December 31, 2024

NOTE 1 - NATURE OF BUSINESS

Nature of Business - PGB Securities LLC (the “Company”), a New Jersey limited liability company and wholly owned subsidiary of Peapack-Gladstone Bank (the “Parent”), was formed in March 2019. The Company is registered as a broker/dealer with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA) and Securities Investor Protection Corporate (SIPC) effective May 1, 2020. The Company was approved for membership with FINRA as a Capital Acquisition Broker Dealer (“CAB”) which limits the Company’s business services to merger and acquisition advisory services and providing private placement of securities as a placement agent.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes – The Company is a single member limited liability company and is treated as a disregarded entity for federal income tax purposes. The Company’s taxable income or loss is included in the individual tax return of its member; therefore, federal income taxes are not payable by or provided for the Company.

The Company believes that all significant tax provisions utilized by the Company will more likely than not be sustained upon examination. As of December 31, 2024, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations are from the year 2021 forward.

At December 31, 2024, the Company had \$1,523,640 of cash on deposit at the Parent, which is included in Cash on the Statement of Financial Condition.

NOTE 4 – CONTINGENCIES

There are currently no asserted claims or legal proceedings against the Company, however, the nature of the Company's business subjects it to various claims, regulatory examinations, and other proceedings in the ordinary course of business. The ultimate outcome of any such action against the Company could have an adverse impact on the financial condition, results of operations, or cash flows of the Company.
