To the Board of Directors and Member
of Oldfield Capital Group LLC

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Oldfield Capital Group LLC as of March 31, 2023, the related statements of operations, changes in member's equity, and cash flows for the year then ended, and the related notes and the schedule (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of Oldfield Capital Group LLC as of March 31, 2023, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Explanatory Paragraph – Going Concern

The accompanying financial statements have been prepared assuming that Oldfield Capital Group LLC will continue as a going concern. As more fully described in Note 1 to the financial statements, Oldfield Capital Group LLC is dependent on its owner to fund its operations as Oldfield Capital Group LLC has not generated sufficient revenue as of March 31, 2023 and lack financial resources it needs to sustain operations for a reasonable period of time, which is considered to be one year from the issuance date of the financial statements. These conditions raise substantial doubt about Oldfield Capital Group LLC's ability to continue as a going concern. The financial statements do not include any adjustments that may result from the outcome of this uncertainty.

Basis for Opinion

These financial statements are the responsibility of Oldfield Capital Group LLC's management. Our responsibility is to express an opinion on Oldfield Capital Group LLC's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to Oldfield Capital Group LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

OLDFIELD CAPITAL GROUP, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2023

NOTE 1 – ORGANIZATION AND NATURE OF BUSINESS:

Oldfield Capital Group, LLC (the "Company") was organized on June 30, 2011 as a New Jersey limited liability company for the purpose of providing investment advisory services, including private placement of securities, financial valuation and modeling, financial structuring and strategic consulting. The Company is a registered broker-dealer with the Securities and Exchange Commission ("SEC") and is a member of both the Financial Industry Regulatory Authority, Inc. ("FINRA") and the Securities Investors Protection Corporation ("SIPC").

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") as detailed in the Financial Accounting Standards Board's Accounting Standards Codification.

Use of Estimates

The preparation of financial statements and related disclosures in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income and expenses during the reporting period. Accordingly, actual results could differ from those estimates and such differences could be material.

Income Taxes

The Company is a limited liability company that is sole owned and taxed as a sole proprietorship. The taxable income or loss of the Company is reported on the sole member's individual income tax return. Accordingly, no provisions for federal or state income taxes has been reflected in the accompanying financial statements. The Company is subject to New York City unincorporated business tax. As of March 31, 2023 the Company did not have any tax liability.

The Company accounts for uncertainties in income taxes under the provisions of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) ("Topic") 740-10-05, "Accounting for Uncertainty in Income Taxes." The Topic clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements. The Topic prescribes a recognition threshold and measurement attitude for the financial statement recognition and measurement of as tax position taken or expected to be taken in a tax return. The Topic provides guidance on de-recognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. At March 31, 2023, the Company had no material unrecognized tax benefits.

Going Concern

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. The Company is currently dependent on its owner to fund its ongoing operations as the Company has not yet generated sufficient revenue. The owner intends to provide additional financing through direct contributions of capital until positive cash flows are generated. The owner is not contractually obligated to continue to provide support.

Property and Equipment

Property and equipment were previously stated at cost less accumulated depreciation. Depreciation was computed using straight-line and accelerated methods over estimated useful lives of five years. The company's assets are fully depreciated.

Depreciation for the 12 month ended March 31, 2023 was \$0.

OLDFIELD CAPITAL GROUP, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Revenue and Expense Recognition

Effective December 15, 2018, the Company adopted ASC Topic 606, Revenue from Contracts with Customers ("ASC Topic 606"). ASC Topic 606 requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved.

Significant Judgment

Significant judgment is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company's progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events.

Receivables and Contract Balances

Receivables arise when the Company has an unconditional right to receive payment under a contract with subscribing Broker Dealer and are reversed when the cash is received. The receivable balances as of March 31, 2023 were \$0.

Contract assets arise when the revenue associated with the contract is recognized prior to the Company's unconditional right to receive payment under a contract with a customer (i.e., unbilled receivable) and are reversed when either it becomes a receivable or the cash is received. Contract assets are reported in the statement of financial condition. As of March 31, 2023, contract asset balances were \$0.

Contract liabilities arise when customers remit contractual cash payments in advance of the Company satisfying its performance obligations under the contract and are reversed when the revenue associated with the contract is recognized when the performance obligation is satisfied. As of March 31, 2023, there were no contract liabilities.

NOTE 3 – CONCENTRATIONS OF CREDIT RISK:

Cash

The Company maintains principally all cash balances in one financial institution which, at times, may exceed the amount insured by the Federal Deposit Insurance Corporation. The exposure to the Company is solely dependent upon daily bank balances and the strength of the financial institution. The Company has not incurred any losses on this account. At March 31, 2023, the amount in excess of insured limits was \$0.

Revenues

During the year ended March 31, 2023, there was no revenue.

NOTE 4 – COMMITMENTS AND CONTINGENCIES:

The Company currently leases office space on a quarterly basis at the rate of \$1,000 per quarter. Rent expense for the year ended March 31, 2023 amounted to \$4,000.

OLDFIELD CAPITAL GROUP, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2023

NOTE 5 – NET CAPITAL REQUIREMENTS:

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 12.5 to 1, in the first year of membership and 15 to 1, thereafter. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At March 31, 2023, the Company had net capital of \$33,401 which was \$28,401 in excess of its required net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital was 0.108 to 1.

NOTE 6 – RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS:

The Financial Accounting Standards Board (the "FASB") has established the Accounting Standards Codification ("Codification" or "ASC") as the authoritative source of GAAP recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with GAAP in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates ("ASUs").

For the period ended March 31, 2023, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

NOTE 7 – EXEMPTION FROM RULE 15c3-3:

The Company is exempt from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934. The Company does not hold customers' cash or securities and, therefore, has no obligations under the Rule 15c3-3.

NOTE 8 – SUBSEQUENT EVENTS:

The Company has evaluated events subsequent to the Statement of Financial Condition date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Member
of Oldfield Capital Group LLC

We have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Report pursuant to SEC Rule 17a-5, in which (1) Oldfield Capital Group LLC (the "Company") did not claim an exemption under paragraph (k) of 17 C.F.R. §240.15c3-3, and (2) the Company is filing this Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company limits its business activities exclusively to private placement of securities, mergers and acquisitions advisory services. In addition, the Company did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers; did not carry accounts of or for customers; and did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception.

The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based upon the Company's business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5, and related SEC Staff Frequently Asked Questions.
