REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Managers and Member of
CP Investments, LLC

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of CP Investments, LLC (the "Company") as of December 31, 2022, and the related statements of operations, cash flows, and changes in member's capital for the year then ended, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Report on Supplemental Schedules

The supplemental schedules h, j, and m listed in the accompanying table of contents have been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental schedules are the responsibility of the Company's management. Our audit procedures included determining whether the supplemental schedules reconcile to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental schedules. In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in compliance with Rule 17a-5 under the Securities Exchange Act of 1934. In our opinion, such schedules are fairly stated, in all material respects, in relation to the financial statements as a whole.

CP INVESTMENTS, LLC

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2022

1. NATURE OF OPERATIONS

CP Investments, LLC (the “Company”) is a registered broker-dealer under the Securities Exchange Act of 1934 (the “1934 Act”) and is a member of the Financial Industry Regulatory Authority, Inc. The Company is a wholly owned subsidiary of Canyon Partners LLC (the “Parent”). The Company provides placement agent services to certain private funds advised by affiliated entities.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - The accompanying financial statements of the Company have been prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) and in the format prescribed by Rule 17a-5 under the 1934 Act for brokers and dealers in securities.

Cash - Cash includes cash in a deposit account.

Securities Transactions - Securities transactions for the accounts of the Company or its customers are executed and cleared by an independent clearing agent on a fully disclosed basis. Commission revenue and expense related to customers’ securities transactions and securities transactions of the Company are recorded on a trade-date basis. There were no securities transactions during the year.

Placement Agent Service Fees - The Company earned placement agent service fees from Canyon Capital Advisors LLC (“CCA”), River Canyon Fund Management LLC (“River Canyon”), and Canyon Partners Real Estate LLC (“CPRE”), with respect to the Company’s engagement to provide certain agreed-upon services in connection with identifying prospective investors that may invest in the limited partner interests or other similarly styled equity interests of one or more investment entities and/or any parallel funds managed by CCA, River Canyon, or CPRE. Placement agent service fees are recognized when the underlying services are rendered in accordance with the terms of the agreements. The Company’s performance obligation is to serve as the exclusive private placement agent to the funds managed by CCA, River Canyon, and CPRE. Revenues related to such performance obligation are recognized over time, in this case monthly, commensurate with when services are rendered.

Use of Estimates - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates. Significant estimates made by management relate primarily to accrued expenses.

Reportable Segment- Management has determined that the Company operates in one segment, given the similarities in economic characteristics between its operations and the common nature of its products and services, production and distribution process, and regulatory environment.

Financial Condition - The Company has experienced substantial recurring losses from operations as of December 31, 2022. The Company’s ability to continue its operations and to meet its capital requirements is dependent on continued financial support from the Parent. The Parent has represented its intent to continue to provide financial support to the Company for terms that extend through February 24, 2024.

3. RELATED-PARTY TRANSACTIONS

The Company has an agreement in place with the Parent whereby the Parent charges the Company for its allocable share of general and administrative services provided to the Company. The primary allocated expenses are compensation, employee benefits, and overhead expenses that include, but are not limited to, lease and office space, office equipment, supplies and furnishings, telecommunications equipment, and computer hardware and software. The allocation methodology is derived from overhead expense and wages and salaries of registered personnel of the Company with respect to services provided on behalf of the Company. For the year ended December 31, 2022, \$915,000 was incurred in expenses and paid in full for these services and is included in the statement of operations. As previously indicated, the Company earns placement agent service fees from affiliated entities that include CCA, River Canyon, and CPRE. For the year ended December 31, 2022, \$915,000 was included in “revenues” in the statement of operations for such fees. Additionally, the Company has a letter of support from the Parent that the Parent will be willing and able to provide capital contributions when needed to ensure the Company’s ability to continue as a going concern. Therefore, if the Company were a stand-alone entity, the financial statements presented could be materially different.

The Company received capital contributions of \$200,000 from the Parent in 2022.

4. INCOME TAXES

As a limited liability company, no provision for federal or state taxes is made in the accompanying financial statements, as the Company is not subject to income taxes. The Parent is responsible for reporting income or loss to the extent required by the federal and state income tax laws and regulations.

The Company accounts for uncertain tax positions in accordance with FASB ASC 740, *Income Taxes*. The Company reviews and evaluates tax positions in its major jurisdictions and determines whether or not there are uncertain tax positions that require financial statement recognition. As of and during the year ended December 31, 2022, the Company did not have a liability for any unrecognized tax benefits nor did it recognize any interest and penalties related to unrecognized tax benefits. In addition, the Company is not aware of any tax positions for which it is reasonably possible that the total amounts of unrecognized tax benefits will change materially in the next 12 months. As a result, no income tax liability or expense related to unrecognized tax benefits has been recorded in the accompanying financial statements. The Company will continue to review any conclusions reached regarding uncertain tax positions that may be subject to review and adjustment at a later date based on ongoing analysis of tax laws, regulations, and interpretations thereof. To the extent that the Company’s assessment of the conclusions reached regarding uncertain tax position changes, such changes in estimate will be recorded in the period in which such determination is made. The Company recognizes tax-related interest and penalties, if applicable, as a component of other expense and income tax expense, respectively.

The Company files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, the Company is subject to examination by state and local jurisdictions, where applicable. As of December 31, 2022, the tax years that remain subject to examination by the state of California under the statute of limitations are 2018, 2019, 2020, 2021 and 2022.

5. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission’s Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital. The Company has elected to use the alternative method, permitted by the rule, which requires that the Company maintain minimum net capital, as defined, equal to the greater of \$250,000 or 2% of aggregate debit balances arising from

customer transactions, as defined. As of December 31, 2022, the Company had net capital of \$430,733, which is \$180,733 in excess of required net capital.

6. RESERVE REQUIREMENTS AND INFORMATION RELATING TO THE POSSESSION OR CONTROL REQUIREMENTS FOR BROKERS AND DEALERS

The Company is exempt from the Computation of a Reserve Requirement and Possession or Control Requirements of Rule 15c3-3 because the Company's other business activities met the requirements specified in Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5. Refer to Supplemental Schedules J and M in this report.

7. COMMITMENTS AND CONTINGENCIES

The Company can be named in legal actions arising in the ordinary course of business. Management is of the opinion that the ultimate liability, if any, from these actions will not have a material effect on its financial condition or results of operations.

8. SUBSEQUENT EVENTS

The Company's management evaluated activity of the Company through the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Managers and Member of
CP Investments, LLC

We have reviewed management's statements, included in the accompanying Exemption Report, in which CP Investments, LLC (the "Company") stated that the Company did not claim an exemption under paragraph (k) of 17 C.F.R. § 240.15c3-3 and filed the Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 ("Footnote 74") throughout the year ended December 31, 2022 without exception. The Company's management is responsible for its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about management's statements within the Exemption Report. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions of Footnote 74.

SIPC-7 Instructions

This form is to be filed by all members of the Securities Investor Protection Corporation whose fiscal years end in 2011 and annually thereafter. The form together with the payment is due no later than 60 days after the end of the fiscal year, or after membership termination. Amounts reported herein must be readily reconcilable with the member's records and the Securities and Exchange Commission Rule 17a-5 report filed. Questions pertaining to this form should be directed to SIPC via e-mail at form@sipc.org or by telephoning 202-371-8300.

A. For the purposes of this form, the term "SIPC Net Operating Revenues" shall mean gross revenues from the securities business as defined in or pursuant to the applicable sections of the Securities Investor Protection Act of 1970 ("Act") and Article 6 of SIPC's bylaws (see page 4), less item 2c(9) on page 2.

B. Gross revenues of subsidiaries, except foreign subsidiaries, are required to be included in SIPC Net Operating Revenues on a consolidated basis except for a subsidiary filing separately as explained hereinafter.

If a subsidiary was required to file a Rule 17a-5 annual audited statement of income separately and is also a SIPC member, then such subsidiary must itself file SIPC-7, pay the assessment, and should not be consolidated in your SIPC-7.

SIPC Net Operating Revenues of a predecessor member which are not included in item 2a, were not reported separately and the SIPC assessments were not paid thereon by such predecessor, shall be included in item 2b(1).

C. Your General Assessment should be computed as follows:

(1) Line 2a For the applicable period enter total revenue based upon amounts reported in your Rule 17a-5 Annual Audited Statement of Income prepared in conformity with generally accepted accounting principles applicable to securities brokers and dealers, or if exempted from that rule, use X-17A-5 (FOCUS Report) Line 12, Code 4030.

(2) Adjustments The purpose of the adjustments on page 2 is to determine SIPC Net Operating Revenues.

(a) Additions Lines 2b(1) through 2b(7) assure that assessable income and gain items of SIPC Net Operating Revenues are totaled, unreduced by any losses (e.g., if a net loss was incurred for the period from all transactions in trading account securities, that net loss does not reduce other assessable revenues). Thus, line 2b(4) would include all short dividend and interest payments including those incurred in reverse conversion accounts, rebates on stock loan positions and repo interest which have been netted in determining line 2(a).

(b) Deductions Line 2c(1) through line 2c(9) are either provided for in the statute, as in deduction 2c(1), or are allowed to arrive at an assessment base consisting of net operating revenues from the securities business. For example, line 2c(9) allows for a deduction of either the total of interest and dividend expense (not to exceed interest and dividend income), as reported on FOCUS line 22/PART IIA line 13 (Code 4075), plus line 2b(4) or 40% of interest earned on customers' securities accounts (40% of FOCUS Line 5 Code 3960). Be certain to complete both line (i) and (ii), entering the greater of the two in the far right column. Dividends paid to shareholders are not considered "Expense" and thus are not to be included in the deduction. Likewise, interest and dividends paid to partners pursuant to the partnership agreements would also not be deducted.

If the amount reported on line 2c (8) aggregates to \$100,000 or greater, supporting documentation must accompany the form that identifies these deductions. Examples of support information include; contractual agreements, prospectuses, and limited partnership documentation.

- (i) Determine your SIPC Net Operating Revenues, item 2d, by adding to item 2a, the total of item 2b, and deducting the total of item 2c.
- (ii) Multiply SIPC Net Operating Revenues by the applicable rate. Enter the resulting amount in item 2e and on line 2A of page 1.
- (iii) Enter on line 2B the assessment due as reflected on the SIPC-6 previously filed.
- (iv) Subtract line 2B and 2C from line 2A and enter the difference on line 2D. This is the balance due for the period.
- (v) Enter interest computed on late payment (if applicable) on line 2E.
- (vi) Enter the total due on line 2F and the payment of the amount due on line 2G.
- (vii) Enter overpayment carried forward (if any) on line 2H.

D. Any SIPC member which is also a bank (as defined in the Securities Exchange Act of 1934) may exclude from SIPC Net Operating Revenues dividends and interest received on securities in its investment accounts to the extent that it can demonstrate to SIPC's satisfaction that such securities are held, and such dividends and interest are received, solely in connection with its operations as a bank and not in connection with its operations as a broker, dealer or member of a national securities exchange. Any member who excludes from SIPC Net Operating Revenues any dividends or interest pursuant to the preceding sentence shall file with this form a supplementary statement setting forth the amount so excluded and proof of its entitlement to such exclusion.

E. Interest on Assessments. If all or any part of assessment payable under Section 4 of the Act has not been postmarked within 15 days after the due date thereof, the member shall pay, in addition to the amount of the assessment, interest at the rate of 20% per annum on the unpaid portion of the assessment for each day it has been overdue.

F. Securities and Exchange Commission Rule 17a-5(e) (4) requires those who are not exempted from the audit requirement of the rule and whose gross revenues are in excess of \$500,000 to file a supplemental independent public accountants report covering this SIPC-7 no later than 60 days after their fiscal year ends.

Mail this completed form to SIPC together with a check for the amount due, made payable to SIPC, using the enclosed return PO BOX envelope, pay via ACH Debit Authorization through SIPC's ACH system at www.sipc.org/for-members/assessments or wire the payment to:

On the wire identify the name of the firm and its SEC Registration 8-# and label it as "for assessment." Please fax a copy of the assessment form to (202)-223-1679 or e-mail a copy to form@sipc.org on the same day as the wire.

(G) fees for the solicitation of proxies with respect to, or tenders or exchanges of, securities;

(H) income from service charges or other surcharges with respect to securities;

(I) except as otherwise provided by rule of the Commission, dividends and interest received on securities in investment accounts of the broker or dealer;

(J) fees in connection with put, call, and other options transactions in securities;

(K) commissions earned for transactions in (i) certificates of deposit, and (ii) Treasury bills, bankers acceptances, or commercial paper which have a maturity at the time of issuance of not exceeding nine months, exclusive of days of grace, or any renewal thereof, the maturity of which is likewise limited, except that SIPC shall by bylaw include in the aggregate of gross revenues only an appropriate percentage of such commissions based on SIPC's loss experience with respect to such instruments over at least the preceding five years; and

(L) fees and other income from such other categories of the securities business as SIPC shall provide by bylaw.

Such term includes revenues earned by a broker or dealer in connection with a transaction in the portfolio margining account of a customer carried as securities accounts pursuant to a portfolio margining program approved by the Commission. Such term does not include revenues received by a broker or dealer in connection with the distribution of shares of a registered open end investment company or unit investment trust or revenues derived by a broker or dealer from the sales of variable annuities, the business of insurance, or transactions in security futures products.

From Section 16(14) of the Act:

The term "Security" means any note, stock, treasury stock, bond, debenture, evidence of indebtedness, any collateral trust certificate, preorganization certificate or subscription, transferable share, voting trust certificate, certificate of deposit, certificate of deposit for a security, or any security future as that term is defined in section 78c(a)(55)(A) of this title, any investment contract or certificate of interest or participation in any profit-sharing agreement or in any oil, gas or mineral royalty or lease (if such investment contract or interest is the subject of a registration statement with the Commission pursuant to the provisions of the Securities Act of 1933 [15 U.S.C. 77a et seq.]), any put, call, straddle, option, or privilege on any security, or group or index of securities (including any interest therein or based on the value thereof), or any put, call, straddle, option, or privilege entered into on a national securities exchange relating to foreign currency, any certificate of interest or participation in, temporary or interim certificate for, receipt for, guarantee of, or warrant or right to subscribe to or purchase or sell any of the foregoing, and any other instrument commonly known as a security. Except as specifically provided above, the term "security" does not include any currency, or any commodity or related contract or futures contract, or any warrant or right to subscribe to or purchase or sell any of the foregoing.

From SIPC Bylaw Article 6 (Assessments):

Section 1(f):

The term "gross revenues from the securities business" includes the revenues in the definition of gross revenues from the securities business set forth in the applicable sections of the Act.

Section 3:

For purpose of this article:

(a) The term "securities in trading accounts" shall mean securities held for sale in the ordinary course of business and not identified as having been held for investment.

(b) The term "securities in investment accounts" shall mean securities that are clearly identified as having been acquired for investment in accordance with provisions of the Internal Revenue Code applicable to dealers in securities.

(c) The term "fees and other income from such other categories of the securities business" shall mean all revenue related either directly or indirectly to the securities business except revenue included in Section 16(9)(A)-(L) and revenue specifically excepted in Section 4(c)(3)(C)[Item 2c(1), page 2].

Note: If the amount of assessment entered on line 2e of SIPC-7 is greater than 1/2 of 1% of "gross revenues from the securities business" as defined above, you may submit that calculation along with the SIPC-7 form to SIPC and pay the smaller amount, subject to review by your Examining Authority and by SIPC.
