AMERICAN FINANCIAL SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

American Financial Securities, Inc., (the Company) is a limited broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of various exchanges and the Financial Industry Regulatory Authority (FINRA).

The Company operates under the provisions of Paragraph (k) (1) of rule 15c3-3 of the Securities and Exchange Commission and claims exemption from the remaining provisions of that rule.

Use of Estimates in Preparing Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash Equivalents

For the purposes of the statement of cash flows, the Company considers all highly liquid debt instruments with a maturity of three months or less when purchased to be cash equivalents.

Revenue Recognition

Commissions due from the sale of mutual funds and variable annuities are determined by applying a commission rate, which is determined by the Mutual Fund Company or insurance company, to the face amount of the mutual fund or variable annuity sold. Commissions are considered to be earned on a trade date basis when the customer funds are accepted by the mutual fund or variable annuity company. This method is used because management considers the amount of revenue to be determinable and all related performance obligations complete.

Trail fees on mutual funds and variable annuities are earned over the time period the customer holds the related investment product. They are determined by applying the rate to the current value of the customer's investment. The rate and timing of trail fees are determined by the mutual fund company or the insurance company. Trail fees are considered to be earned when received. This method is used because management considers the amount of revenue to be determinable and all related performance obligations complete at the time trail fees are received.

AMERICAN FINANCIAL SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

For the year ended December 31, 2021, American Financial Securities, Inc. earned revenue from the following investment types:

Variable Annuities	\$14,567
Mutual Funds	3,677
Trail Fees – Variable Annuities	8,236
Trail Fees – Mutual Funds	<u>19,121</u>
Total Revenue	<u>\$45,601</u>

Commissions receivable from customer contracts were \$7,044 at December 31, 2021.

Receivables

Commissions receivable are uncollateralized obligations generated by the sale of mutual funds and insurance products. Each fund company and insurance company has a different timeframe for the payment of the commissions, so there is no set policy for determining when a receivable becomes delinquent. Interest is not accrued on commission's receivable.

This information is an integral part of the financial statements.

AMERICAN FINANCIAL SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The Company has elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code. Under those provisions, the Company does not pay federal corporate income taxes on its taxable income. Instead, the Company's stockholder is liable for federal and state income taxes on the Company's income in his individual income tax returns.

The Company follows the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic ASC 740-10 and has evaluated for uncertain tax positions. Management has determined that there are no uncertain tax positions as of December 31, 2021. The tax returns for the past three years remain open for examination by tax jurisdictions.

NOTE 2 - RELATED PARTY TRANSACTIONS

The Company occupies office space in offices owned by Black Hawk Properties, which is owned by the Company's stockholder. For the year ended December 31, 2021 the Company incurred \$6,000 of management fees and \$1,759 in apportioned clerical support to Investors Professional Services, Inc. (IPS), a company owned by substantially the same owner as the Company. Of the \$1,759 in clerical support, \$133 was accrued for services rendered in December 2021. Included in the management fee is rent for the office space.

The company pays commissions to its representatives based on their sales. For the year ended December 31, 2021, the Company paid \$16,106 in commissions to a relative (Representative) of the Company's stockholder. The company stockholder also received \$1,846 in commissions.

NOTE 3 - NET CAPITAL REQUIREMENTS

AMERICAN FINANCIAL SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 3 NET CAPITAL REQUIREMENTS (Continued)

At December 31, 2021 the Company had net allowable capital of \$22,058 which is in excess of the \$5,000 requirement under Rule 15c3-1. The Company has aggregate indebtedness of \$4,821 which results in a ratio of .22 to 1.

NOTE 4 - CONCENTRATIONS OF CREDIT RISK

The Company is engaged in various trading and brokerage activities in which counter-parties primarily include broker-dealers, banks, and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the credit worthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

The Company derived approximately 88% of its revenue from three investment companies during the year ended December 31, 2021.

NOTE 5 - SUBSEQUENT EVENTS

Management evaluated subsequent events through February 9, 2022 which is the date these financial statements were issued. There were no subsequent events.

NOTE 6 – LIQUIDITY

As shown in the accompanying statements, the Company incurred a net loss of \$28,075 during the year ended December 31, 2021 and is not generating cash from operations. Those factors create uncertainty about the Company's ability to continue as a going concern. Management of the Company has evaluated these conditions through receiving a support letter from its owner that will provide all necessary funds for the Company to continue operating with excess regulatory net capital through March 1, 2023.

This information is an integral part of the accompanying financial statements.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors
American Financial Securities, Inc.
Cedar Falls, Iowa

We have reviewed management's statements, included in the accompanying SEC Rule 17a-5 Exemption Report, in which (1) American Financial Securities, Inc. (the Company) identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(1) (the exemption provisions) and (2) American Financial Securities, Inc. stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(1) of Rule 15c3-3 under the Securities Exchange Act of 1934.
