In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit of these financial statements in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits, we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit provides a reasonable basis for our opinion.

Footnotes to Financial Statements  
For the year ended 12/31/2024

NOTE A -- SUMMARY OF ACCOUNTING POLICIES

Accounting principles followed by the Company and the methods of applying those principles which materially affect the determination of financial position, results of operations and cash flows are summarized below:

Organization

Stonington Corporation (the "Company") was incorporated in the state of New York effective June 8, 1995. The Company has adopted a calendar year.

Description of the Business

The Company, located in New York, NY is a broker-dealer firm registered with the Securities and Exchange Commission ("SEC") and is a member of FINRA. The Company operates under SEC Rule 15c-3 (k)(2)(i), which provides an exemption because of "Special Account for the benefit of Customers."

Basis of Accounting

The financial statements of the Company have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Cash and Cash Equivalents

The Company considers as cash all short-term investments with an original maturity of three months or less to be cash equivalents.

Accounts Receivable—Recognition of Bad Debt

The Company considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

Revenue Recognition

The Company adopted ASU 2014-09, Revenue from Contracts with Customers, (codified in ASC 606). The Company recognizes revenue when services are transferred to clients. Revenue is recognized based on the amount of consideration that management expects to receive in exchange for these services in accordance with the terms of the contract with the client. To determine the amount and timing of revenue recognition, the Company must (1) identify the contract with the client, (2) identify the performance obligations in the contract, (3) determine the transaction price, (4) allocate the transaction price to the performance obligations in the contract, and (5) recognize revenue when the Company satisfies a performance obligation.

Advisory, consulting and private placement fees are recognized on a contractual basis with the fee stipulated in the contract. Advisory and consulting fees are recognized ratably over the prior period. Private placement fees are recognized when the proceeds of the private placement are received.

Finder's fees are recognized based on the agreement between the Company and the investment manager of a group of funds. The Company is entitled to receive as compensation a portion of the management fee

(Continued)

and any incentive allocation earned by the investment manager with respect to persons which the Company introduced to, and subsequently invested in, the fund.

Depreciation

Depreciation is calculated using the straight-line method.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

Financial Instruments that are subject to fair value disclosure requirements are carried in the financial statements at the amount that approximate fair value and include cash and cash equivalents. Fair values are based on quoted market prices and assumptions concerning the amount and timing of estimated future cash flows and assumed discount rates reflecting varying degrees of perceived risk.

Comprehensive Income

Statement of Financial Accounting Standards (SFAS) No. 130, Reporting Comprehensive Income, establishes requirements for disclosure of Comprehensive Income that includes certain items previously not included in the statement of income, including unrealized gains and losses on available-for-sales securities and foreign currency translation adjustment among others. During the year ended December 31, 2024, the Company did not have any components of Comprehensive Income to report.

Concentrations

The Company concentration is in services, and primarily the provision of merger and acquisition advice and acting as an advisor and agent for private placements. In past years the Company has received revenue from finder's fees paid by a fund manager.

Income Taxes

The Company has elected to be taxed under the provisions of Subchapter "S" of the Internal Revenue Code and New York State income tax regulations. Under those provisions the Company does not pay federal or state income taxes.

**NOTE B -- NET CAPITAL REQUIREMENTS**

Pursuant to the net capital provisions of Rule 15c3-3 of the Securities and Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provision. Net Capital and the related net capital ratio may fluctuate on a daily basis.

There were no material inadequacies in the amount reported as Net Capital in the audited Computation of Net Capital and the broker-dealer's corresponding amounts reported in Part IIA of the FOCUS report required under Rule 15c3-1.

**NOTE C -- POSSESSION OF CONTROL REQUIREMENTS**

The Company does not have possession of control of customer's funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of SEC Rule 15c-13-3(k)(2)(i) because the Company does not handle customer funds or securities.

**NOTE D -- RELATED PARTY TRANSACTIONS**

An affiliated entity owned by the stockholder of the Company provides office space, consulting, personnel, and other services for the day-to-day operation of the Company under a master services agreement. The Company accrued \$1,600 in fees during the year ended December 31, 2024 related to this agreement. On December 5, 2024 the sole shareholder of the firm purchased an additional 4 shares of Company's common stock for an aggregate purchase consideration of \$10,000.

**NOTE E -- SIPC RECONCILIATION**

SEA Rule 17a-5(e)(4) requires a registered broker-dealer to file a supplemental report which included procedures related to the broker-dealer's SIPC annual general assessment reconciliation or exclusion-from-membership forms. In circumstances where the broker-dealer reports \$500,000 or less in gross revenues, it is not required to file the supplemental SIPC report. The Company is exempt from filing the supplemental report under SEA Rule 17a-5(3)(4) because it is reporting less than \$500,000 in gross revenue.

**NOTE F -- COMMITMENTS AND CONTINGENCIES**

Stonington Corporation does not have and never had any commitments, guarantees, or contingencies (arbitrations, lawsuits, claims, etc.) that may result in a loss or future obligation or that may be asserted against the firm a future date.

**NOTE G -- SUBSEQUENT EVENT**

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statement was available to be issued. Based upon this review, the Company determined that there were no events which took place that would have a material impact on its financial statements.

As of and for the year ended December 31, 2024

Statement Related to Uniform Net Capital Rule

The Company is a member of the FINRA and is subject to the SEC Uniform Net Capital Rule 15c3-1. This rule requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500% (15:1), or, during its first year of operations, 800% (8:1). Net capital and the related net capital ratio may fluctuate on a daily basis. The Company has elected to use the basic computation method, as is permitted by the rule, which requires that the Company maintain minimum Net Capital pursuant to a fixed dollar amount or 6-2/3% percent of total aggregate indebtedness, as defined, whichever is greater, and does not, therefore, calculate its net capital requirement under the alternative reserve requirement method.

Statement Related to Determination of Customer Reserve Requirements

The Company operates pursuant to an exemption from 15c3-3, or no exemption pursuant to footnote 74 of SEC Release 34-70073, and does not take possession of customer funds or securities, therefore, the Company is not required to compute the determination of customer reserve requirements.

Dear William Forster:

We have reviewed management's statements, included in the accompanying representation in the Exemption Report, in which Stonington Corporation identified 15c3-3(k)(2)(i) as the provision under 17 C.F.R. § 15c3-3(k) under which it claims exemption from 17 C.F.R. §240.15c3-3. Stonington Corporation stated that it has met the 15c3-3(k)(2)(i) exemption throughout the most recent fiscal year January 01, 2024, through December 31, 2024, without exception, or, with exception, as represented in the Exemption Report provided to us. Stonington Corporation's management is responsible for compliance with the exemption provisions and its statements. Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Stonington Corporation's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion. Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in Rule 15c3-3 under the Securities Exchange Act of 1934.
