**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Member of  
AIP Capital Markets LLC:

**Opinion on the Financial Statement**

We have audited the accompanying statement of financial condition of AIP Capital Markets LLC (the "Company") as of March 31, 2023, and the related notes (collectively referred to as the "financial statement"). In our opinion, the financial statement presents fairly, in all material respects, the financial position of AIP Capital Markets LLC as of March 31, 2023 in conformity with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the U.S. Securities and Exchange Commission ("SEC") and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

We have served as AIP Capital Markets LLC's auditor since 2021.

**AIP CAPITAL MARKETS LLC  
NOTES TO FINANCIAL STATEMENT  
FOR THE YEAR ENDED MARCH 31, 2023**

**NOTE 1 – ORGANIZATION AND NATURE OF BUSINESS:**

AIP Capital Markets LLC (the "Company") was formed as a limited liability company in Delaware on May 3, 2017. The Company is a registered broker-dealer with the U.S. Securities and Exchange Commission ("SEC") and is a member of both the Financial Industry Regulatory Authority, Inc. ("FINRA") and the Securities Investors Protection Corporation ("SIPC"). The Company is authorized to provide advisory services to businesses, providing valuations and strategic planning with a focus on merger and acquisition advice.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

**Basis of Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") as detailed in the Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC").

**Accounts Receivable**

The Company carries its accounts receivable at cost less an allowance for doubtful accounts. On a periodic basis, the Company evaluates its accounts receivable and establishes an allowance for doubtful accounts based on history of past write-offs and collections and current credit conditions. No allowance for doubtful accounts was required at March 31, 2023.

**Revenue Recognition**

The Company adheres to the provisions of FASB ASC Topic 606, Revenue from Contracts with Customers ("ASC Topic 606"). ASC Topic 606 requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved. The revenue recognition guidance does not apply to revenue associated with financial instruments, interest income and expense, leasing and insurance contracts.

*Significant Judgment*

Significant judgment is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company's progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events.

*Advisory and Consulting Income*

The Company engages in advisory and consulting services from debt and capital raising for business entities. Revenue from ongoing advisory and consulting services is recognized and earned at the point in time that the performance under the arrangement is completed, which is when a successful closing occurs or upon cancellation of the agreement. Payments for ongoing advisory and consulting services are payable in accordance with the terms of their contract under normal trade terms. Success fees are recognized and payable on the closing date (the date on which the buyer purchases the securities from the seller) for the portion the Company is contracted to earn in accordance with its agreements. The Company believes that the closing date is the appropriate point in time to recognize success fees for advisory and consulting transactions, as there are no significant actions which the Company needs to take subsequent to this date.

*Disaggregation of Revenue*

All of the Company's revenues for the year ended March 31, 2023 originated from advisory and consulting fees.

**AIP CAPITAL MARKETS LLC  
NOTES TO FINANCIAL STATEMENT  
FOR THE YEAR ENDED MARCH 31, 2023**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):**

**Revenue Recognition (Continued)**

*Receivables and Contract Balances*

Receivables arise when the Company has an unconditional right to receive payment under a contract with a customer and are derecognized when the cash is received. There are no receivable balances as of April 1, 2022 and March 31, 2023.

Contract assets arise when the revenue associated with the contract is recognized prior to the Company's unconditional right to receive payment under a contract with a customer (i.e., unbilled receivable) and are derecognized when either it becomes a receivable or the cash is received. Contract assets are reported in the statement of financial condition. As of April 1, 2022 and as of March 31, 2023, contract asset balances were \$0.

Contract liabilities arise when customers remit contractual cash payments in advance of the Company satisfying its performance obligations under the contract and are derecognized when the revenue associated with the contract is recognized when the performance obligation is satisfied. As of April 1, 2022 and March 31, 2023, there were no contract liabilities.

**Income Taxes**

The Company is a single member limited liability company that is deemed to be a disregarded entity for income tax purposes. The taxable income or loss of the Company is allocated to its member. The Company has no tax sharing arrangement with the Parent and accordingly has no commitment to fund or receive amounts for any tax liabilities or benefits with earnings of the Company. Accordingly, the Company has not provided for federal or state income taxes.

At March 31, 2023, management had determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will be subject to ongoing reevaluation as facts and circumstances may require. Interest and penalties assessed, if any, are recorded as income tax expense.

**Use of Estimates**

The preparation of financial statements and related disclosures in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income and expenses during the reporting period. Accordingly, actual results could differ from those estimates and such differences could be material.

**NOTE 3 – NET CAPITAL REQUIREMENTS:**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 8 to 1 in the first year of operations, and 15 to 1 thereafter. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At March 31, 2023, the Company had net capital of \$10,093, which was \$5,093 in excess of its required net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital was 1.03 to 1 as of March 31, 2023.

**NOTE 5 – CONCENTRATIONS OF CREDIT RISK:**

**Cash**

The Company maintains principally all cash balances in one financial institution which, at times, may exceed the amount insured by the Federal Deposit Insurance Corporation. The exposure to the Company is solely dependent upon daily bank balances and the strength of the financial institution. The Company has not incurred any losses on this account. At March 31, 2023, the amount in excess of insured limits was \$0.

**AIP CAPITAL MARKETS LLC  
NOTES TO FINANCIAL STATEMENT  
FOR THE YEAR ENDED MARCH 31, 2023**

**NOTE 5 – CONCENTRATIONS OF CREDIT RISK(CONTINUED):**

**Revenue**

During the period ended March 31, 2023, 100% of the Company's revenue was from two customers.

**NOTE 6 – RELATED PARTY TRANSACTIONS:**

The Company is a wholly owned subsidiary of Abacus Infrastructure Partners Group, LLC, ("Parent"). As of March 31, 2023, the Company had no payables to its Parent.

**NOTE 7 – RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS:**

In February 2016, the FASB issued ASU No. 2016-02, Leases ("ASU 2016-02"). This update requires all leases with a term greater than 12 months to be recognized on the balance sheet through a right of use asset and a lease liability and the disclosure of key information pertaining to leasing arrangements. This new guidance is effective for years beginning after December 15, 2018, with early adoption permitted. The Company has evaluated the new guidance and determined there is no material impact on its financial statements since the Company does not have a lease.

The Financial Accounting Standards Board (the "FASB") has established the Accounting Standards Codification ("Codification" or "ASC") as the authoritative source of GAAP recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with GAAP in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates ("ASUs").

For the year ended March 31, 2023, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

**NOTE 8 - CLASSES OF MEMBERSHIP INTERESTS, SHARES ISSUED AND RIGHTS:**

The Company issued 100 Class A Membership Units and 1000 Class B Membership Units to Abacus Infrastructure Partners Group LLC. The Company is authorized to issue one hundred (100) Class A Membership Units which (x) shall have equal governance rights with respect to every other Class A Membership Unit with one vote per Class A Membership Unit and (y) shall not have any economic rights to participate in profits, losses and distributions of the Company. Notwithstanding any other provisions of the Limited Liability Company Operating Agreement, Class A Membership Units shall be the only class of Membership Units with the voting rights. Additional Class A Membership Units may be issued only with the written consent of the Majority in Interest of Class A Members. The Company is authorized to issue four thousand (4,000) Class B Membership Units. Class B Membership Units shall be non-voting Membership Units, but shall have equal economic rights to participate in profits, losses and distributions of the Company with respect to every other Class B Membership Unit.

**NOTE 9 - SUBSEQUENT EVENTS**

The Company has evaluated events subsequent to the Statement of Financial Condition date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.
