(A Wholly-Owned Subsidiary of Foreside Financial Group, LLC (d/b/a ACA Group))
NOTES TO FINANCIAL STATEMENT
DECEMBER 31, 2023

NOTE 1 - ORGANIZATION

VT Distributors LLC (the “Company”), a limited liability company, is an indirect, wholly-owned subsidiary of Foreside Financial Group, LLC (“Foreside”) and a direct subsidiary of Foreside Distributors, LLC (the “Parent”). The Company is registered with the Securities and Exchange Commission (“SEC”) as a broker-dealer and is a member of both the Financial Industry Regulatory Authority (“FINRA”) and the Securities Investor Protection Corporation (“SIPC”).

The limited liability company operating agreement provides for the Company to exist into perpetuity.

The Company holds the FINRA registrations of certain employees of Vontobel Asset Management, Inc. (the “Advisor”). The Company also serves as a private label broker-dealer, providing its services only to the Advisor. Substantially all of the Company’s revenues are earned from the Advisor.

The accompanying financial statement has been prepared from the separate records maintained by the Company and, due to certain transactions and agreements with affiliated entities, may not necessarily be indicative of the financial condition that would have existed, had the Company operated as an unaffiliated entity.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

USE OF ESTIMATES

The preparation of the financial statement in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures of contingent assets and liabilities at the date of the financial statement. Actual results could differ from those amounts.

CASH EQUIVALENTS

The Company considers all highly liquid temporary cash investments with an original maturity of three months or less when purchased to be cash equivalents.

At December 31, 2023, the Company had no cash equivalents.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RECEIVABLES

The Company extends unsecured credit in the normal course of business to its clients. Effective January 1, 2023, the Company accounts for estimated credit losses on financial assets measured at an amortized cost basis in accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 326-20, *Financial Instruments – Credit Losses*. FASB ASC 326-20 requires the Company to estimate expected credit losses over the life of its financial assets as of the reporting date based on relevant information about past events, current conditions, and reasonable and supportable forecasts. The Company records the estimate of expected credit losses as an allowance for credit losses. For financial assets measured at an amortized cost basis, the allowance for credit losses is reported as a valuation account on the balance sheet that adjusts the asset’s amortized cost basis. Changes in the allowance for credit losses are reported as credit loss expense in earnings. As of December 31, 2023, the Company did not have an allowance for credit losses established since, based on the Company’s analysis, the Company does not expect any credit losses over the life of its financial assets. Past due accounts are written off by management when deemed uncollectible on a case-by-case basis. The Company adopted ASC 326-20 using the modified retrospective method which did not result in any impact to member’s equity.

INCOME TAXES

The Company is organized as a limited liability company (“LLC”) that has elected to be treated as a single member LLC under the Internal Revenue Code. As such, income, losses, and other tax attributes are primarily passed through to Foreside. Foreside is organized as an LLC that has elected to be treated as a partnership under the Internal Revenue Code. As such, income, losses, and other tax attributes are primarily passed through to its members and taxed at the member level.

NOTE 3 - RELATED PARTY TRANSACTIONS

The financial statement has been prepared from the separate records maintained by the Company. The Company shares office space and equipment with affiliates, which are under common control of Foreside. Accordingly, the Company has been allocated a portion of such shared costs. Also, the Parent provides administrative, legal, human resource and other general support services, the costs of which are allocated to the Company. For the year ended December 31, 2023, these allocated expenses totaled \$181,170. At December 31, 2023, amounts due to the Parent totaled \$19,373, which is included in “Due to related parties” in the Statement of Financial Condition.

NOTE 3 - RELATED PARTY TRANSACTIONS (CONTINUED)

At December 31, 2023, “Due to related parties” also included \$7,346, which resulted from expenses paid on behalf of the Company by its affiliates.

The Parent agrees to financially assist the Company and is committed to provide such funds, as needed, to operate the business.

NOTE 4 - NET CAPITAL REQUIREMENT

The Company is subject to the SEC's Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital of the greater of \$5,000 or 6-2/3% of aggregate indebtedness and the ratio of aggregate indebtedness to net capital not to exceed 15 to 1. The rule also provides that equity capital may not be withdrawn, or cash distributions paid, if the resulting net capital ratio would exceed 10 to 1. At December 31, 2023, the Company had net capital of \$86,957, which was \$81,957 in excess of its minimum required net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital at December 31, 2023 was 0.54 to 1.

NOTE 5 - COMMITMENTS AND CONTINGENCIES

INDEMNIFICATIONS

The Company provides representations and warranties to counterparties in connection with a variety of commercial transactions and occasionally indemnifies them against potential losses caused by the breach of those representations and warranties. These indemnifications generally are standard contractual terms and are entered into in the normal course of business. The Company's maximum exposure under these arrangements cannot be known; however, the Company expects any risk of loss to be remote.

CREDIT RISK

The Company maintains a checking account in a financial institution. The account is insured by the Federal Deposit Insurance Corporation (“FDIC”). At times, cash may be uninsured or in deposit accounts that exceed the FDIC insurance limit. The Company has not experienced any losses in the account. The Company believes it is not exposed to any significant risk on cash. Management periodically assesses the financial condition of the bank and believes that any potential credit loss is minimal.
