Notes To The Financial Statements

NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(A) Nature of Operations

The Carney Group, Incorporated, (the “Company”), located in Delray Beach, Florida, was incorporated in the State of Florida in August 1985. The Company is a member of the Financial Industry Regulatory Authority (“FINRA”), and is registered with the Securities and Exchange Commission (“SEC”). The Company was set up to act as an introducing broker; however, it has no correspondent broker agreement in effect. The Company has dealer agreements with mutual fund underwriters, which generate commission revenue. The Company also serves as a consultant to entities seeking private funding. Its customers are primarily located in southeast Florida.

(B) Basis of Operation

The accompanying financial statements have been prepared pursuant to Rule 17a-5 of the Securities and Exchange Commission Act of 1934. The classification and reporting of items appearing on the financial statements are consistent with that rule.

(C) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(D) Cash and Cash Equivalents

For purposes of the cash flow statement, the Company considers all highly liquid investments with maturities of three months or less at the time of purchase to be cash equivalents.

(E) Concentrations

Concentration of Credit Risk

The Company maintains its cash in bank deposit accounts. There were no bank deposits in excess of federally insured limits at December 31, 2022. The Company has not experienced any losses in such accounts through December 31, 2022.

Concentration of Customers

During 2022, the Company had no revenues.

(F) Revenue Recognition

The Company recognizes revenue in accordance with ASC 606 Revenue from Contracts with Customers, which (i) creates a single framework for recognizing revenue from contracts with

THE CARNEY GROUP, INCORPORATED
Notes To The Financial Statements
Year Ended December 31, 2022

customers that fall within its scope. The Company has dealer agreements with mutual fund underwriters whereby the Company refers customers to the mutual funds. Pursuant to Rule 12b-1 under the investment Company Act of 1940, the Company receives commissions on such referrals. The Company also receives residual commissions from previous sales of variable contracts. The commissions are recognized on a trade-date basis. The Company also earns revenues from consulting services, which are recognized as services are rendered.

(G) Income Taxes

Income taxes are accounted for under the tax return filed by the parent company, Carney and Company, Inc. Under generally accepted accounting principles, a provision benefit is provided for current taxes as well as deferred taxes based on the timing and other differences between tax and book net income.

Management has evaluated the Company's tax position and concluded that the Company has taken no uncertain tax position that requires adjustment to or disclosures in the financial statements. As of December 31, 2022, tax years since 2019 remain open for IRS audit. The Company's parent has received no notice of audit from the Internal Revenue Service for any of the open tax years.

(H) Fair Value of Financial Instruments

Accounting Standards Codification No. 825 "Financial Instruments", requires disclosures of information about the fair value of certain financial instruments for which it is practicable to estimate that value. For purposes of this disclosure, the fair value of a financial instrument is the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced sale or liquidation. The carrying amounts of the Company's short-term financial instruments approximate fair value due to the relatively short period to maturity for these instruments.

NOTE 2 RELATED PARTY TRANSACTIONS

The Company occupies space and utilizes personnel and office services provided by companies related by common ownership or control with the Company. No allocation of these costs was charged to the Company for the year ending in December 31, 2022 as such costs and space were de minimis. The Company was scheduled to pay the sum of \$500 for its allocable share of those expenses. Due to COVID, the payment was cancelled. Commencing January 1, 2023, the Company will pay the sum of \$500 for its allocable share of office overhead expenses.

NOTE 3 STOCKHOLDERS' EQUITY

At December 31, 2022, the Company had authorized, issued and outstanding 1,000 shares of Common Stock at a par value of \$1.00 per share. During 2022, the sole stockholder contributed \$9,270 of cash to the Company.

THE CARNEY GROUP, INCORPORATED
Notes To The Financial Statements
Year Ended December 31, 2022

NOTE 4 INCOME TAXES

The Company files its income tax returns as part of its parent consolidated group. As of December 31, 2022, there was a deferred tax asset for the net operating loss carryforward of approximately \$ 35,275 which was fully offset by a valuation allowance. The increase in the valuation was approximately \$10,138

NOTE 5 NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital of \$5,000 and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2022, the Company had a net capital of \$8,373 which was \$3,373 in excess of its required net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital at December 31, 2022 was 0.00%.

NOTE 6 – EXEMPTION OF SEC RULE 15C3-3 RESERVE REQUIREMENT

The Company is exempt from the provisions of SEC Rule 15C3-3, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

NOTE 7 - SUBSEQUENT EVENTS

Management evaluated all activity of the Company through March 24, 2023 (the date the Company's financial statements were available to be issued) and concluded that there were no subsequent events.

In addition, the Company did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; did not carry accounts of or for customers; and did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about The Carney Group, Incorporated's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based upon the Company's business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5, and related SEC Staff Frequently Asked Questions.
