Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of LCT Capital, LLC (the "Company") as of December 31, 2021 and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2021, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

LCT CAPITAL, LLC

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Business

LCT Securities, LLC is a Delaware Limited Liability Company organized on April 26, 2010. On March 10, 2011, LCT Securities, LLC amended its certificate of formation with the state of Delaware to change its name to LCT Capital, LLC ("The Company"). The Company is a broker-dealer registered with the Securities and Exchange Commission and the Financial Industry Regulatory Authority, Inc. The company was approved by these regulatory bodies on January 4, 2011. In this capacity, the Company provides financial advisory services to private and public companies with respect to mergers and acquisitions related activities as well as capital raising activities and private placements. The Company's members include Louis C. Talarico III and Lesley R. Robertson.

The Company, under Footnote 74, is exempt from the reserve and possession or control requirements of Rule 15c3-3 of the Securities and Exchange Commission. The Company does not carry or clear customer accounts.

Revenue Recognition

The Company's primary sources of revenue are fees earned from engagement agreements for advisory services and the agreements' success fee. The Company records these fees when the terms of the agreements are met. In this capacity, the Company provides financial advisory services to private and public companies with respect to M&A related activities as well as capital raising efforts. The Company participates in private placements of capital into various private and publicly traded companies with other broker-dealers.

The Company recognizes revenue in accordance with ASC 606 Revenue from Contracts with Customers ("ASC 606"). Under ASC 606 revenue is recognized upon satisfaction of performance obligations by transferring control over goods or service to a customer. Revenue from private placements and M&A advisory services is generally recognized at the point in time that performance under the arrangement is completed (the closing date of the transaction) or the contract is cancelled. However, for certain contracts, revenue is recognized over time for advisory arrangements in which the performance obligations are simultaneously provided by the Company and consumed by the customer. In some circumstances, significant judgment is needed to determine the timing and measure of progress appropriate for revenue recognition under a specific contract. Retainers and other fees received from customers prior to recognizing revenue are reflected as contract liabilities

Income Taxes

The financial statements do not include a provision for income taxes because the Company is not a taxable entity. The Company is treated as a pass-through for federal income tax purposes.

The Company is required to determine whether a tax position is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any tax related appeals or litigation processes, based on the technical merits of the position. The Company's members are taxed individually on their shares of the Company's earnings. The Company is not subject to income tax return examinations by major taxing authorities for years before 2018. The tax benefit recognized is measured as the largest amount of benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement. De-recognition of a tax benefit previously recognized results in the Company recording a tax liability that reduces net assets. However, the Company's conclusions regarding this policy may be subject to review and adjustment at a later date based on factors including, but not limited to, on-going analyses of and changes to tax laws, regulations and interpretations thereof. The Company recognizes interest accrued related to unrecognized tax benefits and penalties related to unrecognized tax benefits in income taxes payable, if assessed. No interest expense or penalties have been recognized as of and for the year ended December 31, 2021.

Fair Value of Financial Instruments

The carrying amounts reflected in the financial statements for cash, accounts payable and accrued expenses approximate their respective fair values due to the short maturities of these instruments.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Company considers all highly liquid instruments purchases with a maturity date of three months or less when purchased to be cash equivalents.

NOTE 2 - NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. At December 31, 2021, the Company had net capital and net capital requirements of \$46,799 and \$6,514, respectively. The Company's net capital ratio (aggregate indebtedness to net capital) was 2.09 to 1. According to Rule 15c3-1, the Company's net capital ratio shall not exceed 15 to 1.

NOTE 3 - CONTINGENCIES AND OFF-BALANCE SHEET RISK

The Company is engaged in various corporate financing activities with counterparties that primarily include issuers with which the Company has an investment banking assignment. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty with which it conducts business. The Company has a substantial portion of its assets on deposit with banks.

Assets deposited with banks are subject to credit risk. In the event of a bank's insolvency, recovery of the Company's assets on deposit may be limited to account insurance or other protection afforded such deposits. As of December 31, 2021, the Company's cash balances were not in excess of the federally insured amount of \$250,000.

NOTE 5 - LITIGATION

On September 29, 2015, an amended complaint titled *LCT Capital, LLC v. NGL Energy Partners LP and NGL Energy Holdings LLC* was filed in Superior Court of the State of Delaware in and for New Castle County. In the complaint, LCT Capital alleges that it is owed fees for services rendered with respect to a significant corporate transaction, and asserts claims for breach of contract, unjust enrichment/*quantum meruit*, and fraudulent misrepresentation. After pre-trial rulings, LCT Capital was limited to pursuing claims of (i) *quantum meruit* and (ii) fraudulent misrepresentation against the defendants. Following a jury trial conducted in Delaware state court from July 23, 2018 through August 1, 2018, the jury returned a verdict consisting of an award of \$4.0 million for *quantum meruit* and \$29.0 million for fraudulent misrepresentation, subject to statutory interest. On December 5, 2019, the trial court ordered a retrial as to damages only. The Company filed application (which was accepted) to the Delaware Supreme Court regarding the trial court's decision. On January 29, 2021, the Delaware Supreme Court ordered a new trial on damages with respect to *quantum meruit* only. The new trial has been scheduled to begin on November 7, 2022. The Company intends to continue to pursue these claims vigorously.

NOTE 6 - SUBSEQUENT REVIEW

The Company has performed an evaluation of subsequent events through the date the financial statements were issued. The evaluation did not result in any subsequent events that required disclosures and/or adjustments.
