REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
GQR Securities LLC:

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of GQR Securities LLC (the "Company") as of September 30, 2023, and the related notes (collectively referred to as the "financial statement"). In our opinion, the financial statement presents fairly, in all material respects, the financial position of GQR Securities LLC as of September 30, 2023 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the U.S. Securities and Exchange Commission ("SEC") and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

We have served as GQR Securities LLC's auditor since 2022.

GQR Securities LLC

Notes to Financial Statement
As of and for the Year Ended September 30, 2023

1. Organization and Nature of Business

GQR Securities LLC (the "Company"), incorporated under the laws of the state of Delaware on February 25, 2019. The Company is a broker-dealer registered with the U.S. Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"), effective August 18, 2020. The Company does not clear trades nor carry customer accounts. The Company conducts investment banking activities, specifically private placements and advisory services, and does not take custody of securities.

There is one affiliate, Greenwich Quantitative Research LP. as outlined in the Expense Sharing Agreement with NOTE 3 if this agreement had not existed, the Company's results from operations could look materially different from the reported results.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statement is prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Revenue is recognized when earned, while expenses and losses are recognized when incurred.

Cash and Cash Equivalents

The Company considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents consist of funds maintained in checking and money market accounts held at financial institutions.

The Company's cash and cash equivalents are held principally at one financial institution and at times may exceed federally insured limits. The Company has placed these funds in a high quality institution in order to minimize risk relating to exceeding insured limits.

Use of Estimates

The preparation of the financial statement in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities as of the date of the financial statement and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition - ASC 606

The Company recognizes revenue in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 606. Fundraising fees are earned for achieving various fundraising objectives. Fundraising fees may be earned based upon a percentage of funds raised and/or a flat fee and may include a retainer, or partial payment, to commence services. Fundraising fees are recorded as revenue as the related performance obligations are satisfied. Advisory fees are earned for providing general investor-related advice outside the fundraising/private placements process and are earned monthly, based upon when advisory services are performed.

3. Related Party

The Company has entered into an expense sharing arrangement with its affiliate and incurs a monthly allocation of rent, professional fees, and dues & subscriptions from this affiliate. Total costs allocated to the Company from October 1, 2022 through September 30, 2023 were \$62,045. This allocation was determined based upon the square footage needed by the Company to operate and the utilization of employee personnel to effectively manage the activities of the Company. As of September 30, 2023 the intercompany balance owed to the affiliate was \$7,745. In accordance with a written expense sharing agreement with the member total costs included:

GQR Securities LLC

Notes to Financial Statement
As of and for the Year Ended September 30, 2023

3. Related Party (continued)

Professional Fees (Accounting)	47,500
Rent Expense	11,091
Dues and Subscriptions	3,454
	<u>62,045</u>

The Company is currently leasing office space in Greenwich, CT through its affiliate, Greenwich Quantitative Research. During February 2016, the FASB issued Accounting Standards Update (ASU) No. 2016-02, "Leases (Topic 842)." ASU No. 2016-02 requires lessees to recognize the assets and liabilities that arise from leases on the balance sheet. A lessee should recognize in the statement of financial position a liability to make the lease payments (the lease liability) and a right-of-use asset representing its right to use the underlying asset for the lease term. As of September 30, 2023, the Company does not maintain any leases in excess of a one year term. As such, the Company does not have an obligation to record a right to use asset or an offsetting lease obligation.

4. Indemnifications

In the normal course of its business, the Company indemnifies and guarantees certain service providers against specified potential losses in connection with their acting as an agent of, or providing services to, the Company. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statement for these indemnifications.

The Company provides representations and warranties to counterparties in connection with a variety of commercial transactions and occasionally indemnifies them against potential losses caused by the breach of those representations and warranties. These indemnifications generally are standard contractual terms and are entered into in the normal course of business. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statement for these indemnifications.

5. Net Capital Requirement

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 800% in the first year of operations, and 1500% in every year thereafter. At September 30, 2023, the Company had net capital of \$20,935 which was \$15,935 in excess of its required net capital of \$5,000. The Company's aggregate indebtedness to net capital ratio was 37%.

GQR Securities LLC

Notes to Financial Statement
As of and for the Year Ended September 30, 2023

6. Income Tax

The Company has elected to be treated as a partnership for federal and state income tax purposes whereby the tax attributes of the Company pass through to the sole owner. The Company is a part of a group that files a consolidated tax return and would ordinarily be required to present the components of current and deferred tax expense related to its operations. However, in accordance with the adoption of the Financial Accounting Standards Board (FASB) issued ASU 2019-12, the Company is not required to allocate the consolidated amount of current and deferred tax expense related to its operations and as such, no provision for income taxes has been reflected the financial statement.

ASC Topic 740-10, Accounting for uncertainty in income taxes, prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The Company believes that it has no uncertain tax positions at September 30, 2023 and there have been no accruals for interest and penalties.

Management believes that all of the positions taken on its federal and state income tax returns would more likely than not be sustained upon examination.

7. Subsequent Events

The Company has evaluated events and transactions that occurred between October 1, 2022 and December 14, 2023, which is the date the financial statement was available to be issued, for possible disclosure and recognition in the financial statement.
