Notes to Financial Statements
August 31, 2022

Note 1 - Organization and Summary of Significant Accounting Policies

WNC Capital Corporation (the "Company"), a California corporation, wholly-owned by WNC & Associates, Inc. ("WNC", or "Parent"), was organized on February 23, 1994 principally to facilitate the distribution of securities of partnerships offered by the affiliates of WNC. The Company is registered with the Securities and Exchange Commission ("SEC") as a broker/dealer in securities and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company provides wholesaling services to affiliates of WNC. The Company files an Exemption Report pursuant to the provisions of footnote 74 of SEC Release 34-70073 as it does not hold customer funds or securities or carry accounts for customers and its business is limited to private placements. As a result, the Company is not obligated to maintain certain reserve requirements and possession and control requirements under SEC Rule 15c3-3 of the SEC.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reported period. Actual results could materially differ from those estimates.

Cash and Cash Equivalents

The Company considers all highly liquid investments with maturities of three months or less when purchased to be cash equivalents. The Company held no cash equivalents as of August 31, 2022.

Revenue Recognition

The Company recognizes revenue in accordance with Financial Accounting Standards Board Accounting Standards Codification ("ASC") Topic 606, Revenue from Contracts with Customers. Revenue from contracts with customers is recognized when, or as, the Company satisfies its performance obligations by transferring services to customers. A service is transferred to a customer when, or as, the customer obtains control of that service. Performance obligations are recognized at a point in time as they relate to the Company's placement services and over time as it relates to assistance with organizational aspects in WNC syndicated funds. Such performance obligations related to placement services are met upon the sale of limited partnership interests in investment partnerships managed and syndicated by WNC. Performance obligations as they relate to organization and offering fees are met as the capital contributions from investors in the limited partnerships are invested. Fees that are collectible pursuant to the terms of the partnership agreements, and which have not been earned as fee income are deferred.

The Company and WNC have a fee sharing arrangement for organizational fees, whereby WNC allocates 40% of the total organizational fees earned for each partnership to the Company, not to exceed \$75,000.

(A Wholly-Owned Subsidiary of WNC &
Associates, Inc.)

Notes to Financial Statements
August 31, 2022

Income Taxes

Under the asset and liability method of ASC 740, "Income Taxes", deferred tax assets and liabilities are recognized for the future tax consequences attributable to temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective bases.

As the Company is a wholly-owned subsidiary of WNC, the Company is included in the consolidated tax return of WNC. Federal and state income tax expense or benefit is allocated from WNC based on an approximate 1.5% effective income tax rate applied to income or loss before income taxes and after adjustments for permanent items.

The Company's federal tax returns, which are filed as part of the consolidated WNC & Associates, Inc. returns, remain subject to examination for 2019 and subsequent years. The Company also generally remains subject to the examination of various state income tax returns for a period of four to five years from the date the return was filed.

In accordance with the accounting guidance for uncertainty in income taxes, the Company has examined the likelihood that tax positions would be challenged in an audit conducted by the taxing authorities. The Company believes that it is more likely than not that its tax positions would withstand audit, and as a result, has not recorded a liability for taxes, interest or penalties that result from uncertain tax positions. The Company has no unrecognized tax benefits as of August 31, 2022.

The Company recognizes interest and penalties associated with tax matters, as applicable, as part of other expenses and includes accrued interest and penalties in due to parent, in the statement of financial condition. The Company did not recognize any interest or penalties associated with tax matters for the year ended August 31, 2022.

Note 2 - Related Party Transactions

Due from affiliates includes funds advanced to WNC as of August 31, 2022 in the amount of \$4,700,000 for use in their operations. There was additional \$555,647 of receivables due from affiliated funds which includes \$150,000 for organization fees and \$405,647 for commissions. Such amounts are noninterest-bearing, due upon demand and are generally repaid from the affiliates' cash flows and operating reserves in subsequent months. If management determines that an amount due from an affiliate is not recoverable, the amount is reserved for in that period.

WNC and the Company have a cost sharing arrangement for compensation and benefits, administrative services, office space and equipment. Under the arrangement, WNC incurs the services/costs and contributes them to the Company. For the year ended August 31, 2022, the Company incurred \$346,326 in such services/costs and has reflected these amounts in the accompanying financial statements as a charge to operations in the statement of operations and as a contribution of capital in the statement of changes in stockholder's equity. The Company is significantly reliant on the operating services provided by WNC. Were the Company to hire its own employees and/or procure the

WNC Capital Corporation
(A Wholly-Owned Subsidiary of WNC &
Associates, Inc.)

Notes to Financial Statements
August 31, 2022

services from a third party, the services/costs may be materially different than those currently incurred under the cost sharing arrangement.

All commissions and organization fees earned during the year ended August 31, 2022 were generated from services provided to WNC affiliates.

Due to parent represents money advanced from WNC for purposes of paying operating expenses of the Company that are not intended to be treated as contributed services.

During the year ended August 31, 2022, \$13,731 was paid for by WNC on behalf of the Company and included in due to parent.

Note 3 - Net Capital Requirements

The Company is subject to the SEC's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At August 31, 2022, the Company had net capital of \$564,816, which was \$524,724 in excess of the required net capital. The Company's aggregate indebtedness to net capital ratio was 1.0647 to 1 at August 31, 2022.

Note 4 - Risk and Uncertainties

Registration

The Company must register with state departments which govern compliance with securities laws in states where it does business. Various regulatory requirements exist in each state with which the Company must comply. Because of the various compliance laws, there is a risk that one or more regulatory authorities could determine that the Company has not complied with securities laws necessary for it to conduct business in a given state. Regulatory actions, if ever taken, could have a material adverse effect on the Company's financial condition and operating results.

Economic Dependence

The Company derives its revenues from the sale of limited partnership units of entities syndicated by WNC. Should WNC's syndication activity materially change, the results of operations of the Company could be materially impaired.

Concentration of Credit Risk

Cash is maintained at financial institutions and, at times, balances may exceed federally insured limits. The Company has not experienced any losses to date related to these balances.

COVID-19

In early 2020, an outbreak of a novel strain of coronavirus ("COVID-19") emerged globally. As a result, events have occurred domestically in the United States and globally, including mandates from federal, state and local authorities, leading to an overall decline in economic

Associates, Inc.)

Notes to Financial Statements

activity. The ultimate impact of COVID-19 on the Company's operations cannot be reasonably estimated at this time.

Note 5 - Subsequent Events

Events that occur after the statement of financial condition date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the statement of financial condition date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after statement of financial condition date require disclosure in the accompanying notes. Management evaluated the activity of the Company through October 26, 2022 and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

Report of Independent Registered Public Accounting Firm

To the Board of Directors and Stockholder
WNC Capital Corporation

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) WNC Capital Corporation stated the following provisions required by 17 C.F.R. §240.17a-5(d)(1) and (4) under which WNC Capital Corporation claimed an exemption pursuant to the provisions of Footnote 74 of SEC Release No. 34-70073 (the "exemption provisions") and (2) WNC Capital Corporation stated that WNC Capital Corporation met the identified exemption provisions throughout the most recent fiscal year without exception. WNC Capital Corporation's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about WNC Capital Corporation's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects based on the provisions set forth in Footnote 74 of SEC Release 34-70073.
