REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
Greenwich Capital Partners, LLC

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Greenwich Capital Partners, LLC (the "Company") as of December 31, 2021, and the related notes to the statement of financial condition. In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of December 31, 2021, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

We have served as the Company's auditor since 2020.

NOTE 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Greenwich Capital Partners, LLC (the "Company") was organized on August 22, 2019 and became registered under the Securities and Exchange Act of 1934. In January 2020, the Company became a member of the Financial Industry Regulatory Authority ("FINRA"), and the Securities Investor Protection Corporation ("SIPC").

The Company's activities consist principally of its role as an intermediary in capital raising assignments in the private markets and as an advisor in merger and acquisition transactions. Accordingly, the Company claims exemption for Securities Exchange commission Rule 15c3-3 because it does not carry customer funds or handle customer securities.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

For purposes relating to the Statement of Cash Flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months, that are not held for sale in the ordinary course of business.

Revenue Recognition

The Company recognizes revenue according to ASC Topic 606. In 2021, Greenwich Capital Partners LLC provided broker services to various registered representatives based on a reimbursement policy formulated by the parties involved. Revenue is recognized when it is received.

NOTE 2: INCOME TAXES

The Company is recognized as a single member Limited Liability Company (an "LLC") by the Internal Revenue Service. As such, it is treated as a disregarded entity and is not subject to income taxes. The Company's income or loss is reportable by its sole member on its tax return.

NOTE 3: COMMITMENTS AND CONTINGENCIES

Contingencies

The Company maintains bank accounts at financial institutions. These accounts are insured either by the Federal Deposit Insurance Commission (“FDIC”), up to \$250,000, or the Securities Investor Protection Corporation (“SIPC”), up to \$500,000. At times during the year, cash balances held in financial institutions were not in excess of the FDIC and SIPC’s insured limits. The Company has not experienced any losses in such accounts and management believes that it has placed its cash on deposit with financial institutions which are financially stable.

Commitments

In the normal course of business, the Company could be threatened with, or named as a defendant in, lawsuits, arbitrations, and administrative claims. Such matters that are reported to regulators such as the SEC or FINRA and investigated by such regulators, may, if pursued, result in formal arbitration claims being filed against the Company and/or disciplinary action being taken against the Company by regulators. Any such claims or disciplinary actions that are decided against the Company could harm the Company’s business. The Company is also subject to periodic regulatory audits and inspections which could result in fines or other disciplinary actions. Unfavorable outcomes, in such matters, may result in a material impact to the Company’s financial position, statement of operations or cash flows. As of December 31, 2021, management is not aware of any commitments or contingencies that could have a material impact on the financial statements.

NOTE 4: RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

The Financial Accounting Standards Board (the “FASB”) has established the Accounting Standards Codification (“Codification” or “ASC”) as the authoritative source of generally accepted accounting principles (“GAAP”) recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with GAAP in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates (“ASU’s”).

For the year ending December 31, 2021, various ASU’s issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended.

The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company’s financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

NOTE 5: NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, **shall not exceed 15 to 1**. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2021, the Company had net capital of \$41,825 which was \$36,825 in excess of its required net capital of \$5,000; and the Company's ratio of aggregate indebtedness of \$5,600 to net capital was 0.13 to 1.

NOTE 6: SUBSEQUENT EVENTS

The Company has evaluated events subsequent to the statement of financial condition date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.
