NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021**

NOTE 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Corporate Investments Group, Inc. (the "Company") was incorporated in the state of Illinois on June 7, 1995. The Company is a registered broker-dealer in securities under the Securities and Exchange Act of 1934, a member of the Financial Industry Regulatory Authority ("FINRA"), and the Securities Investor Protection Corporation ("SIPC").

The Company is engaged in business as a securities broker-dealer, that provides several classes of services, including a broker or dealer retailing corporate equity and debt securities, mutual fund retailer via either application or wire order, U.S. Government securities broker and a put and call broker or dealer or option writer.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(ii), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results can differ from those estimates.

Securities transactions are recorded on a trade date basis with related commission income and expenses also recorded on a trade date basis.

Property and equipment are stated at cost. Repairs and maintenance to these assets are charged to expense as incurred; major improvements enhancing the function and/or useful life are capitalized. When items are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gains or losses arising from such transactions are recognized.

With the consent of its shareholders, the Company has elected to be treated as an S Corporation under Subchapter S of the Internal Revenue Code. Subchapter S of the Code provides that in lieu of corporate income taxes, the stockholders are individually taxed on the Company's taxable income; therefore, no provision or liability for Federal Income Taxes is included in these financial statements.

Certain prior year balances may have been reclassified to conform with the current year's presentation. Any balances that may have been reclassified would not have an effect on the prior year's statement of operations.

**CORPORATE INVESTMENTS GROUP, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021**

NOTE 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through March 15, 2022. The date of the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

NOTE 2: DEPOSIT WITH CLEARING ORGANIZATION

The Company has AXOS Clearing LLC (the "Clearing Broker") to carry its account and the accounts of its clients as customers of the Clearing Broker has custody of the Company's cash balances which serve as collateral for any amounts due to the Clearing Broker as well as collateral for securities sold short or securities purchased on margin. The balance at December 31, 2021 was \$50,000.

NOTE 3: PROPERTY AND EQUIPMENT, NET

Property and equipment are recorded net of accumulated depreciation and summarized by major classification as follows:

		<u>Useful Life</u>
Computers & Equipment	\$ 14,934	5
Furniture	<u>16,030</u>	7
Total cost of property and equipment	30,964	
Less: accumulated depreciation	<u>(30,056)</u>	
Property and equipment, net	<u>\$ 908</u>	

Depreciation expense for the year ended December 31, 2021 was \$447.

NOTE 4: INCOME TAXES

As discussed in Note 1, the Company has elected S Corporate tax status; therefore, no federal income tax provision is reported.

The state of Illinois has similar rules to the federal tax, except there exists a minimal replacement tax of 1.5%.

NOTE 5: RELATED PARTY TRANSACTIONS

At December 31, 2021, there was no due from any related party.

**CORPORATE INVESTMENTS GROUP, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021**

NOTE 6: CONCENTRATIONS OF CREDIT RISK

The Company is engaged in various trading and brokerage activities in which counter-parties primarily include broker-dealers, banks and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

NOTE 7: COMMITMENTS AND CONTINGENCIES

The Company is required to file income tax returns in state tax jurisdictions. The Company's tax returns are subject to examination by taxing authorities in the jurisdictions in which it operates in accordance with the normal statutes of limitations in the applicable jurisdiction. The statute of limitations for state purposes is generally three years, but may exceed this limitation depending upon the jurisdiction involved. Returns that were filed within the applicable statute remain subject to examination. As of December 31, 2021, no jurisdiction has proposed any adjustment to the Company's tax positions.

The Company has agreed to indemnify its clearing brokers for losses that the clearing brokers may sustain from the customer accounts introduced by the Company. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these agreements and has not recorded a contingent liability in the financial statements for these indemnifications.

In the normal course of business, the Company enters into contracts that contain a variety of representations and warranties that provide indemnifications under certain circumstances. The Company's maximum exposure under these arrangements is unknown, as this would involve future claims that may be made against the Company that have not yet occurred. The Company expects the risk of loss to be remote.

NOTE 8: RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

The Financial Accounting Standards Board (the "FASB") has established the Accounting Standards Codification ("Codification" or "ASC") as the authoritative source of generally accepted accounting principles ("GAAP") recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with GAAP in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates ("ASU's")

The Financial Accounting Standards Board issued ASU2016-02 Leases, and several amendment (collectively "ASU2016-2"), which requires lessees to recognize assets and liabilities arising from operating leases on the statement of financial condition. The Company is not a party to any lease agreements that have a term in excess of twelve months as the lease is on a month to month basis. The Company includes its rent expenses on its books and records as payments are made. As such, the new accounting pronouncement does not have an impact on the financial statement.

NOTE 9: NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2021, the Company had net capital of \$385,525 which was \$285,525 in excess of its required net capital of \$100,000; and the Company's ratio of aggregate indebtedness (\$78,887) to net capital was 0.21 to 1, which is less than the 15 to 1 maximum allowed.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Stockholders
of Corporate Investments Group, Inc.

We have reviewed management's statements, included in the accompanying exemption report, in which (1) Corporate Investments Group, Inc. (the "Company") identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: (ii) (the "exemption provisions") and (2) The Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Pursuant to that requirement, the management of the Company hereby makes the following assertions:
