REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Management and Members of
Oaklins DP LLC:

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Oaklins DP LLC (the "Company"), as of December 31, 2021, and the related notes (collectively referred to as the "financial statement"). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of December 31, 2021, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

WithumSmith+Brown, PC

We have served as the Company's auditor since 2014.

NOTES TO FINANCIAL STATEMENTS

1. Nature of business

Oaklins DP LLC (the "Company"), which is located in New York City, is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company acts as a private placement agent for debt and equity securities for clients who are involved in the media industry.

2. Summary of significant accounting policies

Basis of Presentation

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP").

These financial statements were approved by management and available for issuance on February 23, 2022. Subsequent events have been evaluated through this date.

Revenue Recognition

The Company recognizes revenue in accordance with ASC Topic 606, Revenue from Contracts with Customers ("ASC Topic 606") which requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contracts, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved.

Income Taxes

The Company is a limited liability company and treated as a partnership for income tax reporting purposes. The Internal Revenue Code ("IRC") provides that any income or loss is passed through to the members for federal and state income tax purposes. However, in 2021, NY State enacted the optional pass-through entity tax (PTET), an elective tax that allows eligible partnerships (including LLCs taxable as partnerships) to elect to be subject to the new tax, at rates equivalent to the current New York State personal income tax rates. The Company opted into this new tax and by making the annual election, will afford its owners a legal means to fully deduct their New York State income taxes. Direct partners, members, or shareholders will be entitled to a tax credit for their shares of the PTE tax paid that can be applied against their New York State income tax liabilities. The Company incurred \$38,762 of estimated PTET during the year ended December 31, 2021. The Company is subject to the New York City unincorporated business tax, of which approximately \$1,500 of such tax was incurred during the year ended December 31, 2021.

At December 31, 2021, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination is subject to ongoing reevaluation as facts and circumstances may require.

OAKLINS DP LLC

NOTES TO FINANCIAL STATEMENTS

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amount of revenue and expenses during the reporting period. Actual results could differ from these estimates.

Contract Assets and Contract Liabilities

As of January 1, 2021, the Company had no outstanding contract liabilities from contracts with customers and no outstanding receivables or contract assets. There were no outstanding receivables or contract assets as of December 31, 2021. Contract liabilities for advisory fees, which are included in the liabilities section of the Statement of Financial Condition, were \$75,000 as of December 31, 2021.

3. Concentration of credit risk

Revenues

For the year ended December 31, 2021, one customer accounted for 100% of revenue.

Credit Risk

The Company maintains its cash in financial institutions, which at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts and believes it is not subject to any significant credit risk on cash.

4. Net capital requirement

The Company, as a member of FINRA, is subject to the SEC Uniform Net Capital Rule 15c3-1. This Rule requires the maintenance of minimum net capital and that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 and that equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1. At December 31, 2021, the Company's net capital was approximately \$20,768 which was approximately \$11,654 more than its minimum requirement of \$9,114.

5. Exemption from Rule 15c3-3

The Company limits its business activities pursuant to footnote 74 to SEC Release 34-70073, and as discussed in Q & A 8 of the related FAQ issued by SEC staff. Accordingly, there are no items to report under the requirements of this Rule.
