We have audited the accompanying statement of financial condition of Chauner Securities, Inc. In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of June 30, 2023, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit, we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement to the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Notes to Financial Statements

Year Ended June 30, 2023

Note 1 – Organization and Summary of Significant Accounting Policies

Chauner Securities, Inc. (the “Company”) is an Illinois corporation incorporated on April 10, 1985. The Company is a non-carrying broker dealer with no client securities or funds physically held or under the control of the Company. The Company’s primary business is the structuring and marketing of private real estate securities. The Company is registered with the Securities and Exchange Commission (“SEC”) and is a member of the Financial Industry Regulatory Authority, Inc. (“FINRA”).

Cash and Cash Equivalents

The Company considers all cash and money market instruments with maturity dates of 90 days or less at the time of purchase as cash equivalents in the financial statements. The Company maintains its cash deposits in high credit quality financial institutions. Balances at times may exceed federally insured limits.

Accounts Receivable

Accounts receivable are non-interest-bearing uncollateralized obligations receivable in accordance with the terms agreed upon with each customer. The Company regularly reviews its accounts receivable for any uncollectible amounts. The review for uncollectible amounts is based on an analysis of the Company’s collection experience, customer credit worthiness, and current economic trends. Based on management’s review, no allowance for credit losses is considered to be necessary.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue from Contracts with Customers

Revenue from contracts with customers includes private placement fees and mutual fund fees. The recognition and measurement of revenue is based on the assessment of individual contract terms. Significant judgement is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company’s progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events.

CHAUNER SECURITIES, INC.

Northbrook, IL

Notes to Financial Statements

Year Ended June 30, 2023

Note 1 – Organization and Summary of Significant Accounting Policies (continued)

Private Placement Fees

The Company recognizes private placement fees upon the sale of each interest in an offering as this satisfies the only performance obligation identified by the Company.

Mutual Fund Fees

Mutual funds or pooled investment vehicles (collectively, “funds”) have entered into agreements with the Company to distribute/sell its shares to investors. The Company may receive distribution fees paid by the funds upfront, over time, or as a combination thereof. The Company believes its performance obligation is the sale of securities to investors and as such this is fulfilled on the trade date. Any fixed amounts are recognized on the trade date and variable amounts are recognized to the extent it is probable that a significant revenue reversal will not occur once the uncertainty is resolved. For variable amounts, as the uncertainty is dependent on the value of the shares at future points in time as well as the length of time the investor remains in the fund, both of which are highly susceptible to factors outside the Company’s influence, the Company does not believe that it can overcome this constraint until the market value of the fund and the investor activities are known, which are usually quarterly or monthly.

Note 2 – Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires that the ratio of aggregated indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At June 30, 2023, the Company had net capital of \$9,248 which was \$3,173 in excess of its required minimum net capital of \$6,075. At June 30, 2023, the ratio of aggregate indebtedness to net capital was 9.85 to 1.

Note 3 - Related-Party Activity

The Company has an expense sharing agreement with an entity under common control. Under the terms of this agreement, the Company pays the related entity for its share of personnel, office space, technology and other administrative services. The Company expensed a total of \$171,130 of such costs during the year ended June 30, 2023. The total amount due to the related entity of \$91,130 at June 30, 2023 arose from this agreement.

Financial position and results of operations could differ from the amounts in the accompanying financial statements if this agreement did not exist.

CHAUNER SECURITIES, INC.

Northbrook, IL

Notes to Financial Statements

Year Ended June 30, 2023

Note 4 - Income Taxes

The Company is a C corporation for tax purposes and is subject to income tax under the appropriate sections of the Internal Revenue Code and various sections of the state income tax statutes.

The Company has adopted the provisions of FASB Accounting Standards Codification 740-10, Accounting for Uncertainty in Income Taxes. Under FASB ASC 740-10, the Company is required to evaluate each of its tax positions to determine if they are more likely than not to be sustained if the taxing authority examines the respective position. The Company has evaluated each of its tax positions and has determined that it has no uncertain tax positions for which a provision or liability for income taxes is necessary.

The Company records deferred tax assets and liabilities based on differences between the financial reporting and tax bases of assets and liabilities, which are measured using the enacted tax rates and laws in effect when the differences are expected to be reversed.

The provision for income taxes is recorded as the current tax payable or refundable for the period plus or minus the change during the period in deferred tax assets and liabilities.

The provision for income tax consists of the following components:

	<u>2023</u>
Current income tax expense	-
Deferred income tax benefits	-
Total provision for income taxes	<u>-</u>

As of June 30, 2023, the Company has a net operating loss carryforward for income tax purposes that may be used to reduce taxable income of future years of approximately \$79,000. A deferred tax asset from the net operating loss carryforward of approximately \$23,000 at June 30, 2023 has been fully reserved as there is less than a 50% probability that it will be realized.

Note 5 – Contingencies

The Company is subject to litigation in the normal course of business. The Company has no litigation in progress at June 30, 2023.

Note 6 – Subsequent Events

The Company evaluated subsequent events through the date the financial statements were issued.

CHAUNER SECURITIES, INC.

Northbrook, IL

Notes to Financial Statements

Year Ended June 30, 2023

Note 7 – Concentrations

The Company has incurred a loss for the year ended June 30, 2023. The Company's stockholder has represented that it intends to make capital contributions as needed to ensure the Company's survival through at least one year from the date of the independent auditor's report.

Management expects the Company to continue as a going concern and the accompanying financial statements have been prepared on a going-concern basis without adjustments for realization in the event that the Company ceases to continue as a going concern.

To the Stockholder of
Chauner Securities, Inc.

We have reviewed management's statements included in the accompanying Broker Dealers Annual Exemption Report in which (1) Chauner Securities, Inc. did not claim an exemption from Rule 15c3-3 in reliance upon Footnote 74 of the 2013 Release, and (2) Chauner Securities, Inc. stated that Chauner Securities, Inc. met the identified conditions for such reliance throughout the most recent fiscal year without exception. Chauner Securities, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in Footnote 74 of the 2013 Release.
