Periculum Capital Markets, LLC

Opinion on the Financial Statements

I have audited the accompanying statement of financial condition of Periculum Capital Markets, LLC, as of December 31, 2022, and the related notes and schedules (collectively referred to as the financial statements). In my opinion, the financial statement presents fairly, in all material respects, the financial position of Periculum Capital Markets, LLC as of December 31, 2022 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of Periculum Capital Markets, LLC's management. My audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

PERICULUM CAPITAL MARKETS, LLC
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR DECEMBER 31, 2022

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Firm's significant accounting policies consistently applied in the preparation of the accompanying financial statements are as follows:

- a. Nature of Operations—Periculum Capital Markets, LLC (the Firm), was organized in 1995 as an Indiana limited liability company. The firm is a broker-dealer registered with the Securities and Exchange Commission (the SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Firm which has one location in Carmel, Indiana, is wholly-owned by Periculum Capital Company, LLC (PCC). The primary business purpose is to provide advisory services related to corporate merger and acquisition transactions, the private placement of debt and equity financings and general corporate advisory services.

The Firm does not carry securities accounts for customers or perform custodial functions relating to customer securities and accordingly, claims exemption from SEC Rule 15c3-3, pursuant to the provision as a Non-Covered Firm.

- b. Cash and Cash Equivalents—For purposes of the statements of cash flows, the Firm considers all highly liquid debt instruments with maturities of three months or less when purchased to be cash equivalents. The Firm did not have any cash equivalents at December 31, 2022.
- c. Use of Estimates—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.
- d. Concentrations of Credit Risk—The Firm places its cash in accounts with a local financial institution. At times, such accounts may be in excess of FDIC insured limits. As of December 31, 2022, the Firm had one bank account that exceeded the FDIC insurance limited by \$250,050.
- e. Accounts Receivable—Accounts Receivable consists of fees and other amounts owed to the Firm. The Firm, on a periodic basis evaluates its accounts receivable and establishes an allowance for doubtful accounts, based on history of past write-offs and collections and current credit conditions. The Firm considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts currently is provided. Uncollectible accounts receivable are charges directly against operations when they are determined to be uncollectible. Use of this method does not result in a material difference from the valuation method required by accounting principles generally accepted in the United States of America.
- f. Basis of Presentation and Method of Accounting—The Firm's financial statements have been prepared in conformity with accounting principles generally accepted in the United States ("U.S. GAAP"), and presented on the accrual basis method of accounting.
- g. Revenue Recognition—Fee revenue includes recurring professional services that are paid for the duration of the engagement, and success fees earned on completed mergers and acquisition transactions. Professional service revenues are recorded at the time services are performed, while success fees are recorded when the transaction is completed and the income is reasonably determinable. The Firm had one contract at December 31, 2022 from which future income is expected.

PERICULUM CAPITAL MARKETS, LLC
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR DECEMBER 31, 2022

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued

In May 2014, FASB issued ASU 2014-09, "Revenue from Contracts with Customers Topic 606" which supersedes nearly all existing revenue recognition guidance under generally accepted accounting principles. The Firm's revenue recognition policy conforms with the pronouncement by recognizing revenue in accordance with the five components of the pronouncement:

- Identify the contract with the customer
- Identify the performance obligation
- determine the transaction price
- Allocate the transaction price to the performance obligation
- Recognize the revenue when the performance obligation is met

NOTE 2: INCOME TAX EXPENSE

As a limited liability company, the Firm is treated as a partnership for federal income tax purposes. Consequently, federal income taxes are not payable by, or provided for, the Firm. The single member owner is also a limited liability company. The Firm is subject to certain state taxes; however, no provision for state income taxes is required at December 31, 2022.

Accounting principles generally accepted in the United States of American require the Firm to examine its tax positions for uncertain positions. Management is not aware of any tax positions that are more likely than not to change in the next twelve months or that would not sustain an examination by applicable taxing authorities.

Currently, all tax years subsequent to December 31, 2018, are open and subject to federal and state income tax examination by tax authorities. However, the Firm is not currently under audit nor has the Firm been contacted by any of these jurisdictions.

The Firm's policy is to recognize penalties and interest as incurred in its Statement of Income, there were none for the year ended December 31, 2022.

NOTE 3: UNCERTAINTY IN INCOME TAXES

The Firm adopted the provisions of FASB ASC Topic 605, "Accounting for Uncertainty in Income Taxes". Benefits from tax positions are recognized in the financial statements only when it is more likely than not that the tax position will be sustained upon examination by the appropriate taxing authority that would have full knowledge of all relevant information. Recognized income tax positions are measured at the largest amount that has a greater than 50% likely of being realized. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs.

Based on its current evaluation, the Firm has concluded that there are no significant uncertain tax positions requiring recognition in the Firm's financial statements.

**PERICULUM CAPITAL MARKETS, LLC
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR DECEMBER 31, 2022**

NOTE 4: NET CAPITAL REQUIREMENTS

The Firm is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of a minimum net capital balance. The Firm is required to maintain net capital equal to the greater of \$5,000 or 6-2/3% of the aggregate indebtedness, as these terms are defined under the rule. At December 31, 2022, the Firm's net capital was \$489,996 which was \$484,996 in excess of its required net capital of \$5,000 and \$483,996 in excess of its minimum net capital requirement.

NOTE 5: STATEMENT OF CHANGES IN LIABILITIES SUBORDINATED TO CLAIMS OF GENERAL CREDITORS

For the year ended December 31, 2022, the Firm did not have any subordinated liabilities subject to claims of general creditors. Therefore, no statement was prepared.

NOTE 6: RELATED PARTY TRANSACTIONS

The Firm is 100% owned by Periculum Capital Company, LLC and is subject to an expense sharing agreement with them that has been approved by FINRA. The agreement was amended on January 1, 2018 to reflect adjustments in expenses and is for a period of twelve months and will renew automatically for an additional twelve months if not cancelled prior to the renewal date of the contract. As of December 31, 2022, there is no accrued amount payable to Periculum Capital Company, LLC.

As of December 31, 2022, there is amount due from Periculum Capital Company, LLC of \$20,000.

NOTE 7: SUBSEQUENT EVENTS

The Firm has evaluated subsequent events through the date of this report, the date on which the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the related notes to the financial statements.

NOTE 8: COMMITMENTS AND CONTINGENCIES

Management has evaluated possible commitments and contingencies at December 31, 2022. They concluded that there were no commitment or contingencies that would require recognition in the financial statements or disclosure in the related notes to the financial statements.
