SEC's COLLECTION OF INFORMATION

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number. Filing of this Form is mandatory. Section 33(a) of the Act and Rule 57 under the Act require that a company provide notice on Form U-57 to the Commission that is claiming foreign utility company status. Form U-57 also requires disclosure of companies that hold an interest of 5% or more in a foreign utility company. The Commission staff uses the information to monitor foreign utility companies that may be a subsidiary company, an affiliate, or an associate company of a holding company or a public utility company, all as defined under the Act. The Commission estimates that the burden for completing this Form will be approximately 1.43 hours per filing. The information collected on this Form is publicly available. Any member of the public may direct to the Commission any comments concerning the accuracy of the burden estimate of this Form and any suggestions for reducing the burden of the Form. The Office of Management and Budget has reviewed this information in accordance with the clearance requirement of 44 U.S.C. §3507.
