SHOT TOWER SECURITIES LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

Note 1 - Organization

Shot Tower Securities LLC (the "Company") is a broker-dealer registered with the United States Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company was founded in September, 2013, under the laws of the State of Delaware. The Financial Industry Regulatory Authority, Inc. ("FINRA") accepted the Company's membership application on June 10, 2014, which is the date that business commenced.

Shot Tower Securities, LLC is a single member LLC, wholly-owned by Shot Tower Capital, LLC (Parent). The Company provides investment banking and related financial advisory services to institutional clients. It operates out of one office in Baltimore, MD.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are presented in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Revenue Recognition

The Company provides advisory services on mergers and acquisitions (M&A). Revenue for advisory arrangements is generally recognized at the point in time that performance under the arrangement is completed (the closing date of the transaction) or the contract is cancelled. However, for certain contracts, revenue is recognized over time for advisory arrangements in which the performance obligations are simultaneously provided by the Company and consumed by the customer. In some circumstances, significant judgement is needed to determine the timing and measure of progress appropriate for revenue recognition under a specific contract. Retainers and other fees received from customers prior to recognizing revenue are reflected as contract liabilities.

SHOT TOWER SECURITIES LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020

Note 2 - Summary of Significant Accounting Policies (continued)

The Company records fees as they are earned based on the services provided, the closing of certain securities transactions, or as revenues are assigned by the Parent company. Fees assigned by the Parent company generally occur after the majority of the related expenses have been incurred.

Cash and Cash Equivalents

The Company considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

Income Taxes

The Company consolidates its taxable income with its Parent, which files a partnership return for federal, state and city purposes. As a result, no federal or State income taxes are provided as they are the responsibility of the member.

The Company has adopted the uncertainty in income tax accounting standard. This standard provides applicable measurement and disclosure guidance related to uncertain tax positions. Adoption of this standard has had no effect on the Company's financial statements.

The Company's Parent files income tax returns in the U.S. in federal, state and local jurisdictions. With few exceptions, the Company is no longer subject to U.S. federal, state or local tax examinations by taxing authorities for years before 2018. The years 2018 to 2021 remain subject to examination by taxing authorities.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

SHOT TOWER SECURITIES LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020

Note 3 - Concentrations

The Company maintains cash balances in one financial institution, which are insured by the Federal Deposit Insurance Corporation (FDIC) for up to \$250,000 per institution. From time to time, the Company's balances may exceed these limits.

Note 4 - Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1) which requires the maintenance of a minimum net capital, as defined, of the greater of \$5,000 or one-fifteenth of aggregate indebtedness, as defined. At December 31, 2021, the Company had net capital of \$36,142, which exceeded its requirement by \$31,142.

Additionally, the Company must maintain a ratio of aggregate indebtedness to net capital of 15:1 or less. At December 31, 2021, this ratio was .04 to 1.

Note 5 - Transactions with Related Parties

The Company has a service agreement with its Parent in which indirect expenses are paid by the Parent and only direct expenses are reimbursed to the Parent. The company as of December 31, 2021 did not owe the parent for any direct expenses.

Note 6 - Commitments and Contingencies

The Company was established for the purpose of handling transactions with customers of the Parent Company that require a registered broker dealer. However, the Company continues to incur fixed operating costs. This condition has required the Parent Company to contribute capital in order to meet operating cash flow needs and minimum net capital requirements. Management and the Parent Company plan to continue contributing capital as necessary to keep the broker-dealer active.

Note 7 - Subsequent Events

The Company has evaluated all events or transactions that occurred after December 31, 2021 through the date of February 11, 2022, which is the date that these financial statements were issued. During this period, there were no material subsequent events requiring disclosure.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
Shot Tower Securities, LLC
Baltimore, Maryland

We have reviewed management's statements, included in the accompanying Exemption to Possession and Control Requirements Under Customer Protection Rule 15c3-3 of the Securities and Exchange Commission, in which (1) Shot Tower Securities, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Shot Tower Securities, LLC claimed the following exemptions from 17 C.F.R. §240.15c3-3 (k)(2)(i) (the exemption provisions) and (2) Shot Tower Securities, LLC stated that Shot Tower Securities, LLC met the identified exemption provisions throughout the most recent fiscal year December 31, 2021 without exception.

The Company is also filing this Exemption Report because the Company's other business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 are limited to traditional private placement transactions and mergers and acquisitions advisory services. In addition, the Company did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; did not carry accounts of or for customers; and did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception.

Shot Tower Securities, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Shot Tower Securities, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934 and the Company's other business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5, and related SEC Staff Frequently Asked Questions.

December 31, 2021**
