We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of the Statement of Financial Condition in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities. Actual results can differ from those estimates.

Income Taxes

No provisions have been made for income taxes since the Company is a single-member limited liability company and is considered a disregarded entity for income tax purposes. The sole member is liable for income taxes based on the Company's taxable income.

The Company recognizes and measures tax positions taken or expected to be taken in its tax return based on their technical merit and assesses the likelihood that the positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period.

The U.S. Federal jurisdiction and the State of Utah are the major tax jurisdictions where the Company files income tax returns. The Company is subject to U.S. Federal or State examinations by tax authorities for all periods since 2021.

Segment Reporting

The Accounting Standards Update (ASU) 2023-07 issued by the Financial Accounting Standards Board (FASB) introduced enhancements to segment reporting requirements for public entities, including broker-dealers. The update aimed to improve the transparency and usefulness of financial disclosures for investors and other stakeholders. ASU 2023-07 disclosure requirements are effective for fiscal years starting after December 15, 2023. The Company has identified its President as the Chief Operating Decision Maker as specified in the ASU 2023-07. Company management reviewed the ASU 2023-07 disclosure requirements and determined that no additional disclosures are required as the Company has only one reportable segment.

3. RELATED PARTIES

The Company, as a registered broker-dealer, is subject to the Securities and Exchange Commission's Net Capital Rule (Rule 15c3-1), which requires that the Company maintain Net Capital (as defined in the Rule) equal to the greater of \$5,000 or 1500% of Aggregate Indebtedness (also as defined) and requires that the ratio of Aggregate Indebtedness to net capital shall not exceed 15 to 1.
