REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors of
OneSource FI LLC

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of OneSource FI LLC, (the Company), as of December 31, 2022, and the related notes. In our Opinion, the statement of financial condition presents fairly, in all material respects, the financial position of OneSource FI LLC as of December 31, 2022 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of OneSource FI LLC's management. Our responsibility is to express an opinion on OneSource FI LLC's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to OneSource FI LLC in accordance with the U.S. Federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

We have served as OneSource FI LLC's auditor since 2021.

OneSource Fi, LLC

Notes to the Statement of Financial Condition

December 31, 2022

1. Organization

OneSource Fi, LLC (the "Company"), organized in the State of Delaware on April 29, 2019, is a wholly owned subsidiary of 1059 Holdings, LLC (the "Parent"). Beginning July 13, 2021, the Company was registered with the United States Securities and Exchange Commission ("SEC") as a broker dealer and is a member of the Financial Industry Regulatory Authority ("FINRA").

FINRA granted the Company's membership application in June 2021 and FINRA and SEC registration was approved on July 13, 2021. The Company is a non-clearing broker. On November 10, 2021, the clearing arrangement between the Company and Interactive Brokers LLC was approved. The Company's registration to conduct securities business was approved in New York, its home state, in December 2021. Registration applications for additional states were started in January 2022. The Company did not transact any business with customers during 2022.

2. Significant accounting policies

Basis of Presentation and Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents

The Company considers cash and all highly liquid instruments with original maturities of three months or less, that are not held for sale in the ordinary course of business, to be cash equivalents for cash flow statement purposes. The Company's cash balance is held with a large global financial institution which, at times, may exceed federally insured limits. The Company has not experienced any losses in such account and believes it is not exposed to any significant credit risk on cash and cash equivalents.

Fair value of financial instruments

Substantially all of the Company's assets and liabilities are carried at fair value or contracted amounts which approximate fair value.

Fixed Assets and depreciation

Fixed assets are carried at cost less accumulated depreciation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. There were no fixed assets capitalized during the year.

Off-balance sheet risk

In the normal course of business, the Company's customer and correspondent clearance activities involve the execution, settlement, and financing of various customer securities transactions. These activities may expose the Company to off-balance-sheet risk in the event the customer or clearing agent is unable to fulfill its contracted obligations and the Company has to purchase or sell the financial instrument underlying the contract at a loss. As of December 31, 2022, the Company was not exposed to such risk.

Concentration of credit risk

The Company is engaged in various trading and brokerage activities whose counterparties primarily include broker-dealers, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the

creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty with which it conducts business. As of December 31, 2022, the Company was not exposed to such risk.

Recent Accounting Guidance

Through 2022, the FASB issued various updates ("ASU") to the FASC ASC. The Company did not adopt any new accounting pronouncements during the year end December 31, 2022 that had a material effect on its financial statements.

3. Contingencies

The Company is subject to various regulatory examinations that arise in the ordinary course of business. In the opinion of management, results from these examinations will not materially affect the Company's financial position or results of operations.

4. Net Capital Requirements

The Company is subject to the Securities and Exchange Commission (SEC) Uniform Net Capital Rule ("SEC Rule 15c3-1"), which requires the maintenance of minimum net capital, as defined, equal to the greater of \$5,000 or 6-2/3% of aggregate indebtedness, as defined. At December 31, 2022, the Company had net capital of \$70,198, which was \$65,198 in excess of the minimum amount required.

Rule 15c3-3 under the Securities and Exchange Act of 1934 ("SEC Rule 15c3-3") specifies certain conditions under which brokers and dealers carrying customer accounts are required to maintain cash or qualified securities in a special reserve bank account for the exclusive benefit of customers. The Company clears all transactions with and for customers on a fully disclosed basis, and the Company does not otherwise hold funds or securities for, or owe money to customers and therefore is exempt from the provisions of Rule 15c3-3 pursuant to paragraph k(2)(ii).

5. Subsequent Events

The Company evaluates subsequent events through February 28, 2023, the date of issuance of the report, and has determined that no additional items require disclosure.
