NOTES TO FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2022

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. Organization and Nature of Operations – The Company was incorporated in the state of Wisconsin in May 1995. The Company is a wholly-owned subsidiary of Glacier Groups, Inc. The Company is registered with the Securities and Exchange Commission and the Commodities Futures Trading Commission and is a member of the Financial Industry Regulatory Authority (FINRA), the National Futures Association, and the Securities Investor Protection Corporation (SIPC). The Company's principal business activity is the sale of securities. Operations began in July 1997. In January 2011, the Parent Company reincorporated in the state of Wyoming.
- B. Recognition of Revenue – The Company buys and sells securities on behalf of its customers. Each time a customer enters into a buy or sell transactions, the Company charges a commission. Commissions and related clearing expenses are recorded on the trade date. The Company believes that the performance obligation is satisfied on the trade date because that is when the underlying financial instrument or purchaser is identified, the pricing is agreed upon and the risks and rewards of ownership of the securities have been transferred to/from the customer.
- C. Cash Equivalents – The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents.
- D. Accounts Receivable and Allowance for Doubtful Accounts – Accounts receivable are stated at the amount management expects to collect from outstanding balances. An allowance for doubtful accounts has not been established as of June 30, 2022. Based upon management's analysis of outstanding accounts receivable as of June 30, 2022 and the Company's past collection experience, an allowance is not considered necessary by management.
- E. Concentrations of Risk – The Company maintains its cash in accounts with federally insured banks. At times, the balances in these accounts may be in excess of the federally insured limit of \$250,000. The Company believes that there is no significant risk with respect to these deposits.

The Company is engaged in various brokerage activities in which counterparties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The Company feels the risk at this time is minimal and they review the credit standing of their counterparties on a regular basis.

- F. Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- G. Income Taxes – Deferred tax assets and liabilities are recognized for future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets, including tax loss and credit carryforwards, and liabilities are measured using enacted tax rates expected to apply to taxable income in the years which those temporary differences are expected to be recovered or settled. The effect of a change in tax rates on deferred tax assets and liabilities is recognized in operations in the period that includes the enactment date. Deferred income tax expense represents the change during the period in the deferred tax assets and deferred tax liabilities. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. There are no deferred tax assets or liabilities recorded at June 30, 2022 for Polar Investment Counsel, Inc.

The Company files a consolidated federal income tax return with its Parent Company Glacier Groups, Inc. Management is of the view that there are no significant tax positions that may be challenged. Tax years ending June 30, 2018 through June 30, 2022 are open for examination by the IRS.

NOTES TO FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2022

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

H. Subsequent Events – Management has evaluated subsequent events through August 10, 2022, the date which the financial statements were available to be issued.

NOTE 2 – OFF BALANCE-SHEET RISK AND CLEARING AGREEMENT

The Company's customers may enter into various transactions involving derivatives and other off-balance-sheet financial instruments. These financial instruments include futures contracts, exchange traded options, to-be-announced securities (TBA's) and securities purchased and sold on a when-issued basis (when-issued securities). These derivative financial instruments are used to meet the needs of customers and are, therefore, subject to varying degrees of market and credit risk. In addition, the Company's customers may sell securities that they do not currently own and will therefore be obligated to purchase such securities at a future date. Since the Company enters into the aforementioned transactions solely for the benefit of its customers, the Company does not bear any of the credit or market risk of those customers, with the exception of the risk to the Company should its customers fail to honor their obligations related to these derivative and other off-balance sheet financial instruments, as mentioned below.

To facilitate securities transactions, including the aforementioned transactions, on behalf of its customers, the Company has entered into an agreement with another broker/dealer (Clearing Broker/Dealer) whereby the Company forwards (introduces) customer securities transactions to the Clearing Broker/Dealer, fully disclosing the customer's name and other information. The processing and, if applicable, any financing pertaining to the introduced transactions are performed by the Clearing Broker/Dealer. The customer account is therefore maintained and recorded in the books and records of the Clearing Broker/Dealer. As part of the terms of the agreement between the Company and Clearing Broker/Dealer, the Company is held responsible for any losses arising when the customers introduced by the Company to the Clearing Broker/Dealer fail to meet their contractual commitments pertaining to the purchase, sale and possible financing of securities transactions and other financial instruments. The Company may therefore be exposed to off-balance-sheet risk in the event the customer is unable to fulfill its contracted obligations and it is necessary for the Clearing Broker/Dealer to purchase or sell securities or other financial instruments at a loss. The Company's exposure to risk would consist of the amount of the loss realized and any additional expenses incurred pertaining to the transaction or other customer activity.

The aforementioned agreement may be terminated by either party with 45 days of prior notification. The Company is required to maintain a \$100,000 deposit with the Clearing Broker/Dealer to assure its performance under the agreement.

The Parent pays substantially all overhead and operating expenses on behalf of the Company other than commission expense and clearing and execution charges. Pursuant to a written agreement, the Company reimburses the Parent for these expenses through a management fee. The expenses paid by the Parent for the year ended June 30, 2022 are as follows:

Compensation and Related Benefits	\$ 115,717

The consolidated Company has net operating loss carryovers to future years of approximately \$218,000 for both federal and state purposes. NOTE 5 – NET CAPITAL REQUIREMENTS

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to the net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). ## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors  
Polar Investment Counsel, Inc.  
A Wholly Owned Subsidiary of Glacier Groups, Inc.  
Thief River Falls, MN

We have reviewed management's statements included in the Focus Report Part IIA, in which (1) Polar Investment Counsel, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which Polar Investment Counsel, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(ii) (the "exemption provisions") and (2) Polar Investment Counsel, Inc. stated that Polar Investment Counsel, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Polar Investment Counsel, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Polar Investment Counsel, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5(g)(1) AND CFTC REGULATION 1.16

Board of Directors  
Polar Investment Counsel, Inc.  
A Wholly Owned Subsidiary of Glacier Groups, Inc.  
Thief River Falls, MN

In planning and performing our audit of the financial statements of Polar Investment Counsel, Inc., A Wholly Owned Subsidiary of Glacier Groups, Inc. (the Company), as of and for the year ended June 30, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not, for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the U.S. Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of compliance with such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

In addition, as required by Regulation 1.16 of the Commodity Futures Trading Commission (CFTC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding of assets. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Regulation 1.16, in making the following:

1. The periodic computations of minimum financial requirements pursuant to Regulation 1.17.

Management of the Company is responsible for establishing and maintaining effective internal control and for the practices and procedures referred to in the preceding paragraphs. In fulfilling this responsibility, estimates, and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraphs, and to assess whether those practices and procedures can be expected to achieve the SEC's and the CFTC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) and Regulation 1.16(d)(2) list additional objectives of the practices and procedures listed in the preceding paragraphs.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first, second, and third paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in the Company's internal control and control activities for safeguarding securities and certain regulated commodity customer and firm assets that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second and third paragraphs of this report are considered by the SEC and CFTC to be adequate for their purposes in accordance with the Securities Exchange Act of 1934, the Commodity Exchange Act, and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second and third paragraphs of this report, were adequate at June 30, 2022, to meet the SEC's and CFTC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the CFTC, the Financial Industry Regulatory Authority, the National Futures Association, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 or Regulation 1.16 of the CFTC or both in their regulation of registered introducing brokers, and is not intended to be and should not be used by anyone other than these specified parties.
