**Report of Independent Registered Public Accounting Firm**

To the Members and  
Those Charged With Governance of  
M&A Capital Holdings, LLC

We have reviewed management's statements, included in the accompanying Exemption Report, in which M&A Capital Holdings, LLC (the Company) stated that:

1. The Company does not claim an exemption under paragraph (k) of 17 C.F.R. § 240.15c3-3;
2. The Company is filing an Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company limits its business activities exclusively to (1) advising clients in connection with securities transactions made with relation to mergers and acquisitions and private placements throughout the most recent fiscal year; and
3. The Company (1) did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers (other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of 17 C.F.R. § 240.15c2-4; (2) did not carry accounts of or for customers; and (3) did not carry proprietary accounts of broker-dealers (as defined in 17 C.F.R. § 240.15c3-3) throughout the most recent fiscal year without exception.

The Company's management is responsible for its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence that the Company limited its business activities exclusively to (1) advising clients in connection with securities transactions made with relation to mergers and acquisitions and private placements and (1) did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers (other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of 17 C.F.R. § 240.15c2-4; (2) did not carry accounts of or for customers; and (3) did not carry proprietary accounts of broker-dealers (as defined in 17 C.F.R. § 240.15c3-3) throughout the most recent fiscal year without exception. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in 17 C.F.R. § 240.17a-5.

**Report of Independent Registered Public Accounting Firm**

To the Members and  
Those Charged With Governance of  
M&A Capital Holdings, LLC

**Opinion on the Financial Statement**

We have audited the accompanying statement of financial condition of M&A Capital Holdings, LLC (the Company) as of December 31, 2023, and the related notes (collectively, the financial statement). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of December 31, 2023, in conformity with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

*Sanville & Company, LLC*

We have served as the Company's auditor since 2021.

**M&A CAPITAL, LLC**  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2023

**NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Organization and Nature of Business

M&A Capital Holdings, LLC (the Company), a Texas limited liability company, is an investment advisor, with an emphasis in mergers and acquisitions, strategic planning, restructurings and workouts, and other financial advisory services. The Company is a broker-dealer registered with the Securities and Exchange Commission and the Financial Industry Regulatory Authority (FINRA). The Company shall continue operating under the current operating agreement until December 31, 2050 unless dissolved earlier in accordance with the agreement.

Basis of Accounting

The Company uses the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. Income and expenses are recorded as earned and incurred, respectively.

Operating Agreement

The operating agreement has various provisions that determine, among other things, organizational matters, allocation of profits and losses, distributions to the members, loans and guarantees, and the rights and duties of the members.

Accounts Receivable

The Company evaluates the collectability of its accounts receivable and records an allowance for doubtful accounts when indicators show that collectability is not reasonably assured. As of December 31, 2023, no allowance for doubtful accounts was deemed necessary.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Significant items subject to such estimates include the recognition of revenues earned and collectability of accounts receivable at year end. Accordingly, actual results could differ from those estimates.

Advertising & Marketing Expenses

Advertising and marketing costs are expensed as incurred. Advertising and marketing expenses amounted to \$30,539 for the year ended December 31, 2023.

Revenue Recognition

Revenue is measured based on a consideration specified in a contract with a customer, and excludes any sales incentives and amounts collected on behalf of third parties. The Company recognizes revenue when it satisfied a performance obligation by transferring control over a product or service to a customer.

Taxes and regulatory fees assessed by a government authority or agency that are both imposed on and concurrent with a specified revenue-producing transaction, that are collected by the Company from a customer, are excluded from revenue.

**M&A CAPITAL, LLC**  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2023

**NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**  
(Continued)

Income Taxes

The Company is a limited liability company (LLC) treated as a partnership for federal and state income tax purposes and therefore does not incur federal income taxes at the company level. Instead, its earnings and losses are passed through to the members and included in the calculation of the individual members' tax liability.

The Company has adopted the accounting topic generally accepted in the United States of America for income taxes, which provides guidance for how uncertain income tax positions should be recognized, measured, presented and disclosed in the financial statements. The Company is required to evaluate the income tax positions taken or expected to be taken to determine whether the positions are "more-likely-than-not" to be sustained upon examination by the applicable tax authority. The Company has determined that the application of the accounting topic for income taxes does not impact its operations. With few exceptions, the Company is no longer subject to U.S. federal and state income tax examinations by tax authorities for years before 2019. There are no examinations currently pending.

**NOTE 2. CONCENTRATION OF CREDIT RISK**

The Company's cash and cash equivalents are maintained in various bank accounts. The Company may have exposure to credit risk to the extent that its cash and cash equivalents exceed amounts covered by federal deposit insurance. The Company believes that its credit risk is not significant. During the year ended December 31, 2023, one client accounted for 100% of total revenues.

**NOTE 3. NET CAPITAL REQUIREMENTS**

As a broker-dealer, the Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1). In accordance with the net capital provisions of Rule 15c3-1(A)(2)(vi), the Company is required to maintain a minimum net capital, defined as the greater of \$5,000 or 6 2/3% of the Company's total aggregated indebtedness and a maximum net capital ratio of 15 to 1. The basic concept of the net capital rule is liquidity; its objective being to require a broker-dealer to have at all times sufficient liquid assets to meet its current liabilities.

As of December 31, 2023, the Company had net capital of \$145,414 which exceeded the minimum requirement by \$136,306 and had a net capital ratio of 0.94 to 1 (Schedule I). The minimum requirement consists of the great of (i) 6 2/3 of aggregate indebtedness, or (ii) \$5,000. The Company may make certain capital withdrawals, but these distributions will not cause the Company to be in violation of its net capital requirements, unless they result in minimum net capital to fall below the defined thresholds.
