Note 1 - Significant Accounting Policies

Description of Business

ATIS, Inc. is a registered broker/dealer and investment advisory firm. As a securities broker/ dealer, the Company is engaged in various securities trading and brokerage activities on a transaction basis, serving a diverse group of individuals. The trading and brokerage activities are provided through the Company's fully disclosed correspondent relationship with RBC Clearing & Custody. The investment advisory business conducts wealth management services on a fee basis through specific account service agreements.

Accounting Method

The accounts of the Company are maintained on the accrual basis of accounting. Commission revenues are recognized based on the transaction date of customer trades regardless of when cash is received. Investment advisory fees are recognized when earned.

Accounting Estimates

The process of preparing financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

Income Taxes

The Company has elected to be taxed under Subchapter S of the Internal Revenue Code. Accordingly, corporate taxable income is taxed at the shareholder level only and there has been no accrual of income taxes. Years prior to 2021 are no longer subject to examination by federal and Indiana tax jurisdictions.

Accounts Receivable

Accounts receivable consist of commission revenues that have been earned but not collected. Management considers accounts receivable to be fully collectable; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when the determination is made.

Securities Owned

Securities owned are valued at their quoted market value. Changes in the unrealized gains or losses are included with realized gains and losses in the income statement under the title gain (loss) on securities.

Property and Equipment

Purchases of property and equipment are recorded at their cost. Depreciation of \$0 for the year ended December 31, 2024 has been computed using accelerated and straight line methods of depreciation.

Note 1 - Significant Accounting Policies (continued)

Statement of Cash Flows

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with an original maturity date of three months or less, to be cash equivalents. The Company did not pay any interest or income taxes during 2024.

Note 2 – Segment Reporting

The Firm is engaged in a single line of business as a securities broker-dealer which is comprised of securities brokerage and investment advisory services described in Note 1. The Firm has identified its President as the chief operating decision maker (“CODM”), who uses net income to evaluate the results of the business, predominantly in the forecasting process, to manage the Firm. Additionally, the CODM uses excess net capital (see Note 5), which is not a measure of profit and loss, to make operational decisions while maintaining capital adequacy, such as whether to maintain profits or pay distributions. The Firm’s operations constitute a single operating segment and therefore, a single reportable segment, because the CODM manages the business activities using information of the Firm as a whole. The accounting policies used to measure the profit and loss of the segment are the same as those described in the policies listed above.

Note 3 – Securities Owned

Securities owned are securities that are carried at quoted market values and consist of the following:

- 2) Compared the Total Revenue amounts reported on the Annual Audited Report Form X-17A-5 Part III for the year ended December 31, 2024 with the Total Revenue amount reported in Form SIPC-7 for the year ended December 31, 2024, noting no differences;

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors and Stockholders of
ATIS, Inc.

I have reviewed management's statements, included in the accompanying Exemption report of Broker and Dealers, in which (1) ATIS, Inc., identified the following provisions 17 C.F.R. § 15c3-3(k) under which the Company claimed the following exemption from 17 C.F.R. § 240.15c3-3:(k)(2)(ii) and (2) ATIS, Inc. stated that ATIS, Inc. met the identified exemption provision throughout the most recent fiscal year without exception.

The Company is also filing this Exemption Report because the Company's other business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 are limited to effecting securities transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company. In addition, the Company did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; did not carry accounts of or for customers; and did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception.

ATIS, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly included inquiries and other required procedures to obtain evidence about the Firm's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934 and the Company's other business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5, and related SEC Staff Frequently Asked Questions.
