their personal tax situations. The financial statements, therefore, do not include a provision for income taxes.

Advertising

Advertising expenses are recognized as incurred. During the period ended December 31, 2021, the Company expensed advertising and marketing costs of approximately \$10,552.

Fair Value

The Company determines the fair value of financial instruments in accordance with FASB ASC 820, *Fair Value Measurements and Disclosures*, which defines fair value, establishes a framework for measuring fair value in accordance with generally accepted accounting principles, and expands disclosures about fair value measurements.

FASB ASC 820, *Fair Value Measurements and Disclosures*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Company uses various methods including market, income, and cost approaches. The Company utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs.

As a basis for categorizing these inputs, FASB ASC 820 establishes the following hierarchy, which prioritizes the inputs used to measure fair value from market based assumptions to entity specific assumptions:

- Level 1: Inputs based on quoted market prices for identical assets or liabilities in active markets at the measurement date.
- Level 2: Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3: Inputs reflect management’s best estimate of what market participants would use in pricing the asset or liability at the measurement date. The inputs are unobservable in the market and significant to the instrument’s valuation.

Fair Value, Continued

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Company believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The lease asset was recorded at fair value as of December 31, 2021. See Note 4 – Operating Lease.

Property and Equipment

Property and equipment are recorded at acquisition cost less accumulated depreciation over the useful life of the asset in accordance with the guidance of FASB ASC 360. Expenditures for maintenance and repairs are expensed as incurred, while renewals and betterments that materially extend the life of an asset are capitalized. The cost of assets sold, retired or otherwise disposed of, and the related allowance of depreciation are eliminated from the accounts and any resulting gain or loss is recognized.

Property and equipment recorded at cost as of December 31, 2021, consisted principally of furniture and fixtures, depreciated on a straight-line basis over five-year estimated useful lives.

Note 2 - Certain Significant Risks and Uncertainties

The Company is subject to complex legal and regulatory requirements that continue to evolve. The Company might be subject to a variety of legal proceedings, including FINRA arbitrations, as well as civil lawsuits, class actions and other regulatory examinations, reviews, investigations, audits, and requests for information by various governmental regulatory agencies and self-regulatory organizations in jurisdictions where the Company does business. During the period ending December 31, 2021, the Company was not subject to any lawsuits or arbitrations.

Note 3 - Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule ("SEC Rule 15c3-1"), which requires the maintenance of a minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 8 to 1. At December 31, 2021, the Company had net capital of \$303,168 which was \$298,168 in excess of its required net capital of \$5,000. The Company's aggregate indebtedness requirement was \$3,961.

Note 4 – Operating Lease

As of January 1, 2021, the Company adopted ASU 2016-02 (Topic 842) on a prospective basis using the effective date method. See Note 1 for additional information on this new accounting policy.

The Company maintains one operating lease as of December 31, 2021. The lease is for commercial space at its main office in Atlanta, Georgia. The lease commenced on December 1, 2019 and expires on November 30, 2022. As of December 31, 2021, the Company recorded \$36,277 as a right of use asset and \$37,388 as a lease liability. The difference of \$1,111 was recorded as a lease expense. The Company uses a discount rate (5%) to estimate the Company's incremental borrowing rate.

Operating Lease, Continued

Maturities of lease payments, undiscounted cash flow and lease liability were as follows.

	Lease Payments	Undiscounted Cash Flows	Lease Liability
2022	\$ 38,511	\$ 1,123	\$ 37,388
	\$ 38,511	\$ 1,123	\$ 37,388

Note 5 - Subsequent Events

Management has evaluated the effect subsequent events would have on the financial statements of the Company at December 31, 2021 through February 26, 2022, which is the date the financials were available to be issued. The Company is disclosing that a cumulative distribution of \$400,000 was made in January 2022.

Note 6 – Paycheck Protection Program

On April 16, 2020, the Company obtained a loan through the Paycheck Protection Program of the Small Business Administration from Pinnacle Bank. The loan amount was \$87,320 and matured two years from the date of issuance. The full amount of the loan was forgiven by the Small Business Administration on June 21, 2021. The Company did not incur or had to pay any interest charges associated with the loan.

Note 7 – Related Parties

The Company is related to Principal Street Partners, LLC as two members of the Company are also owners of Principal Street Partners, LLC. The two owners are not involved in the management of the Company. Principal Street Partners, LLC is an investment adviser registered with the Securities and Exchange Commission who manages a mutual fund and separately managed account strategy that has been marketed by the Company as a wholesaler. Cumulative revenues earned by the Company from the related party from December 24, 2020 to December 31, 2021 is \$372,624, which represents 11.23% of total revenue of the Company.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders of
Skypoint Capital Partners LLC

We have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Report pursuant to SEC Rule 17a-5, in which (1) Skypoint Capital Partners LLC (the Company) did not claim an exemption under paragraph (k) of 17 C.F.R. §240.15c3-3, and (2) the Company is filing this Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company limits its business activities exclusively to the wholesaling of mutual funds, separately managed accounts, exchange traded funds, and limited partnerships. In addition, the Company did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; did not carry accounts of or for customers; and did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception.

Skypoint Capital Partners LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Skypoint Capital Partners LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based upon the Company's business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5, and related SEC Staff Frequently Asked Questions.
