NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 - NATURE OF BUSINESS

Rodman & Renshaw, LLC (the “Company”) is a limited liability company that was organized for the purpose of providing investment banking and financial consulting services, including financial valuation and modeling, preparation of financial and marketing materials, financial structuring and strategic consulting. The Company is registered with the Securities and Exchange Commission (the “SEC”). The Company is also a member of the Financial Industry Regulatory Authority (“FINRA”) and the Securities Investor Protection Corp (“SIPC”).

The Company’s sole member is RODMHC LLC, a Delaware limited liability company. The Company’s ultimate owner is ZYXCO LLC, a New York limited liability company (“Parent”).

The Company has incurred expenses but has not generated revenues during the year ended December 31, 2021.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

USE OF ESTIMATES IN THE FINANCIAL STATEMENTS

The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States (U.S. GAAP). The preparation of U.S. GAAP financial statements requires management to make certain estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

SUBSEQUENT EVENTS

The Company has evaluated subsequent events through February 8, 2022.

CASH AND CASH EQUIVALENTS

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES (CONTINUED)

INCOME TAXES

The Company is a Delaware LLC and files consolidated federal, state and local tax returns with its Parent, which is a limited liability company (“LLC”). The members of an LLC are taxed on their proportionate share of the Company’s federal and state taxable income.

Accordingly, no provision or liability for federal or state income taxes has been included in the financial statements.

The Company accounts for income taxes under the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective income tax bases, and operating loss and tax credit carry-forwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in operations in the period enacted. A valuation allowance is provided when it is more likely than not that a portion or all of a deferred tax asset will not be realized. No deferred tax asset or liability has been recorded as of December 31, 2021.

ACCOUNTING STANDARDS

On January 1, 2020, the Company adopted FASB ASC Topic 326 – “Financial Instruments – Credit Losses” (“ASC Topic 326”) which replaces the incurred loss methodology with the current expected credit loss (“CECL”) methodology. The new guidance applies to financial assets measured at amortized cost, held-to-maturity debt securities and off-balance sheet credit exposures. For on-balance sheet assets, an allowance must be recognized at the origination or purchase of in-scope assets and represents the expected credit losses over the contractual life of those assets. Expected Credit losses on off-balance sheet credit exposures must be estimated over the contractual period the Company is exposed to credit risk as a result of a present obligation to extend credit.

The Company adopted ASC topic 326 using the modified retrospective approach for all in-scope assets. The impact of the adoption of the current expected credit loss (“CECL”) methodology to the current period was not material.

At December 31, 2021, the Company had net capital of \$262,637 which exceeded required net capital by \$162,637 and a total aggregate indebtedness of \$61,500.
