## PUBLIC UTILITY HOLDING COMPANY ACT OF 1935

(References in brackets [ ] are to title 15, United States Code)

AN ACT To provide for control and regulation of public-utility holding companies, and for other purposes

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Public Utility Act of 1935."*

### TITLE I—CONTROL OF PUBLIC-UTILITY HOLDING COMPANIES

#### NECESSITY FOR CONTROL OF HOLDING COMPANIES

SECTION 1. [79a] (a) Public-utility holding companies and their subsidiary companies are affected with a national public interest in that, among other things, (1) their securities are widely marketed and distributed by means of the mails and instrumentalities of interstate commerce and are sold to a large number of investors in different States; (2) their service, sales, construction, and other contracts and arrangements are often made and performed by means of the mails and instrumentalities of interstate commerce; (3) their subsidiary public-utility companies often sell and transport gas and electric energy by the use of means and instrumentalities of interstate commerce; (4) their practices in respect of and control over subsidiary companies often materially affect the interstate commerce in which those companies engage; (5) their activities extending over many States are not susceptible of effective control by any State and make difficult, if not impossible, effective State regulation of public-utility companies.

(b) Upon the basis of facts disclosed by the reports of the Federal Trade Commission made pursuant to S. Res. 83 (Seventieth Congress, first session), the reports of the Committee on Interstate and Foreign Commerce, House of Representatives, made pursuant to H. Res. 59 (Seventy-second Congress, first session) and H.J. Res. 572 (Seventy-second Congress, second session) and otherwise disclosed and ascertained, it is hereby declared that the national public interest, the interest of investors in the securities of holding companies and their subsidiary companies and affiliates, and the interest of consumers of electric energy and natural and manufactured gas, are or may be adversely affected—

(1) when such investors cannot obtain the information necessary to appraise the financial position or earning power of the issuers, because of the absence of uniform standard accounts; when such securities are issued without the approval or consent of the States having jurisdiction over subsidiary public-utility companies; when such securities are issued upon the basis of fictitious or unsound asset values having no fair

relation to the sums invested in or the earning capacity of the properties and upon the basis of paper profits from intercompany transactions, or in anticipation of excessive revenues from subsidiary public-utility companies; when such securities are issued by a subsidiary public-utility company under circumstances which subject such company to the burden of supporting an overcapitalized structure and tend to prevent voluntary rate reductions;

(2) when subsidiary public-utility companies are subjected to excessive charges for services, construction work, equipment, and materials, or enter into transactions in which evils result from an absence of arm's-length bargaining or from restraint of free and independent competition; when service, management, construction, and other contracts involve the allocation of charges among subsidiary public-utility companies in different States so as to present problems of regulation which cannot be dealt with effectively by the States;

(3) when control of subsidiary public-utility companies affects the accounting practices and rate, dividend, and other policies of such companies so as to complicate and obstruct State regulation of such companies, or when control of such companies is exerted through disproportionately small investment;

(4) when the growth and extension of holding companies bears no relation to economy of management and operation or the integration and coordination of related operating properties; or

(5) when in any other respect there is lack of economy of management and operation of public-utility companies or lack of efficiency and adequacy of service rendered by such companies, or lack of effective public regulation, or lack of economies in the raising of capital.

(c) When abuses of the character above enumerated become persistent and wide-spread the holding company becomes an agency which, unless regulated, is injurious to investors, consumers, and the general public; and it is hereby declared to be the policy of this title, in accordance with which policy all the provisions of this title shall be interpreted, to meet the problems and eliminate the evils as enumerated in this section, connected with public-utility holding companies which are engaged in interstate commerce or in activities which directly affect or burden interstate commerce; and for the purpose of effectuating such policy to compel the simplification of public-utility holding-company systems and the elimination therefrom of properties detrimental to the proper functioning of such systems, and to provide as soon as practicable for the elimination of public-utility holding companies except as otherwise expressly provided in this title.

#### DEFINITIONS

SEC. 2. [79b] (a) When used in this title, unless the context otherwise requires—

(1) "Person" means an individual or company.

(2) "Company" means a corporation, a partnership, an association, a joint-stock company, a business trust, or an orga-

nized group of persons, whether incorporated or not; or any receiver, trustee, or other liquidating agent of any of the foregoing in his capacity as such.

(3) "Electric utility company" means any company which owns or operates facilities used for the generation, transmission, or distribution of electric energy for sale, other than sale to tenants or employees of the company operating such facilities for their own use and not for resale. The Commission, upon application, shall by order declare a company operating any such facilities not to be an electric utility company if the Commission finds that (A) such company is primarily engaged in one or more businesses other than the business of an electric utility company, and by reason of the small amount of electric energy sold by such company it is not necessary in the public interest or for the protection of investors or consumers that such company be considered an electric utility company for the purposes of this title, or (B) such company is one operating within a single State, and substantially all of its outstanding securities are owned directly or indirectly by another company to which such operating company sells or furnishes electric energy which it generates; such other company uses and does not resell such electric energy, is engaged primarily in manufacturing (other than the manufacturing of electric energy or gas) and is not controlled by any other company; and by reason of the small amount of electric energy sold or furnished by such operating company to other persons it is not necessary in the public interest or for the protection of investors or consumers that it be considered an electric utility company for the purposes of this title. The filing of an application hereunder in good faith shall exempt such company (and the owner of the facilities operated by such company) from the application of this paragraph until the Commission has acted upon such application. As a condition to the entry of any such order, and as a part thereof, the Commission may require application to be made periodically for a renewal of such order, and may require the filing of such periodic or special reports regarding the business of the company as the Commission may find necessary or appropriate to insure that such company continues to be entitled to such exemption during the period for which such order is effective. The Commission, upon its own motion or upon application, shall revoke such order whenever it finds that the conditions specified in clause (A) or (B) are not satisfied in the case of such company. Any action of the Commission under the preceding sentence shall be by order. Application under this paragraph may be made by the company in respect of which the order is to be issued or by the owner of the facilities operated by such company. Any order issued under this paragraph shall apply equally to such company and such owner. The Commission may by rules or regulations conditionally or unconditionally provide that any specified class or classes of companies which it determines to satisfy the conditions specified in clause (A) or (B), and the owners of the facilities operated by such companies, shall not be deemed electric utility companies within the meaning of this paragraph.

(4) "Gas utility company" means any company which owns or operates facilities used for the distribution at retail (other than distribution only in enclosed portable containers, or distribution to tenants or employees of the company operating such facilities for their own use and not for resale) of natural or manufactured gas for heat, light, or power. The Commission, upon application, shall by order declare a company operating any such facilities not to be a gas utility company if the Commission finds that (A) such company is primarily engaged in one or more businesses other than the business of a gas utility company, and (B) by reason of the small amount of natural or manufactured gas distributed at retail by such company it is not necessary in the public interest or for the protection of investors or consumers that such company be considered a gas utility company for the purposes of this title. The filing of an application hereunder in good faith shall exempt such company (and the owner of the facilities operated by such company) from the application of this paragraph until the Commission has acted upon such application. As a condition to the entry of any such order, and as a part thereof, the Commission may require application to be made periodically for a renewal of such order, and may require the filing of such periodic or special reports regarding the business of the company as the Commission may find necessary or appropriate to insure that such company continues to be entitled to such exemption during the period for which such order is effective. The Commission, upon its own motion or upon application, shall revoke such order whenever it finds that the conditions specified in clauses (A) and (B) are not satisfied in the case of such company. Any action of the Commission under the preceding sentence shall be by order. Application under this paragraph may be made by the company in respect of which the order is to be issued or by the owner of the facilities operated by such company. Any order issued under this paragraph shall apply equally to such company and such owner. The Commission may by rules or regulations conditionally or unconditionally provide that any specified class or classes of companies which it determines to satisfy the conditions specified in clauses (A) and (B), and the owners of the facilities operated by such companies, shall not be deemed gas utility companies within the meaning of this paragraph.

(5) "Public-utility company" means an electric utility company or a gas utility company.

(6) "Commission" means the Securities and Exchange Commission.

(7) "Holding company" means—

(A) any company which directly or indirectly owns, controls, or holds with power to vote, 10 per centum or more of the outstanding voting securities of a public-utility company or of a company which is a holding company by virtue of this clause or clause (B), unless the Commission, as hereinafter provided, by order declares such company not to be a holding company; and

(B) any person which the Commission determines, after notice and opportunity for hearing, directly or indirectly to exercise (either alone or pursuant to an arrangement or understanding with one or more other persons) such a controlling influence over the management or policies of any public-utility or holding company as to make it necessary or appropriate in the public interest or for the protection of investors or consumers that such person be subject to the obligations, duties, and liabilities imposed in this title upon holding companies.

The Commission, upon application, shall by order declare that a company is not a holding company under clause (A) if the Commission finds that the applicant (i) does not, either alone or pursuant to an arrangement or understanding with one or more other persons, directly or indirectly control a public-utility or holding company either through one or more intermediary persons or by any means or device whatsoever, (ii) is not an intermediary company through which such control is exercised, and (iii) does not, directly or indirectly, exercise (either alone or pursuant to an arrangement or understanding with one or more other persons) such a controlling influence over the management or policies of any public-utility or holding company as to make it necessary or appropriate in the public interest or for the protection of investors or consumers that the applicant be subject to the obligations, duties, and liabilities imposed in this title upon holding companies. The filing of an application hereunder in good faith by a company other than a registered holding company shall exempt the applicant from any obligation, duty, or liability imposed in this title upon the applicant as a holding company, until the Commission has acted upon such application. Within a reasonable time after the receipt of any application hereunder, the Commission shall enter an order granting, or, after notice and opportunity for hearing, denying or otherwise disposing of, such application. As a condition to the entry of any order granting such application and as a part of any such order, the Commission may require the applicant to apply periodically for a renewal of such order and to do or refrain from doing such acts or things, in respect of exercise of voting rights, control over proxies, designation of officers and directors, existence of interlocking officers, directors and other relationships, and submission of periodic or special reports regarding affiliations or intercorporate relationships of the applicant, as the Commission may find necessary or appropriate to ensure that in the case of the applicant the conditions specified in clauses (i), (ii), and (iii) are satisfied during the period for which such order is effective. The Commission, upon its own motion or upon application of the company affected, shall revoke the order declaring such company not to be a holding company whenever in its judgment any condition specified in clause (i), (ii), or (iii) is not satisfied in the case of such company, or modify the terms of such order whenever in its judgment such modification is necessary to ensure that in the case of such company the conditions specified in clauses (i), (ii), and (iii) are satisfied during the pe-

riod for which such order is effective. Any action of the Commission under the preceding sentence shall be by order.

(8) "Subsidiary company" of a specified holding company means—

(A) any company 10 per centum or more of the outstanding voting securities of which are directly or indirectly owned, controlled, or held with power to vote, by such holding company (or by a company that is a subsidiary company of such holding company by virtue of this clause or clause (B)), unless the Commission, as hereinafter provided, by order declares such company not to be a subsidiary company of such holding company; and

(B) any person the management or policies of which the Commission, after notice and opportunity for hearing, determines to be subject to a controlling influence, directly or indirectly, by such holding company (either alone or pursuant to an arrangement or understanding with one or more other persons) so as to make it necessary or appropriate in the public interest or for the protection of investors or consumers that such person be subject to the obligations, duties, and liabilities imposed in this title upon subsidiary companies of holding companies.

The Commission, upon application, shall by order declare that a company is not a subsidiary company of a specified holding company under clause (A) if the Commission finds that (i) the applicant is not controlled, directly or indirectly, by such holding company (either alone or pursuant to an arrangement or understanding with one or more other persons) either through one or more intermediary persons or by any means or device whatsoever, (ii) the applicant is not an intermediary company through which such control of another company is exercised, and (iii) the management or policies of the applicant are not subject to a controlling influence, directly or indirectly, by such holding company (either alone or pursuant to an arrangement or understanding with one or more other persons) so as to make it necessary or appropriate in the public interest or for the protection of investors or consumers that the applicant be subject to the obligations, duties, and liabilities imposed in this title upon subsidiary companies of holding companies. The filing of an application hereunder in good faith shall exempt the applicant from any obligation, duty, or liability imposed in this title upon the applicant as a subsidiary company of such specified holding company until the Commission has acted upon such application. Within a reasonable time after the receipt of any application hereunder, the Commission shall enter an order granting, or, after notice and opportunity for hearing, denying or otherwise disposing of, such application. As a condition to the entry of, and as a part of, any order granting such application, the Commission may require the applicant to apply periodically for a renewal of such order and to file such periodic or special reports regarding the affiliations or intercorporate relationships of the applicant as the Commission may find necessary or appropriate to enable it to determine whether in the case of the applicant the conditions specified in clauses

(i), (ii), and (iii) are satisfied during the period for which such order is effective. The Commission, upon its own motion or upon application, shall revoke the order declaring such company not to be a subsidiary company whenever in its judgment any condition specified in clause (i), (ii), or (iii) is not satisfied in the case of such company, or modify the terms of such order whenever in its judgment such modification is necessary to ensure that in the case of such company the conditions specified in clauses (i), (ii), and (iii) are satisfied during the period for which such order is effective. Any action of the Commission under the preceding sentence shall be by order. Any application under this paragraph may be made by the holding company or the company in respect of which the order is to be entered, but as used in this paragraph the term "applicant" means only the company in respect of which the order is to be entered.

(9) "Holding-company system" means any holding company, together with all its subsidiary companies, and all mutual service companies (as defined in paragraph (13) of this subsection) of which such holding company or any subsidiary company thereof is a member company (as defined in paragraph (14) of this subsection).

(C) any individual who is an officer or director of such specified company, or of any company which is an affiliate thereof under clause (A) of this paragraph; and

(D) any person or class of persons that the Commission determines, after appropriate notice and opportunity for hearing, to stand in such relation to such specified company that there is liable to be such an absence of arm's-length bargaining in transactions between them as to make it necessary or appropriate in the public interest or for the protection of investors or consumers that such person be subject to the obligations, duties, and liabilities imposed in this title upon affiliates of a company.

(12) "Registered holding company" means a person whose registration is in effect under section 5.

(17) "Voting security" means any security presently entitling the owner or holder thereof to vote in the direction or management of the affairs of a company, or any security issued under or pursuant to any trust, agreement, or arrangement whereby a trustee or trustees or agent or agents for the owner or holder of such security are presently entitled to vote in the direction or management of the affairs of a company; and a specified per centum of the outstanding voting securities of a company means such amount of the outstanding voting securities of such company as entitles the holder or holders thereof to cast said specified per centum of the aggregate votes which the holders of all the outstanding voting securities of such company are entitled to cast in the direction or management of the affairs of such company.

(18) "Utility assets" means the facilities, in place, of any electric utility company or gas utility company for the production, transmission, transportation, or distribution of electric energy or natural or manufactured gas.

(19) "Service contract" means any contract, agreement, or understanding whereby a person undertakes to sell or furnish, for a charge, any managerial, financial, legal, engineering, purchasing, marketing, auditing, statistical, advertising, publicity, tax, research, or any other service, information, or data.

(20) "Sales contract" means any contract, agreement, or understanding whereby a person undertakes to sell, lease, or furnish, for a charge, any goods, equipment, materials, supplies, appliances, or similar property. (28) "Interstate commerce" means trade, commerce, transportation, transmission, or communication among the several States or between any State and any place outside thereof.

(29) "Integrated public-utility system" means—

(B) As applied to gas utility companies, a system consisting of one or more gas utility companies which are so located and related that substantial economies may be effectuated by being operated as a single coordinated system confined in its operations to a single area or region, in one or more States, not so large as to impair (considering the state of the art and the area or region affected) the advantages of localized management, efficient operation, and the effectiveness of regulation; *Provided*, That gas utility companies deriving natural gas from a common source of supply may be deemed to be included in a single area or region.

(b) No person shall be deemed to be a holding company under clause (B) of paragraph (7) of subsection (a), or a subsidiary company under clause (B) of paragraph (8) of such subsection, or an affiliate under clause (D) of paragraph (11) of such subsection, unless the Commission, after appropriate notice and opportunity for hearing, has issued an order declaring such person to be a holding company, a subsidiary company, or an affiliate, or declaring a class of which such person is a member to be affiliates. Such an order shall not become effective for at least thirty days after the mailing of a copy thereof to the person thereby declared to be a holding company, subsidiary company, or affiliate; or, in the case of determination of affiliates by classes, until at least thirty days after

appropriate publication thereof in such manner as the Commission shall determine. Whenever the Commission, on its own motion or upon application by the person declared to be a holding company, subsidiary company, or affiliate, finds that the circumstances which gave rise to the issuance of any such order no longer exist, the Commission shall by order revoke such order.

(c) No provision in this title shall apply to, or be deemed to include, the United States, a State, or any political subdivision of a State, or any agency, authority, or instrumentality of any one or more of the foregoing, or any corporation which is wholly owned directly or indirectly by any one or more of the foregoing, or any officer, agent, or employee of any of the foregoing acting as such in the course of his official duty, unless such provision makes specific reference thereto.

POWER TO MAKE PARTICULAR EXEMPTIONS REGARDING HOLDING COMPANIES, SUBSIDIARY COMPANIES, AND AFFILIATES

SEC. 3. [79c] (a)<sup>1</sup> The Commission, by rules and regulations upon its own motion, or by order upon application, shall exempt any holding company, and every subsidiary company thereof as such, from any provision or provisions of this title, unless and except insofar as it finds the exemption detrimental to the public interest or the interest of investors or consumers, if—

(1) such holding company, and every subsidiary company thereof which is a public-utility company from which such holding company derives, directly or indirectly, any material part of its income, are predominantly intrastate in character and carry on their business substantially in a single State in which such holding company and every such subsidiary company thereof are organized;

(2) such holding company is predominantly a public-utility company whose operations as such do not extend beyond the State in which it is organized and States contiguous thereto;

(3) such holding company is only incidentally a holding company, being primarily engaged or interested in one or more businesses other than the business of a public-utility company and (A) not deriving, directly or indirectly, any material part of its income from any one or more subsidiary companies, the principal business of which is that of a public-utility company, or (B) deriving a material part of its income from any one or more such subsidiary companies, if substantially all the outstanding securities of such companies are owned, directly or indirectly, by such holding company;

<sup>1</sup>Public Law 99-648 (100 Stat. 3632), entitled "An Act to clarify the exemptive authority of the Securities and Exchange Commission," provides as follows:

*"Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That notwithstanding section 3(a) of the Public Utility Holding Company Act of 1935 (15 U.S.C. 79c(a)), a holding company which has only one subsidiary company that is solely a gas utility company, as defined in said Act, shall be exempt from all provisions, except section 9(a)(2), of said Act if neither the holding company nor any other subsidiary company is a public utility company, the operations of such subsidiary gas utility company do not exceed beyond the State in which it is organized, the subsidiary company was incorporated on June 16, 1986, for the express purpose of operating as a gas utility company, and all of whose voting securities are owned by the holding company, and neither the holding company, nor any of its subsidiary companies are engaged in residential or commercial plumbing, heating, refrigeration, air-conditioning, or in the sale, installation or servicing of such or related equipment."

(4) such holding company is temporarily a holding company solely by reason of the acquisition of securities for purposes of liquidation or distribution in connection with a bona fide debt previously contracted or in connection with a bona fide arrangement for the underwriting or distribution of securities; or

(5) such holding company is not, and derives no material part of its income, directly or indirectly, from any one or more subsidiary companies which are, a company or companies the principal business of which within the United States is that of a public-utility company.

(b) The Commission, by rules and regulations upon its own motion, or by order upon application, shall exempt any subsidiary company, as such, of a holding company from any provision or provisions of this title, the application of which to such subsidiary company the Commission finds is not necessary in the public interest or for the protection of investors, if such subsidiary company derives no material part of its income, directly or indirectly, from sources within the United States, and neither it nor any of its subsidiary companies is a public-utility company operating in the United States.

(c) Within a reasonable time after the receipt of an application for exemption under subsection (a) or (b), the Commission shall enter an order granting, or, after notice and opportunity for hearing, denying or otherwise disposing of such application. The filing of an application in good faith under subsection (a) by a person other than a registered holding company shall exempt the applicant from any obligation, duty, or liability imposed in this title upon the applicant as a holding company until the Commission has acted upon such application. The filing of an application in good faith under subsection (b) shall exempt the applicant from any obligation, duty, or liability imposed in this title upon the applicant as a subsidiary company until the Commission has acted upon such application. Whenever the Commission, on its own motion, or upon application by the holding company or any subsidiary company thereof exempted by any order issued under subsection (a), or by the subsidiary company exempted by any order issued under subsection (b), finds that the circumstances which gave rise to the issuance of such order no longer exist, the Commission shall by order revoke such order.

(d) The Commission may, by rules and regulations, conditionally or unconditionally exempt any specified class or classes of persons from the obligations, duties, or liabilities imposed upon such persons as subsidiary companies or affiliates under any provision or provisions of this title, and may provide within the extent of any such exemption that such specified class or classes of persons shall not be deemed subsidiary companies or affiliates within the meaning of any such provision or provisions, if and to the extent that it deems the exemption necessary or appropriate in the public interest or for the protection of investors or consumers and not contrary to the purposes of this title.

## TRANSACTIONS BY UNREGISTERED HOLDING COMPANIES

SEC. 4. [79d] (a) After December 1, 1935, unless a holding company is registered under section 5, it shall be unlawful for such holding company, directly or indirectly—

(1) to sell, transport, transmit, or distribute, or own or operate any utility assets for the transportation, transmission, or distribution of, natural or manufactured gas or electric energy in interstate commerce;

(5) to engage in any business in interstate commerce; or

(6) to own, control, or hold with power to vote, any security of any subsidiary company thereof that does any of the acts enumerated in paragraphs (1) to (5), inclusive, of this subsection.

(b) Every holding company which has outstanding any security any of which, by use of the mails or any means or instrumentality of interstate commerce, has been distributed or made the subject of a public offering subsequent to January 1, 1925, and any of which security is owned or held on October 1, 1935 (or, if such company is not a holding company on that date, on the date such company becomes a holding company) by persons not resident in the State in which such holding company is organized, shall register under section 5 on or before December 1, 1935 or the thirtieth day after such company becomes a holding company, whichever date is later.

them as the Commission may by rules and regulations or order prescribe as necessary or appropriate in the public interest or for the protection of investors or consumers.

(c) The Commission by such rules and regulations or order as it deems necessary or appropriate in the public interest or for the protection of investors or consumers, may permit a registrant to file a preliminary registration statement without complying with the provisions of subsection (b); but every registrant shall file a complete registration statement with the Commission within such reasonable period of time as the Commission shall fix by rules and regulations or order, but not later than one year after the date of registration.

(d) Whenever the Commission, upon application, finds that a registered holding company has ceased to be a holding company, it shall so declare by order and upon the taking effect of such order the registration of such company shall, upon such terms and conditions as the Commission finds and in such order prescribes as necessary for the protection of investors, cease to be in effect. The denial of any such application by the Commission shall be by order.

UNLAWFUL SECURITY TRANSACTIONS BY REGISTERED HOLDING AND  
SUBSIDIARY COMPANIES

SEC. 6. **[79f]** (a) Except in accordance with a declaration effective under section 7 and with the order under such section permitting such declaration to become effective, it shall be unlawful for any registered holding company or subsidiary company thereof, by use of the mails or any means or instrumentality of interstate commerce, or otherwise, directly or indirectly (1) to issue or sell any security of such company; or (2) to exercise any privilege or right to alter the priorities, preferences, voting power, or other rights of the holders of an outstanding security of such company.

(b) The provisions of subsection (a) shall not apply to the issue, renewal, or guaranty by a registered holding company or subsidiary company thereof of a note or draft (including the pledge of any security as collateral therefor) if such note or draft (1) is not part of a public offering, (2) matures or is renewed for not more than nine months, exclusive of days of grace, after the date of such issue, renewal, or guaranty thereof, and (3) aggregates (together with all other then outstanding notes and drafts of a maturity of nine months or less, exclusive of days of grace, as to which such company is primarily or secondarily liable) not more than 5 per centum of the principal amount and par value of the other securities of such company then outstanding, or such greater per centum thereof as the Commission upon application may by order authorize as necessary or appropriate in the public interest or for the protection of investors or consumers. In the case of securities having no principal amount or no par value, the value for the purposes of this subsection shall be the fairmarket value as of the date of issue. The Commission by rules and regulations or order, subject to such terms and conditions as it deems appropriate in the public interest or for the protection of investors or consumers, shall exempt from the provisions of subsection (a) the issue or sale of any security by any subsidiary company of a registered holding company, if the issue and sale of such security are solely for the purpose of financ-

ing the business of such subsidiary company and have been expressly authorized by the State commission of the State in which such subsidiary company is organized and doing business, or if the issue and sale of such security are solely for the purpose of financing the business of such subsidiary company when such subsidiary company is not a holding company, a public-utility company, an investment company, or a fiscal or financing agency of a holding company, a public-utility company, or an investment company. The provisions of subsection (a) shall not apply to the issue, by a registered holding company or subsidiary company thereof, of a security issued pursuant to the terms of any security outstanding on January 1, 1935, giving the holder of such outstanding security the right to convert such outstanding security into another security of the same issuer or of another person, or giving the right to subscribe to another security of the same issuer or another issuer. Within ten days after any issue, sale, renewal, or guaranty exempted from the application of subsection (a) by or under authority of this subsection, such holding company or subsidiary company thereof shall file with the Commission a certificate of notification in such form and setting forth such of the information required in a declaration under section 7 as the Commission may by rules and regulations or order prescribe as necessary or appropriate in the public interest or for the protection of investors or consumers.

(c) It shall be unlawful, by use of the mails or any means or instrumentality of interstate commerce, or otherwise, for any registered holding company or any subsidiary company thereof, directly or indirectly,—

(1) to sell or offer for sale or to cause to be sold or offered for sale, from house to house, any security of such holding company; or

(2) to cause any officer or employee of any subsidiary company of such holding company to sell or cause to be sold any security of such holding company.

As used in this subsection the term “house” shall not include an office used for business purposes.

DECLARATIONS BY REGISTERED HOLDING AND SUBSIDIARY COMPANIES  
IN RESPECT OF SECURITY TRANSACTIONS

SEC. 7. [79g] (a) A registered holding company or subsidiary company thereof may file a declaration with the Commission, regarding any of the acts enumerated in subsection (a) of section 6, in such form as the Commission may by rules and regulations prescribe as necessary or appropriate in the public interest or for the protection of investors or consumers. Such declaration shall include—

(1) such of the information and documents which are required to be filed in order to register a security under section 7 of the Securities Act of 1933, as amended, as the Commission may by rules and regulations or order prescribe as necessary or appropriate in the public interest or for the protection of investors or consumers; and

(2) such additional information, in such form and detail, and such documents regarding the declarant or any associate company thereof, the particular security and compliance with

such State laws as may apply to the act in question as the Commission may by rules and regulations or order prescribe as necessary or appropriate in the public interest or for the protection of investors or consumers.

(b) A declaration filed under this section shall become effective within such reasonable period of time after the filing thereof as the Commission shall fix by rules and regulations or order, unless the Commission prior to the expiration of such period shall have issued an order to the declarant to show cause why such declaration should become effective. Within a reasonable time after an opportunity for hearing upon an order to show cause under this subsection, unless the declarant shall withdraw its declaration, the Commission shall enter an order either permitting such declaration to become effective as filed or amended, or refusing to permit such declaration to become effective. Amendments to a declaration may be made upon such terms and conditions as the Commission may prescribe.

(c) The Commission shall not permit a declaration regarding the issue or sale of a security to become effective unless it finds that—

(1) such security is (A) a common stock having a par value and being without preference as to dividends or distribution over, and having at least equal voting rights with, any outstanding security of the declarant; (B) a bond (i) secured by a first lien on physical property of the declarant, or (ii) secured by an obligation of a subsidiary company of the declarant secured by a first lien on physical property of such subsidiary company, or (iii) secured by any other assets of the type and character which the Commission by rules and regulations or order may prescribe as appropriate in the public interest or for the protection of investors; (C) a guaranty of, or assumption of liability on, a security of another company; or (D) a receiver's or trustee's certificate duly authorized by the appropriate court or courts; or

(2) such security is to be issued or sold solely (A) for the purpose of refunding, extending, exchanging, or discharging an outstanding security of the declarant and/or a predecessor company thereof or for the purpose of effecting a merger, consolidation, or other reorganization; (B) for the purpose of financing the business of the declarant as a public-utility company; (C) for the purpose of financing the business of the declarant, when the declarant is neither a holding company nor a public-utility company; and/or (D) for necessary and urgent corporate purposes of the declarant where the requirements of the provisions of paragraph (1) would impose an unreasonable financial burden upon the declarant and are not necessary or appropriate in the public interest or for the protection of investors or consumers; or

(3) such security is one the issuance of which was authorized by the company prior to January 1, 1935, and which the Commission by rules and regulations or order authorizes as necessary or appropriate in the public interest or for the protection of investors or consumers.

(d) If the requirements of subsections (c) and (g) are satisfied, the Commission shall permit a declaration regarding the issue or sale of a security to become effective unless the Commission finds that—

(1) the security is not reasonably adapted to the security structure of the declarant and other companies in the same holding-company system;

(2) the security is not reasonably adapted to the earning power of the declarant;

(3) financing by the issue and sale of the particular security is not necessary or appropriate to the economical and efficient operation of a business in which the applicant lawfully is engaged or has an interest;

(4) the fees, commissions, or other remuneration, to whomsoever paid, directly or indirectly, in connection with the issue, sale, or distribution of the security are not reasonable;

(5) in the case of a security that is a guaranty of, or assumption of liability on, a security of another company, the circumstances are such as to constitute the making of such guaranty or the assumption of such liability an improper risk for the declarant; or

(6) the terms and conditions of the issue or sale of the security are detrimental to the public interest or the interest of investors or consumers.

(e) If the requirements of subsection (g) are satisfied, the Commission shall permit a declaration to become effective regarding the exercise of a privilege or right to alter the priorities, preferences, voting power, or other rights of the holders of an outstanding security unless the Commission finds that such exercise of such privilege or right will result in an unfair or inequitable distribution of voting power among holders of the securities of the declarant or is otherwise detrimental to the public interest or the interest of investors or consumers.

(f) Any order permitting a declaration to become effective may contain such terms and conditions as the Commission finds necessary to assure compliance with the conditions specified in this section.

(g) If a State commission or State securities commission, having jurisdiction over any of the acts enumerated in subsection (a) of section 6, shall inform the Commission, upon request by the Commission for an opinion or otherwise, that State laws applicable to the act in question have not been complied with, the Commission shall not permit a declaration regarding the act in question to become effective until and unless the Commission is satisfied that such compliance has been effected.

ACQUIRING INTEREST IN ELECTRIC AND GAS UTILITY COMPANIES  
SERVING SAME TERRITORY

SEC. 8. [79h] Whenever a State law prohibits, or requires approval or authorization of, the ownership or operation by a single company of the utility assets of an electric utility company and a gas utility company serving substantially the same territory, it shall be unlawful for a registered holding company, or any sub-

subsidiary company thereof, by use of the mails or any means or instrumentality of interstate commerce, or otherwise—

(1) to take any step, without the express approval of the State commission of such State, which results in its having a direct or indirect interest in an electric utility company and a gas utility company serving substantially the same territory; or

(2) if it already has any such interest, to acquire, without the express approval of the State commission, any direct or indirect interest in an electric utility company or gas utility company serving substantially the same territory as that served by such companies in which it already has an interest.

ACQUISITION OF SECURITIES AND UTILITY ASSETS AND OTHER INTERESTS

SEC. 9. [79i] (a) Unless the acquisition has been approved by the Commission under section 10, it shall be unlawful—

(1) for any registered holding company or any subsidiary company thereof, by use of the mails or any means or instrumentality of interstate commerce, or otherwise, to acquire, directly or indirectly, any securities or utility assets or any other interest in any business;

(2) for any person, by use of the mails or any means or instrumentality of interstate commerce, to acquire, directly or indirectly, any security of any public-utility company, if such person is an affiliate, under clause (A) of paragraph (11) of subsection (a) of section 2, of such company and of any other public utility or holding company, or will by virtue of such acquisition become such an affiliate.

(b) Subsection (a) shall not apply to—

(1) the acquisition by a public-utility company of utility assets the acquisition of which has been expressly authorized by a State commission; or

(2) the acquisition by a public-utility company of securities of a subsidiary public-utility company thereof, provided that both such public-utility companies and all other public-utility companies in the same holding-company system are organized in the same State, that the business of each such company in such system is substantially confined to such State, and that the acquisition of such securities has been expressly authorized by the State commission of such State.

(c) Subsection (a) shall not apply to the acquisition by a registered holding company, or a subsidiary company thereof, of—

(1) securities of, or securities the principal or interest of which is guaranteed by, the United States, a State, or political subdivision of a State, or any agency, authority, or instrumentality of any one or more of the foregoing, or any corporation which is wholly owned, directly or indirectly, by any one or more of the foregoing;

(2) such other readily marketable securities, within the limitation of such amounts, as the Commission may by rules and regulations prescribe as appropriate for investment of current funds and as not detrimental to the public interest or the interest of investors or consumers; or

(3) such commercial paper and other securities, within such limitations, as the Commission may by rules and regulations or order prescribe as appropriate in the ordinary course of business of a registered holding company or subsidiary company thereof and as not detrimental to the public interest or the interest of investors or consumers.

APPROVAL OF ACQUISITION OF SECURITIES AND UTILITY ASSETS AND  
OTHER INTERESTS

SEC. 10. [79j] (a) A person may apply for approval of the acquisition of securities or utility assets, or of any other interest in any business, by filing an application in such form as the Commission may by rules and regulations prescribe as necessary or appropriate in the public interest or for the protection of investors and consumers. Such application shall include—

(1) in the case of the acquisition of securities, such information and copies of such documents as the Commission may by rules and regulations or order prescribe as necessary or appropriate in the public interest or for the protection of investors or consumers in respect of—

(A) the security to be acquired, the consideration to be paid therefor, and compliance with such State laws as may apply in respect of the issue, sale, or acquisition thereof,

(B) the outstanding securities of the company whose security is to be acquired, the terms, position, rights, and privileges of each class and the options in respect of any such securities,

(C) the names of all security holders of record (or otherwise known to the applicant) owning, holding, or controlling 1 per centum or more of any class of security of such company, the officers and directors of such company, and their remuneration, security holdings in, material contracts with, and borrowings from such company and the offices or directorships held, and securities owned, held, or controlled, by them in other companies,

(D) the bonus, profit-sharing and voting-trust agreements, underwriting arrangements, trust indentures, mortgages, and similar documents, by whatever name known, of or relating to such company,

(E) the material contracts, not made in the ordinary course of business, and the service, sales, and construction contracts of such company,

(F) the securities owned, held, or controlled, directly or indirectly, by such company,

(G) balance sheets and profit and loss statements of such company for not more than the five preceding fiscal years, certified, if required by the rules and regulations of the Commission by an independent public accountant,

(H) any further information regarding such company and any associate company or affiliate thereof, or its relations with the applicant company, and

(I) if the applicant be not a registered holding company, any of the information and documents which may be

required under section 5 from a registered holding company;

(2) in the case of the acquisition of utility assets, such information concerning such assets, the value thereof and consideration to be paid therefor, the owner or owners thereof and their relation to, agreements with, and interest in the securities of, the applicant or any associate company thereof as the Commission may by rules and regulations or order prescribe as necessary or appropriate in the public interest or for the protection of investors or consumers; and

(3) in the case of the acquisition of any other interest in any business, such information concerning such business and the interest to be acquired, and the consideration to be paid, as the Commission may by rules and regulations or order prescribe as necessary or appropriate in the public interest or for the protection of investors or consumers.

(b) If the requirements of subsection (f) are satisfied, the Commission shall approve the acquisition unless the Commission finds that—

(1) such acquisition will tend towards interlocking relations or the concentration of control of public-utility companies, of a kind or to an extent detrimental to the public interest or the interest of investors, or consumers;

(2) in case of the acquisition of securities or utility assets, the consideration, including all fees, commissions, and other remuneration, to whomsoever paid, to be given, directly or indirectly, in connection with such acquisition is not reasonable or does not bear a fair relation to the sums invested in or the earning capacity of the utility assets to be acquired or the utility assets underlying the securities to be acquired; or

(3) such acquisition will unduly complicate the capital structure of the holding-company system of the applicant or will be detrimental to the public interest or the interest of investors or consumers or the proper functioning of such holding-company system.

The Commission may condition its approval of the acquisition of securities of another company upon such a fair offer to purchase such of the other securities of the company whose security is to be acquired as the Commission may find necessary or appropriate in the public interest or for the protection of investors or consumers.

(c) Notwithstanding the provisions of subsection (b), the Commission shall not approve—

(1) an acquisition of securities or utility assets, or of any other interest, which is unlawful under the provisions of section 8 or is detrimental to the carrying out of the provisions of section 11; or

(2) the acquisition of securities or utility assets of a public-utility or holding company unless the Commission finds that such acquisition will serve the public interest by tending towards the economical and efficient development of an integrated public-utility system. This paragraph shall not apply to the acquisition of securities or utility assets of a public-utility company operating exclusively outside the United States.

(d) Within such reasonable time after the filing of an application under this section as the Commission shall fix by rules and regulations or order, the Commission shall enter an order either granting or, after notice and opportunity for hearing, denying approval of the acquisition unless the applicant shall withdraw its application. Amendments to an application may be made upon such terms and conditions as the Commission may prescribe.

(e) The Commission, in any order approving the acquisition of securities or utility assets, may prescribe such terms and conditions in respect of such acquisition, including the price to be paid for such securities or utility assets, as the Commission may find necessary or appropriate in the public interest or for the protection of investors or consumers.

(f) The Commission shall not approve any acquisition as to which an application is made under this section unless it appears to the satisfaction of the Commission that such State laws as may apply in respect of such acquisition have been complied with, except where the Commission finds that compliance with such State laws would be detrimental to the carrying out of the provisions of section 11.

#### SIMPLIFICATION OF HOLDING-COMPANY SYSTEMS

SEC. 11. [79k] (a) It shall be the duty of the Commission to examine the corporate structure of every registered holding company and subsidiary company thereof, the relationships among the companies in the holding-company system of every such company and the character of the interests thereof and the properties owned or controlled thereby to determine the extent to which the corporate structure of such holding-company system and the companies therein may be simplified, unnecessary complexities therein eliminated, voting power fairly and equitably distributed among the holders of securities thereof, and the properties and business thereof confined to those necessary or appropriate to the operations of an integrated public-utility system.

(b) It shall be the duty of the Commission, as soon as practicable after January 1, 1938:

(1)<sup>1</sup> To require by order, after notice and opportunity for hearing, that each registered holding company, and each sub-

(A) Each of such additional systems cannot be operated as an independent system without the loss of substantial economies which can be secured by the retention of control by such holding company of such system;

(B) All of such additional systems are located in one State, or in adjoining States, or in a contiguous foreign country; and

(C) The continued combination of such systems under the control of such holding company is not so large (considering the state of the art and the area or region affected) as to impair the advantages of localized management, efficient operation, or the effectiveness of regulation.

The Commission may permit as reasonably incidental, or economically necessary or appropriate to the operations of one or more integrated public-utility systems the retention of an interest in any business (other than the business of a public-utility company as such) which the Commission shall find necessary or appropriate in the public interest or for the protec-

## SEC. 2. RULE OF CONSTRUCTION.

(a) TREATMENT OF CERTAIN ACQUISITIONS INVOLVING GAS COMPANIES OR GAS TRANSPORTATION OR STORAGE.—The acquisition by a registered company of any interest in any natural gas company or of any interest in any company organized to participate in activities involving the transportation or storage of natural gas, shall be deemed, for the purposes of section 11(b)(1) of the Act, to be reasonably incidental or economically necessary or appropriate to the operation of such gas utility companies.

(b) TREATMENT OF ACQUISITIONS RELATED TO SUPPLY OF NATURAL GAS; COMMISSION DETERMINATION OF CUSTOMER INTEREST.—The acquisition by a registered company of any interest in any company organized to participate in activities (other than those of a natural gas company or involving the transportation or storage of natural gas) related to the supply of natural gas, including exploration, development, production, marketing, manufacture, or other similar activities related to the supply of natural or manufactured gas, shall be deemed, for purposes of section 11(b)(1) of the Act, to be reasonably incidental or economically necessary or appropriate to the operation of such gas utility companies, if—

(1) the Commission determines, after notice and opportunity for hearing in which the company proposing the acquisition shall have the burden of proving, that such acquisition is in the interest of consumers of each gas utility company of such registered company or consumers of any other subsidiary of such registered company; and

(2) the Commission determines that such acquisition will not be detrimental to the interest of consumers of any such gas utility company or other subsidiary or to the proper functioning of the registered holding company system.

(c) CASE-BY-CASE DECISIONS REQUIRED.—Each such determination under this section shall be made on a case-by-case basis, and not be based on any preset criteria.

(d) SAVINGS PROVISION.—Nothing herein shall be construed to affect the applicability of any other provisions of the Act to the acquisition or retention of any such interest by any such company.

(e) DEFINITIONS.—For purposes of this section—

(1) the term “registered company” means a company registered under the Act solely by reason of direct or indirect ownership of voting securities of one or more gas utility companies, or any subsidiary company of such registered company;

(2) the term “natural gas company” has the meaning given such term under the Natural Gas Act (15 U.S.C. 717(a) et seq.); and

(3) the term “the Act” means the Public Utility Holding Company Act of 1935.

tion of investors or consumers and not detrimental to the proper functioning of such system or systems.

(2) To require by order, after notice and opportunity for hearing, that each registered holding company, and each subsidiary company thereof, shall take such steps as the Commission shall find necessary to ensure that the corporate structure or continued existence of any company in the holding-company system does not unduly or unnecessarily complicate the structure, or unfairly or inequitably distribute voting power among security holders, of such holding-company system. In carrying out the provisions of this paragraph the Commission shall require each registered holding company (and any company in the same holding-company system with such holding company) to take such action as the Commission shall find necessary in order that such holding company shall cease to be a holding company with respect to each of its subsidiary companies which itself has a subsidiary company which is a holding company. Except for the purpose of fairly and equitably distributing voting power among the security holders of such company, nothing in this paragraph shall authorize the Commission to require any change in the corporate structure or existence of any company which is not a holding company, or of any company whose principal business is that of a public-utility company.

The Commission may by order revoke or modify any order previously made under this subsection, if, after notice and opportunity for hearing, it finds that the conditions upon which the order was predicated do not exist. Any order made under this subsection shall be subject to judicial review as provided in section 24.

(c) Any order under subsection (b) shall be complied with within one year from the date of such order; but the Commission shall, upon a showing (made before or after the entry of such order) that the applicant has been or will be unable in the exercise of due diligence to comply with such order within such time, extend such time for an additional period not exceeding one year if it finds such extension necessary or appropriate in the public interest or for the protection of investors or consumers.

(d) The Commission may apply to a court, in accordance with the provisions of subsection (f) of section 18, to enforce compliance with any order issued under subsection (b). In any such proceeding, the court as a court of equity may, to such extent as it deems necessary for purposes of enforcement of such order, take exclusive jurisdiction and possession of the company or companies and the assets thereof, wherever located; and the court shall have jurisdiction, in any such proceeding, to appoint a trustee, and the court may constitute and appoint the Commission as sole trustee, to hold or administer under the direction of the court the assets so possessed. In any proceeding for the enforcement of an order of the Commission issued under subsection (b), the trustee with the approval of the court shall have power to dispose of any or all of such assets and, subject to such terms and conditions as the court may prescribe, may make such disposition in accordance with a fair and equitable reorganization plan which shall have been approved by the Commission after opportunity for hearing. Such reorganization

plan may be proposed in the first instance by the Commission, or, subject to such rules and regulations as the Commission may deem necessary or appropriate in the public interest or for the protection of investors, by any person having a bona fide interest (as defined by the rules and regulations of the Commission) in the reorganization.

(e) In accordance with such rules and regulations or order as the Commission may deem necessary or appropriate in the public interest or for the protection of investors or consumers, any registered holding company or any subsidiary company of a registered holding company may, at any time after January 1, 1936, submit a plan to the Commission for the divestment of control, securities, or other assets, or for other action by such company or any subsidiary company thereof for the purpose of enabling such company or any subsidiary company thereof to comply with the provisions of subsection (b). If, after notice and opportunity for hearing, the Commission shall find such plan, as submitted or as modified, necessary to effectuate the provisions of subsection (b) and fair and equitable to the persons affected by such plan, the Commission shall make an order approving such plan; and the Commission, at the request of the company, may apply to a court, in accordance with the provisions of subsection (f) of section 18, to enforce and carry out the terms and provisions of such plan. If, upon any such application, the court, after notice and opportunity for hearing, shall approve such plan as fair and equitable and as appropriate to effectuate the provisions of section 11, the court as a court of equity may, to such extent as it deems necessary for the purpose of carrying out the terms and provisions of such plan, take exclusive jurisdiction and possession of the company or companies and the assets thereof, wherever located; and the court shall have jurisdiction to appoint a trustee, and the court may constitute and appoint the Commission as sole trustee, to hold or administer, under the direction of the court and in accordance with the plan theretofore approved by the court and the Commission, the assets so possessed.

(f) In any proceeding in a court of the United States, whether under this section or otherwise, in which a receiver or trustee is appointed for any registered holding company, or any subsidiary company thereof, the court may constitute and appoint the Commission as sole trustee or receiver, subject to the directions and orders of the court, whether or not a trustee or receiver shall theretofore have been appointed, and in any such proceeding the court shall not appoint any person other than the Commission trustee or receiver without notifying the Commission and giving it an opportunity to be heard before making any such appointment. In no proceeding under this section or otherwise shall the Commission be appointed as trustee or receiver without its express consent. In any such proceeding a reorganization plan for a registered holding company or any subsidiary company thereof shall not become effective unless such plan shall have been approved by the Commission after opportunity for hearing prior to its submission to the court. Notwithstanding any other provision of law, any such reorganization plan may be proposed in the first instance by the Commission or, subject to such rules and regulations as the Commission may deem necessary or appropriate in the public interest or for the pro-

tection of investors, by any person having a bona fide interest (as defined by the rules and regulations of the Commission) in the reorganization. The Commission may, by such rules and regulations or order as it may deem necessary or appropriate in the public interest or for the protection of investors or consumers, require that any or all fees, expenses, and remuneration, to whomsoever paid, in connection with any reorganization, dissolution, liquidation, bankruptcy, or receivership of a registered holding company or subsidiary company thereof, in any such proceeding, shall be subject to approval by the Commission.

(g) It shall be unlawful for any person to solicit or permit the use of his or its name to solicit, by use of the mails or any means or instrumentality of interstate commerce, or otherwise, any proxy, consent, authorization, power of attorney, deposit, or dissent in respect of any reorganization plan of a registered holding company or any subsidiary company thereof under this section, or otherwise, or in respect of any plan under this section for the divestment of control, securities, or other assets, or for the dissolution of any registered holding company or any subsidiary company thereof, unless—

(1) the plan has been proposed by the Commission, or the plan and such information regarding it and its sponsors as the Commission may deem necessary or appropriate in the public interest or for the protection of investors or consumers has been submitted to the Commission by a person having a bona fide interest (as defined by the rules and regulations of the Commission) in such reorganization;

(2) each such solicitation is accompanied or preceded by a copy of a report on the plan which shall be made by the Commission after an opportunity for a hearing on the plan and other plans submitted to it, or by an abstract of such report made or approved by the Commission; and

(3) each such solicitation is made not in contravention of such rules and regulations or orders as the Commission may deem necessary or appropriate in the public interest or for the protection of investors or consumers.

Nothing in this subsection or the rules and regulations thereunder shall prevent any person from appearing before the Commission or any court through an attorney or proxy.

directly, to lend or in any manner extend its credit to or indemnify any company in the same holding-company system in contravention of such rules and regulations or orders as the Commission deems necessary or appropriate in the public interest or for the protection of investors or consumers or to prevent the circumvention of the provisions of this title or the rules, regulations, or orders thereunder.

(c) It shall be unlawful for any registered holding company or any subsidiary company thereof, by use of the mails or any means or instrumentality of interstate commerce, or otherwise, to declare or pay any dividend on any security of such company or to acquire, retire, or redeem any security of such company, in contravention of such rules and regulations or orders as the Commission deems necessary or appropriate to protect the financial integrity of companies in holding-company systems, to safeguard the working capital of public-utility companies, to prevent the payment of dividends out of capital or unearned surplus, or to prevent the circumvention of the provisions of this title or the rules, regulations, or orders thereunder.

(d) It shall be unlawful for any registered holding company, by use of the mails or any means or instrumentality of interstate commerce, or otherwise, to sell any security which it owns of any public-utility company, or any utility assets, in contravention of such rules and regulations or orders regarding the consideration to be received for such sale, maintenance of competitive conditions, fees and commissions, accounts, disclosure of interest, and similar matters as the Commission deems necessary or appropriate in the public interest or for the protection of investors or consumers or to prevent the circumvention of the provisions of this title or the rules, regulations, or orders thereunder.

(e) It shall be unlawful for any person to solicit or to permit the use of his or its name to solicit, by use of the mails or any means or instrumentality of interstate commerce, or otherwise, any proxy, power of attorney, consent, or authorization regarding any security of a registered holding company or a subsidiary company thereof in contravention of such rules and regulations or orders as the Commission deems necessary or appropriate in the public interest or for the protection of investors or consumers or to prevent the circumvention of the provisions of this title or the rules, regulations, or orders thereunder.

(f) It shall be unlawful for any registered holding company or subsidiary company thereof, by use of the mails or any means or instrumentality of interstate commerce, or otherwise, to negotiate, enter into, or take any step in the performance of any transaction not otherwise unlawful under this title, with any company in the same holding-company system or with any affiliate of a company in such holding-company system in contravention of such rules and regulations or orders regarding reports, accounts, costs, maintenance of competitive conditions, a disclosure of interest, duration of contracts, and similar matters as the Commission deems necessary or appropriate in the public interest or for the protection of investors or consumers or to prevent the circumvention of the provisions of this title or the rules and regulations thereunder.

(g) It shall be unlawful for any affiliate of any public-utility company, by use of the mails or any means or instrumentality of interstate commerce, or for any affiliate of any public-utility company engaged in interstate commerce, or of any registered holding company or any subsidiary company thereof, by use of the mails or any means or instrumentality of interstate commerce, or otherwise, to negotiate, enter into, or take any step in the performance of any transaction not otherwise unlawful under this title, with any such company of which it is an affiliate, in contravention of such rules and regulations or orders regarding reports, accounts, costs, maintenance of competitive conditions, disclosure of interest, duration of contracts, and similar matters as the Commission deems necessary or appropriate to prevent the circumvention of the provisions of this title.

(h) It shall be unlawful for any registered holding company, or any subsidiary company thereof, by use of the mails or any means or instrumentality of interstate commerce, or otherwise, directly or indirectly—

(1) to make any contribution whatsoever in connection with the candidacy, nomination, election or appointment of any person for or to any office or position in the Government of the United States, a State, or any political subdivision of a State, or any agency, authority, or instrumentality of any one or more of the foregoing; or

(2) to make any contribution to or in support of any political party or any committee or agency thereof.

The term “contribution” as used in this subsection includes any gift, subscription, loan, advance, or deposit of money or anything of value, and includes any contract, agreement, or promise, whether or not legally enforceable, to make a contribution.

(i) It shall be unlawful for any person employed or retained by any registered holding company, or any subsidiary company thereof, to present, advocate, or oppose any matter affecting any registered holding company or any subsidiary company thereof, before the Congress or any Member or committee thereof, or before the Commission or Federal Power Commission, or any member, officer, or employee of either such Commission, unless such person shall file with the Commission in such form and detail and at such time as the Commission shall by rules and regulations or order prescribe as necessary or appropriate in the public interest or for the protection of investors or consumers, a statement of the subject matter in respect of which such person is retained or employed, the nature and character of such retainer or employment, and the amount of compensation received or to be received by such person, directly or indirectly, in connection therewith. It shall be the duty of every such person so employed or retained to file with the Commission within ten days after the close of each calendar month during such retainer or employment, in such form and detail as the Commission shall by rules and regulations or order prescribe as necessary or appropriate in the public interest or for the protection of investors or consumers, a statement of the expenses incurred and the compensation received by such person during such month in connection with such retainer or employment.

## SERVICE, SALES, AND CONSTRUCTION CONTRACTS

SEC. 13. [79m] (a) After April 1, 1936, it shall be unlawful for any registered holding company, by use of the mails or any means or instrumentality of interstate commerce, or otherwise, to enter into or take any step in the performance of any service, sales, or construction contract by which such company undertakes to perform services or construction work for, or sell goods to, any associate company thereof which is a public-utility or mutual service company. This provision shall not apply to such transactions, involving special or unusual circumstances or not in the ordinary course of business, as the Commission by rules and regulations or order may conditionally or unconditionally exempt as being necessary or appropriate in the public interest or for the protection of investors or consumers.

(b) After April 1, 1936, it shall be unlawful for any subsidiary company of any registered holding company or for any mutual service company, by use of the mails or any means or instrumentality of interstate commerce, or otherwise, to enter into or take any step in the performance of any service, sales, or construction contract by which such company undertakes to perform services or construction work for, or sell goods to, any associate company thereof except in accordance with such terms and conditions and subject to such limitations and prohibitions as the Commission by rules and regulations or order shall prescribe as necessary or appropriate in the public interest or for the protection of investors or consumers and to insure that such contracts are performed economically and efficiently for the benefit of such associate companies at cost, fairly and equitably allocated among such companies. This provision shall not apply to such transactions as the Commission by rules and regulations or order may conditionally or unconditionally exempt as being necessary or appropriate in the public interest or for the protection of investors or consumers, if such transactions (1) are with any associate company which does not derive, directly or indirectly, any material part of its income from sources within the United States and which is not a public-utility company operating within the United States, or (2) involve special or unusual circumstances or are not in the ordinary course of business.

(c) The rules and regulations and orders of the Commission under this section may prescribe, among other things, such terms and conditions regarding the determination of costs and the allocation thereof among specified classes of companies and for specified classes of service, sales, and construction contracts, the duration of such contracts, the making and keeping of accounts and cost-accounting procedures, the filing of annual and other periodic and special reports, the maintenance of competitive conditions, the disclosure of interests, and similar matters, as the Commission deems necessary or appropriate in the public interest or for the protection of investors or consumers.

(d) The rules and regulations and orders of the Commission under this section shall prescribe, among other things, such terms and conditions regarding the manner in which application may be made for approval as a mutual service company and the granting and continuance of such approval, the nature and enforcement of

agreements for the sharing of expenses and distributing of revenues among member companies, and matters relating to such agreements, the nature and types of businesses and transactions in which mutual service companies may engage, and the manner of engaging therein, and the relations and transactions with member companies and affiliates, as the Commission deems necessary or appropriate in the public interest or for the protection of investors or consumers. The Commission shall not approve, or continue the approval of, any company as a mutual service company unless the Commission finds such company is so organized as to ownership, costs, revenues, and the sharing thereof as reasonably to insure the efficient and economical performance of service, sales, or construction contracts by such company for member companies, at cost fairly and equitably allocated among such member companies, at a reasonable saving to member companies over the cost to such companies of comparable contracts performed by independent persons. The Commission, upon its own motion or at the request of a member company or a State commission, may, after notice and opportunity for hearing, by order require a reallocation or reapportionment of costs among member companies of a mutual service company if it finds the existing allocation inequitable and may require the elimination of a service or services to a member company which does not bear its fair proportion of costs or which, by reason of its size or other circumstances, does not require such service or services. The Commission, after notice and opportunity for hearing, by order shall revoke, suspend, or modify the approval given any mutual service company if it finds that such company has persistently violated any provision of this section or any rule, regulation, or order thereunder.

(e) It shall be unlawful for any affiliate of any public-utility company engaged in interstate commerce, or of any registered holding company or subsidiary company thereof, by use of the mails or any means or instrumentality of interstate commerce, or otherwise, to enter into or take any step in the performance of any service, sales, or construction contract, by which such affiliate undertakes to perform services or construction work for, or sell goods to, any such company of which it is an affiliate, in contravention of such rules and regulations or orders regarding reports, accounts, costs, maintenance of competitive conditions, disclosure of interest, duration of contracts, and similar matters, as the Commission deems necessary or appropriate to prevent the circumvention of the provisions of this title or the rules, regulations, or orders thereunder.

(f) It shall be unlawful for any person whose principal business is the performance of service, sales, or construction contracts for public-utility or holding companies, by use of the mails or any means or instrumentality of interstate commerce, to enter into or take any step in the performance of any service, sales, or construction contract with any public-utility company, or for any such person, by use of the mails or any means or instrumentality of interstate commerce, or otherwise, to enter into or take any step in the performance of any service, sales, or construction contract with any public-utility company engaged in interstate commerce, or with any registered holding company or any subsidiary company of a registered holding company, in contravention of such rules and regula-

tions or orders regarding reports, accounts, costs, maintenance of competitive conditions, disclosure of interest, duration of contracts, and similar matters as the Commission deems necessary or appropriate in the public interest or for the protection of investors or consumers or to prevent the circumvention of the provisions of this title or the rules, regulations, or orders thereunder.

(g) The Commission, in order to obtain information to serve as a basis for recommending further legislation, shall from time to time conduct investigations regarding the making, performance, and costs of service, sales, and construction contracts with holding companies and subsidiary companies thereof and with public-utility companies, the economies resulting therefrom, and the desirability thereof. The Commission shall report to Congress, from time to time, the results of such investigations, together with such recommendations for legislation as it deems advisable. On the basis of such investigations the Commission shall classify the different types of such contracts and the work done thereunder, and shall make recommendations from time to time regarding the standards and scope of such contracts in relation to public-utility companies of different kinds and sizes and the costs incurred thereunder and economies resulting therefrom. Such recommendations shall be made available to State commissions, public-utility companies, and to the public in such form and at such reasonable charge as the Commission may prescribe.

#### PERIODIC AND OTHER REPORTS

SEC. 14. [79n] Every registered holding company and every mutual service company shall file with the Commission such annual, quarterly, and other periodic and special reports, the answers to such specific questions and the minutes of such directors', stockholders', and other meetings, as the Commission may by rules and regulations or order prescribe as necessary or appropriate in the public interest or for the protection of investors or consumers. Such reports, if required by the rules and regulations of the Commission, shall be certified by an independent public accountant, and shall be made and filed at such time and in such form and detail as the Commission shall prescribe. The Commission may require that there be included in reports filed with it such information and documents as it finds necessary or appropriate to keep reasonably current the information filed under section 5 or 13, and such further information concerning the financial condition, security structure, security holdings, assets, and cost thereof, wherever determinable, and affiliations of the reporting company and the associate companies, member companies, and affiliates thereof as the Commission deems necessary or appropriate in the public interest or for the protection of investors or consumers.

#### ACCOUNTS AND RECORDS

SEC. 15. [79o] (a) Every registered holding company and every subsidiary company thereof shall make, keep, and preserve for such periods, such accounts, cost-accounting procedures, correspondence, memoranda, papers, books, and other records as the Commission deems necessary or appropriate in the public interest

or for the protection of investors or consumers or for the enforcement of the provisions of this title or the rules, regulations, or orders thereunder.

(b) Every affiliate of a registered holding company or of any subsidiary company thereof, or of any public-utility company engaged in interstate commerce or not so engaged, shall make, keep, and preserve for such periods, such accounts, cost-accounting procedures, correspondence, memoranda, papers, books, and other records relating to any transaction of such affiliate which is subject to any provision of this title or any rule, regulation, or order thereunder, as the Commission deems necessary or appropriate in the public interest or for the protection of investors or consumers or for the enforcement of the provisions of this title or the rules, regulations, or orders thereunder.

(c) Every mutual service company, and every affiliate of a mutual service company as to any transaction of such affiliate which is subject to any provision of this title or any rule, regulation, or order thereunder, shall make, keep, and preserve for such periods, such accounts, cost-accounting procedures, correspondence, memoranda, papers, books, and other records, as the Commission deems necessary or appropriate in the public interest or for the protection of investors or consumers or for the enforcement of the provisions of this title or the rules, regulations, or orders thereunder.

(d) Every person whose principal business is the performance of service, sales, or construction contracts for public-utility or holding companies shall make, keep, and preserve for such periods, such accounts, cost-accounting procedures, correspondence, memoranda, papers, books, and other records, relating to any transaction by such person which is subject to any provision of this title or any rule, regulation, or order thereunder, as the Commission deems necessary or appropriate in the public interest or for the protection of investors or consumers or for the enforcement of the provisions of this title or the rules and regulations thereunder.

(e) After the Commission has prescribed the form and manner of making and keeping accounts, cost-accounting procedures, correspondence, memoranda, papers, books, and other records to be kept by any person hereunder, it shall be unlawful for any such person to keep any accounts, cost-accounting procedures, correspondence, memoranda, papers, books, or other records other than those prescribed or such as may be approved by the Commission, or to keep his or its accounts, cost-accounting procedures, correspondence, memoranda, papers, books, or other records in any manner other than that prescribed or approved by the Commission.

(f) All accounts, cost-accounting procedures, correspondence, memoranda, papers, books, and other records kept or required to be kept by persons subject to any provision of this section shall be subject at any time and from time to time to such reasonable periodic, special, and other examinations by the Commission, or any member or representative thereof, as the Commission may prescribe. The Commission, after notice and opportunity for hearing, may prescribe the account or accounts in which particular outlays, receipts, and other transactions shall be entered, charged, or credited and the manner in which such entry, charge, or credit shall

be made, and may require an entry to be modified or supplemented so as properly to show the cost of any asset or any other cost.

(g) It shall be the duty of every registered holding company and of every subsidiary company thereof and of every affiliate of a company insofar as such affiliate is subject to any provision of this title or any rule, regulation, or order thereunder, to submit the accounts, cost-accounting procedures, correspondence, memoranda, papers, books, and other records of such holding company, subsidiary company, or affiliate, as the case may be, to such examinations, in person or by duly appointed attorney, by the holder of any security of such holding company, subsidiary company, or affiliate, as the case may be, as the Commission deems necessary or appropriate in the public interest or for the protection of investors or consumers.

(h) It shall be the duty of every mutual service company, and of every affiliate of a mutual service company, and of every person whose principal business is the performance of service, sales, or construction contracts for public-utility or holding companies, insofar as such affiliate or such person is subject to any provision of this title or any rule, regulation, or order thereunder, to submit the accounts, cost-accounting procedures, correspondence, memoranda, papers, books, and other records of such mutual service company, affiliate, or person to such examinations, in person or by duly appointed attorney, by member companies of such mutual service company and by public-utility or holding companies for which such person performs service, sales, or construction contracts as the Commission deems necessary or appropriate in the public interest or for the protection of investors or consumers.

(i) The Commission, by such rules and regulations as it deems necessary or appropriate in the public interest or for the protection of investors or consumers may prescribe for persons subject to the provisions of subsection (a), (b), (c), or (d) of this section uniform methods for keeping accounts required under any provision of this section, including, among other things, the manner in which the cost of all assets, whenever determinable, shall be shown, the methods of classifying and segregating accounts, and the manner in which cost-accounting procedures shall be maintained.

#### LIABILITY FOR MISLEADING STATEMENTS

SEC. 16. [79p] (a) Any person who shall make or cause to be made any statement in any application, report, registration statement, or document filed pursuant to any provision of this title, or any rule, regulation, or order thereunder, which statement was at the time and in the light of the circumstances under which it was made false or misleading with respect to any material fact shall be liable in the same manner, to the same extent, and subject to the same limitations as provided in section 18 of the Securities Exchange Act of 1934 with respect to an application, report, or document filed pursuant to the Securities Exchange Act of 1934.

(b) The rights and remedies provided by this title, except as provided in section 17(b), shall be in addition to any and all other rights and remedies that may exist under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, or otherwise at law or in equity; but no person permitted to maintain a

suit for damages under the provisions of this title shall recover, through satisfaction of judgment in one or more actions, a total amount in excess of his actual damages on account of the act complained of.

OFFICERS, DIRECTORS, AND OTHER AFFILIATES

SEC. 17. [79q] (a) Every person who is an officer or director of a registered holding company shall file with the Commission in such form as the Commission shall prescribe (1) at the time of the registration of such holding company, or within ten days after such person becomes an officer or director, a statement of the securities of such registered holding company or any subsidiary company thereof of which he is, directly or indirectly, the beneficial owner, and (2) within ten days after the close of each calendar month thereafter, if there has been any change in such ownership during such month, a statement of such ownership as of the close of such calendar month and of the changes in such ownership that have occurred during such calendar month.

(b) For the purpose of preventing the unfair use of information which may have been obtained by any such officer or director by reason of his relationship to such registered holding company or any subsidiary company thereof, any profit realized by any such officer or director from any purchase and sale, or any sale and purchase, of any security of such registered holding company or any subsidiary company thereof within any period of less than six months, unless such security was acquired in good faith in connection with a debt previously contracted, shall inure to and be recoverable by the holding company or subsidiary company in respect of the security of which such profit was realized, irrespective of any intention on the part of such officer or director in entering into such transaction to hold the security purchased or not to repurchase the security sold for a period of more than six months. Suit to recover such profit may be instituted at law or in equity in any court of competent jurisdiction by the company entitled thereto or by the owner of any security of such company in the name and in the behalf of such company if such company shall fail or refuse to bring such suit within sixty days after request or shall fail diligently to prosecute the same thereafter; but no such suit shall be brought more than two years after the date such profit was realized. This subsection shall not cover any transaction where such person was not an officer or director at the times of the purchase and sale, or the sale and purchase, of the security involved, or any transaction or transactions which the Commission by rules and regulations may, as necessary or appropriate in the public interest or for the protection of investors or consumers, exempt as not comprehended within the purpose of this subsection. Nothing in this subsection shall be construed to give a remedy in the case of any transaction in respect of which a remedy is given under subsection (b) of section 16 of the Securities Exchange Act of 1934.

(c) After one year from the date of the enactment of this title, no registered holding company or any subsidiary company thereof shall have, as an officer or director thereof, any executive officer, director, partner, appointee, or representative of any bank, trust company, investment banker, or banking association or firm, or any

executive officer, director, partner, appointee, or representative of any corporation a majority of whose stock, having the unrestricted right to vote for the election of directors, is owned by any bank, trust company, investment banker, or banking association or firm, except in such cases as rules and regulations prescribed by the Commission may permit as not adversely affecting the public interest or the interest of investors or consumers.

INVESTIGATIONS; INJUNCTIONS, ENFORCEMENT OF TITLE, AND  
PROSECUTION OF OFFENSES

SEC. 18. **[79r]** (a) The Commission, in its discretion, may investigate any facts, conditions, practices, or matters which it may deem necessary or appropriate to determine whether any person has violated or is about to violate any provision of this title or any rule or regulation thereunder, or to aid in the enforcement of the provisions of this title, in the prescribing of rules and regulations thereunder, or in obtaining information to serve as a basis for recommending further legislation concerning the matters to which this title relates. The Commission may require or permit any person to file with it a statement in writing, under oath or otherwise as it shall determine, as to any or all facts and circumstances concerning a matter which may be the subject of investigation. The Commission, in its discretion, may publish, or make available to State commissions, information concerning any such subject.

(b) The Commission upon its own motion or at the request of a State commission may investigate, or obtain any information regarding the business, financial condition, or practices of any registered holding company or subsidiary company thereof or facts, conditions, practices, or matters affecting the relations between any such company and any other company or companies in the same holding-company system.

(c) For the purpose of any investigation or any other proceeding under this title, any member of the Commission, or any officer thereof designated by it, is empowered to administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of any books, papers, correspondence, memoranda, contracts, agreements, or other records which the Commission deems relevant or material to the inquiry. Such attendance of witnesses and the production of any such records may be required from any place in any State or in any Territory or other place subject to the jurisdiction of the United States at any designated place of hearing.

(d) In case of contumacy by, or refusal to obey a subpoena issued to, any person, the Commission may invoke the aid of any court of the United States within the jurisdiction of which such investigation or proceeding is carried on, or where such person resides or carries on business, in requiring the attendance and testimony of witnesses and the production of books, papers, correspondence, memoranda, contracts, agreements, and other records. And such court may issue an order requiring such person to appear before the Commission or member or officer designated by the Commission, there to produce records, if so ordered, or to give testimony touching the matter under investigation or in question; and any failure to obey such order of the court may be punished by

such court as a contempt thereof. All process in any such case may be served in the judicial district whereof such person is an inhabitant or wherever he may be found. Any person who, without just cause, shall fail or refuse to attend and testify or to answer any lawful inquiry or to produce books, papers, correspondence, memoranda, contracts, agreements, or other records, if in his or its power so to do, in obedience to the subpoena of the Commission, shall be guilty of a misdemeanor and, upon conviction, shall be subject to a fine of not more than \$1,000 or to imprisonment for a term of not more than one year, or both.

(e) Whenever it shall appear to the Commission that any person is engaged or about to engage in any acts or practices which constitute or will constitute a violation of the provisions of this title, or of any rule, regulation, or order thereunder, it may in its discretion bring an action in the proper district court of the United States or the United States courts of any Territory or other place subject to the jurisdiction of the United States, to enjoin such acts or practices and to enforce compliance with this title or any rule, regulation, or order thereunder, and upon a proper showing a permanent or temporary injunction or decree or restraining order shall be granted without bond. The Commission may transmit such evidence as may be available concerning such acts or practices to the Attorney General, who, in his discretion, may institute the appropriate criminal proceedings under this title.

(f) Upon application of the Commission, the district courts of the United States, and the United States courts of any Territory or other place subject to the jurisdiction of the United States shall have jurisdiction to issue writs of mandamus commanding any person to comply with the provisions of this title or any rule, regulation, or order of the Commission thereunder.

#### HEARINGS BY COMMISSION

SEC. 19. [79s] Hearings may be public and may be held before the Commission, any member or members thereof, or any officer or officers of the Commission designated by it, and appropriate records thereof shall be kept. In any proceeding before the Commission, the Commission, in accordance with such rules and regulations as it may prescribe, shall admit as a party any interested State, State commission, State securities commission, municipality, or other political subdivision of a State, and may admit as a party any representative of interested consumers or security holders, or any other person whose participation in the proceedings may be in the public interest or for the protection of investors or consumers.

#### RULES, REGULATIONS, AND ORDERS

SEC. 20. [79t] (a) The Commission shall have authority from time to time to make, issue, amend, and rescind such rules and regulations and such orders as it may deem necessary or appropriate to carry out the provisions of this title, including rules and regulations defining accounting, technical, and trade terms used in this title. Among other things, the Commission shall have authority, for the purpose of this title, to prescribe the form or forms in which information required in any statement, declaration, applica-

tion, report, or other document filed with the Commission shall be set forth, the items or details to be shown in balance sheets, profit and loss statements, and surplus accounts, the manner in which the cost of all assets, whenever determinable, shall be shown in regard to such statements, declarations, applications, reports, and other documents filed with the Commission, or accounts required to be kept by the rules, regulations, or orders of the Commission, and the methods to be followed in the keeping of accounts and cost-accounting procedures and the preparation of reports, in the segregation and allocation of costs, in the determination of liabilities, in the determination of depreciation and depletion, in the differentiation of recurring and nonrecurring income, in the differentiation of investment and operating income, and in the keeping or preparation, where the Commission deems it necessary or appropriate, of separate or consolidated balance sheets or profit and loss statements for any companies in the same holding-company system.

(b) In the case of the accounts of any company whose methods of accounting are prescribed under the provisions of any law of the United States or of any State, the rules and regulations or orders of the Commission in respect of accounts shall not be inconsistent with the requirements imposed by such law or any rule or regulation thereunder; nor shall anything in this title relieve any public-utility company from the duty to keep the accounts, books, records, or memoranda which may be required to be kept by the law of any State in which it operates or by the State commission of any such State. But this provision shall not prevent the Commission from imposing such additional requirements regarding reports or accounts as it may deem necessary or appropriate in the public interest or for the protection of investors or consumers.

(c) The rules and regulations of the Commission shall be effective upon publication in the manner which the Commission shall prescribe. For the purpose of its rules, regulations, or orders the Commission may classify persons and matters within its jurisdiction and prescribe different requirements for different classes of persons or matters. Orders of the Commission under this title shall be issued only after opportunity for hearing.

(d) The Commission, by such rules and regulations or order as it deems necessary or appropriate in the public interest or for the protection of investors or consumers, may authorize the filing of any information or documents required to be filed with the Commission under this title, or under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, by incorporating by reference any information or documents theretofore or concurrently filed with the Commission under this title or either of such Acts. No provision of this title imposing any liability shall apply to any act done or omitted in good faith in conformity with any rule, regulation, or order of the Commission, notwithstanding that such rule, regulation, or order may, after such act or omission, be amended or rescinded or be determined by judicial or other authority to be invalid for any reason.

#### EFFECT ON EXISTING LAW

SEC. 21. [79u] Nothing in this title shall affect (1) the jurisdiction of the Commission under the Securities Act of 1933, as

amended, or the Securities Exchange Act of 1934 over any person, security, or contract, or (2) the rights, obligations, duties, or liabilities of any person under such Acts; nor shall anything in this title affect the jurisdiction of any other commission, board, agency, or officer of the United States or of any State or political subdivision of any State, over any person, security, or contract, insofar as such jurisdiction does not conflict with any provision of this title or any rule, regulation, or order thereunder.

#### INFORMATION FILED WITH THE COMMISSION

SEC. 22. [79v] (a) When in the judgment of the Commission the disclosure of such information would be in the public interest or the interest of investors or consumers, the information contained in any statement, application, declaration, report, or other document filed with the Commission shall be available to the public, and copies thereof may be furnished to any person at such reasonable charge and under such reasonable limitations as the Commission may prescribe: *Provided, however,* That nothing in this title shall be construed to require, or to authorize the Commission to require, the revealing of trade secrets or processes in any application, declaration, report, or document filed with the Commission under this title.

(b) Any person filing such application, declaration, report, or document may make written objection to the public disclosure of information contained therein, stating the grounds for such objection, and the Commission is authorized to hear objections in any such case where it finds it advisable.

(c) It shall be unlawful for any member, officer, or employee of the Commission to disclose to any person other than a member, officer, or employee of the Commission, or to use for personal benefit, any information contained in any application, declaration, report, or document filed with the Commission which is not made available to the public pursuant to this section.

#### ANNUAL REPORTS OF COMMISSION

SEC. 23. [79w] The Commission shall submit annually a report to the Congress covering the work of the Commission for the preceding year and including such information, data, and recommendations for further legislation in connection with the matters covered by this title as it may find advisable.

#### COURT REVIEW OF ORDERS

SEC. 24. [79x] (a) Any person or party aggrieved by an order issued by the Commission under this title may obtain a review of such order in the court of appeals of the United States within any circuit wherein such person resides or has his principal place of business, or in the United States Court of Appeals for the District of Columbia, by filing in such court, within sixty days after the entry of such order, a written petition praying that the order of the Commission be modified or set aside in whole or in part. A copy of such petition shall be forthwith transmitted by the clerk of the court to any member of the Commission, or any officer thereof designated by the Commission for that purpose, and thereupon the

Commission shall file in the court the record upon which the order complained of was entered, as provided in section 2112 of title 28, United States Code. Upon the filing of such petition such court shall have jurisdiction, which upon the filing of the record shall be exclusive, to affirm, modify, or set aside such order, in whole or in part. No objection to the order of the Commission shall be considered by the court unless such objection shall have been urged before the Commission or unless there were reasonable grounds for failure so to do. The findings of the Commissions as to the facts, if supported by substantial evidence, shall be conclusive. If application is made to the court for leave to adduce additional evidence, and it is shown to the satisfaction of the court that such additional evidence is material and that there were reasonable grounds for failure to adduce such evidence in the proceeding before the Commission, the court may order such additional evidence to be taken before the Commission and to be adduced upon the hearing in such manner and upon such terms and conditions as to the court may seem proper. The Commission may modify its findings as to the facts by reason of the additional evidence so taken, and it shall file with the court such modified or new findings, which, if supported by substantial evidence, shall be conclusive, and its recommendation, if any, for the modification or setting aside of the original order. The judgment and decree of the court affirming, modifying, or setting aside, in whole or in part, any such order of the Commission shall be final, subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28, United States Code.

(b) The commencement of proceedings under subsection (a) shall not, unless specifically ordered by the court, operate as a stay of the Commission's order.

#### JURISDICTION OF OFFENSES AND SUITS

SEC. 25. **SEC. 32. [79z-5a] EXEMPT WHOLESALE GENERATORS.**

(a) DEFINITIONS.—For purposes of this section—

(1) EXEMPT WHOLESALE GENERATOR.—The term “exempt wholesale generator” means any person determined by the Federal Energy Regulatory Commission to be engaged directly, or indirectly through one or more affiliates as defined in section 2(a)(11)(B), and exclusively in the business of owning or operating, or both owning and operating, all or part of one or more eligible facilities and selling electric energy at wholesale. No person shall be deemed to be an exempt wholesale generator under this section unless such person has applied to the Federal Energy Regulatory Commission for a determination under this paragraph. A person applying in good faith for such a determination shall be deemed an exempt wholesale generator under this section, with all of the exemptions provided by this section, until the Federal Energy Regulatory Commission makes such determination. The Federal Energy Regulatory Commission shall make such determination within 60 days of its receipt of such application and shall notify the Commission whenever a determination is made under this paragraph that any person is an exempt wholesale generator. Not later than 12 months after the date of enactment of this section, the Federal Energy Regulatory Commission shall promulgate rules implementing the provisions of this paragraph. Applications for determination filed after the effective date of such rules shall be subject thereto.

(2) ELIGIBLE FACILITY.—The term “eligible facility” means a facility, wherever located, which is either—

(A) used for the generation of electric energy exclusively for sale at wholesale, or

(B) used for the generation of electric energy and leased to one or more public utility companies; *Provided*, That any such lease shall be treated as a sale of electric energy at wholesale for purposes of sections 205 and 206 of the Federal Power Act.

Such term shall not include any facility for which consent is required under subsection (c) if such consent has not been obtained. Such term includes interconnecting transmission facilities necessary to effect a sale of electric energy at wholesale. For purposes of this paragraph, the term “facility” may include a portion of a facility subject to the limitations of subsection (d) and shall include a facility the construction of which has not been commenced or completed.

(3) SALE OF ELECTRIC ENERGY AT WHOLESALE.—The term “sale of electric energy at wholesale” shall have the same meaning as provided in section 201(d) of the Federal Power Act (16 U.S.C. 824(d)).

(4) RETAIL RATES AND CHARGES.—The term “retail rates and charges” means rates and charges for the sale of electric energy directly to consumers.

(b) FOREIGN RETAIL SALES.—Notwithstanding paragraphs (1) and (2) of subsection (a), retail sales of electric energy produced by a facility located in a foreign country shall not prevent such facility from being an eligible facility, or prevent a person owning or operating, or both owning and operating, such facility from being an exempt wholesale generator if none of the electric energy generated by such facility is sold to consumers in the United States.

(c) STATE CONSENT FOR EXISTING RATE-BASED FACILITIES.—If a rate or charge for, or in connection with, the construction of a facility, or for electric energy produced by a facility (other than any portion of a rate or charge which represents recovery of the cost of a wholesale rate or charge) was in effect under the laws of any State as of the date of enactment of this section, in order for the facility to be considered an eligible facility, every State commission having jurisdiction over any such rate or charge must make a specific determination that allowing such facility to be an eligible facility (1) will benefit consumers, (2) is in the public interest, and (3) does not violate State law; *Provided*, That in the case of such a rate or charge which is a rate or charge of an affiliate of a registered holding company:

(A) such determination with respect to the facility in question shall be required from every State commission having jurisdiction over the retail rates and charges of the affiliates of such registered holding company; and

(B) the approval of the Commission under this Act shall not be required for the transfer of the facility to an exempt wholesale generator.

(d) HYBRIDS.—(1) No exempt wholesale generator may own or operate a portion of any facility if any other portion of the facility is owned or operated by an electric utility company that is an affiliate or associate company of such exempt wholesale generator.

(2) ELIGIBLE FACILITY.—Notwithstanding paragraph (1), an exempt wholesale generator may own or operate a portion of a facility identified in paragraph (1) if such portion has become an eligible facility as a result of the operation of subsection (c).

(e) EXEMPTION OF EWGS.—An exempt wholesale generator shall not be considered an electric utility company under section 2(a)(3) of this Act and, whether or not a subsidiary company, an affiliate, or an associate company of a holding company, an exempt wholesale generator shall be exempt from all provisions of this Act.

(f) OWNERSHIP OF EWGS BY EXEMPT HOLDING COMPANIES.—Notwithstanding any provision of this Act, a holding company that is exempt under section 3 of this Act shall be permitted, without condition or limitation under this Act, to acquire and maintain an interest in the business of one or more exempt wholesale generators.

(g) OWNERSHIP OF EWGS BY REGISTERED HOLDING COMPANIES.—Notwithstanding any provision of this Act and the Commission's jurisdiction as provided under subsection (h) of this section, a registered holding company shall be permitted (without the need to apply for, or receive, approval from the Commission, and otherwise without condition under this Act) to acquire and hold the securities, or an interest in the business, of one or more exempt wholesale generators.

(h) FINANCING AND OTHER RELATIONSHIPS BETWEEN EWGS AND REGISTERED HOLDING COMPANIES.—The issuance of securities by a registered holding company for purposes of financing the acquisition of an exempt wholesale generator, the guarantee of securities of an exempt wholesale generator by a registered holding company, the entering into service, sales or construction contracts, and the creation or maintenance of any other relationship in addition to that described in subsection (g) between an exempt wholesale generator and a registered holding company, its affiliates and associate companies, shall remain subject to the jurisdiction of the Commission under this Act: *Provided, That—*

(1) section 11 of this Act shall not prohibit the ownership of an interest in the business of one or more exempt wholesale generators by a registered holding company (regardless of where facilities owned or operated by such exempt wholesale generators are located), and such ownership by a registered holding company shall be deemed consistent with the operation of an integrated public utility system;

(2) the ownership of an interest in the business of one or more exempt wholesale generators by a registered holding company (regardless of where facilities owned or operated by such exempt wholesale generators are located) shall be considered as reasonably incidental, or economically necessary or appropriate, to the operations of an integrated public utility system;

(3) in determining whether to approve (A) the issue or sale of a security by a registered holding company for purposes of financing the acquisition of an exempt wholesale generator, or (B) the guarantee of a security of an exempt wholesale generator by a registered holding company, the Commission shall not make a finding that such security is not reasonably adapted to the earning power of such company or to the security structure of such company and other companies in the same holding company system, or that the circumstances are such as to constitute the making of such guarantee an improper risk for such company, unless the Commission first finds that the issue or sale of such security, or the making of the guarantee, would have a substantial adverse impact on the financial integrity of the registered holding company system;

(4) in determining whether to approve (A) the issue or sale of a security by a registered holding company for purposes other than the acquisition of an exempt wholesale generator, or (B) other transactions by such registered holding company or by its subsidiaries other than with respect to exempt wholesale generators, the Commission shall not consider the effect of the capitalization or earnings of any subsidiary which is an exempt wholesale generator upon the registered holding company system, unless the approval of the issue or sale or other transaction, together with the effect of such capitalization and earnings, would have a substantial adverse impact on the financial integrity of the registered holding company system;

(5) the Commission shall make its decision under paragraph (3) to approve or disapprove the issue or sale of a security or the guarantee of a security within 120 days of the filing of a declaration concerning such issue, sale or guarantee; and

(6) the Commission shall promulgate regulations with respect to the actions which would be considered, for purposes of this subsection, to have a substantial adverse impact on the financial integrity of the registered holding company system; such regulations shall ensure that the action has no adverse impact on any utility subsidiary or its customers, or on the ability of State commissions to protect such subsidiary or customers, and shall take into account the amount and type of capital invested in exempt wholesale generators, the ratio of such capital to the total capital invested in utility operations, the availability of books and records, and the financial and operating experience of the registered holding company and the exempt wholesale generator; the Commission shall promulgate such regulations within 6 months after the enactment of this section; after such 6-month period the Commission shall not approve any actions under paragraph (3), (4) or (5) except in accordance with such issued regulations.

(i) APPLICATION OF ACT TO OTHER ELIGIBLE FACILITIES.—In the case of any person engaged directly and exclusively in the business of owning or operating (or both owning and operating) all or part of one or more eligible facilities, an advisory letter issued by the Commission staff under this Act after the date of enactment of this section, or an order issued by the Commission under this Act after the date of enactment of this section, shall not be required for the purpose, or have the effect, of exempting such person from treatment as an electric utility company under section 2(a)(3) or exempting such person from any provision of this Act.

(j) OWNERSHIP OF EXEMPT WHOLESALE GENERATORS AND QUALIFYING FACILITIES.—The ownership by a person of one or more exempt wholesale generators shall not result in such person being considered as being primarily engaged in the generation or sale of electric power within the meaning of sections 3(17)(C)(ii) and 3(18)(B)(ii) of the Federal Power Act (16 U.S.C. 796(17)(C)(ii) and 796(18)(B)(ii)).

(k) PROTECTION AGAINST ABUSIVE AFFILIATE TRANSACTIONS.—

(1) PROHIBITION.—After the date of enactment of this section, an electric utility company may not enter into a contract to purchase electric energy at wholesale from an exempt wholesale generator if the exempt wholesale generator is an affiliate or associate company of the electric utility company.

(2) STATE AUTHORITY TO EXEMPT FROM PROHIBITION.—Notwithstanding paragraph (1), an electric utility company may enter into a contract to purchase electric energy at wholesale from an exempt wholesale generator that is an affiliate or associate company of the electric utility company—

(A) if every State commission having jurisdiction over the retail rates of such electric utility company makes each of the following specific determinations in advance of the electric utility company entering into such contract:

(i) A determination that such commission has sufficient regulatory authority, resources and access to books and records of the electric utility company and any relevant associate, affiliate or subsidiary company to exercise its duties under this subparagraph.

- (ii) A determination that the transaction—
  - (I) will benefit consumers,
  - (II) does not violate any State law (including where applicable, least cost planning),
  - (III) would not provide the exempt wholesale generator any unfair competitive advantage by virtue of its affiliation or association with the electric utility company, and
  - (IV) is in the public interest; or
- (B) if such electric utility company is not subject to State commission retail rate regulation and the purchased electric energy:
  - (i) would not be resold to any affiliate or associate company, or
  - (ii) the purchased electric energy would be resold to an affiliate or associate company and every State commission having jurisdiction over the retail rates of such affiliate or associate company makes each of the determinations provided under subparagraph (A), including the determination concerning a State commission's duties.

(1) **RECIPROCAL ARRANGEMENTS PROHIBITED.**—Reciprocal arrangements among companies that are not affiliates or associate companies of each other that are entered into in order to avoid the provisions of this section are prohibited.

**SEC. 33. [79z-5b] TREATMENT OF FOREIGN UTILITIES.**

(a) **EXEMPTIONS FOR FOREIGN UTILITY COMPANIES.**—

(1) **IN GENERAL.**—A foreign utility company shall be exempt from all of the provisions of this Act, except as otherwise provided under this section, and shall not, for any purpose under this Act, be deemed to be a public utility company under section 2(a)(5), notwithstanding that the foreign utility company may be a subsidiary company, an affiliate, or an associate company of a holding company or of a public utility company.

(2) **STATE COMMISSION CERTIFICATION.**—Section (a)(1) shall not apply or be effective unless every State commission having jurisdiction over the retail electric or gas rates of a public utility company that is an associate company or an affiliate of a company otherwise exempted under section (a)(1) (other than a public utility company that is an associate company or an affiliate of a registered holding company) has certified to the Commission that it has the authority and resources to protect ratepayers subject to its jurisdiction and that it intends to exercise its authority. Such certification, upon the filing of a notice by such State commission, may be revised or withdrawn by the State commission prospectively as to any future acquisition. The requirement of State certification shall be deemed satisfied if the relevant State commission had, prior to the date of enactment of this section, on the basis of prescribed conditions of general applicability, determined that ratepayers of a public utility company are adequately insulated from the effects of diversification and the diversification would not impair

the ability of the State commission to regulate effectively the operations of such company.

(3) DEFINITION.—For purposes of this section, the term “foreign utility company” means any company that—

(A) owns or operates facilities that are not located in any State and that are used for the generation, transmission, or distribution of electric energy for sale or the distribution at retail of natural or manufactured gas for heat, light, or power, if such company—

(i) derives no part of its income, directly or indirectly, from the generation, transmission, or distribution of electric energy for sale or the distribution at retail of natural or manufactured gas for heat, light, or power, within the United States; and

(ii) neither the company nor any of its subsidiary companies is a public utility company operating in the United States; and

(B) provides notice to the Commission, in such form as the Commission may prescribe, that such company is a foreign utility company.

(b) OWNERSHIP OF FOREIGN UTILITY COMPANIES BY EXEMPT HOLDING COMPANIES.—Notwithstanding any provision of this Act except as provided under this section, a holding company that is exempt under section 3 of the Act shall be permitted without condition or limitation under the Act to acquire and maintain an interest in the business of one or more foreign utility companies.

(c) REGISTERED HOLDING COMPANIES.—

(1) OWNERSHIP OF FOREIGN UTILITY COMPANIES BY REGISTERED HOLDING COMPANIES.—Notwithstanding any provision of this Act except as otherwise provided under this section, a registered holding company shall be permitted as of the date of enactment of this section (without the need to apply for, or receive approval from the Commission) to acquire and hold the securities or an interest in the business, of one or more foreign utility companies. The Commission shall promulgate rules or regulations regarding registered holding companies’ acquisition of interests in foreign utility companies which shall provide for the protection of the customers of a public utility company which is an associate company of a foreign utility company and the maintenance of the financial integrity of the registered holding company system.

(2) ISSUANCE OF SECURITIES.—The issuance of securities by a registered holding company for purposes of financing the acquisition of a foreign utility company, the guarantee of securities of a foreign utility company by a registered holding company, the entering into service, sales, or construction contracts, and the creation or maintenance of any other relationship between a foreign utility company and a registered holding company, its affiliates and associate companies, shall remain subject to the jurisdiction of the Commission under this Act (unless otherwise exempted under this Act, in the case of a transaction with an affiliate or associate company located outside of the United States). Any State commission with jurisdiction over the retail rates of a public utility company which is part

of a registered holding company system may make such recommendations to the Commission regarding the registered holding company's relationship to a foreign utility company, and the Commission shall reasonably and fully consider such State recommendation.

(3) CONSTRUCTION.—Any interest in the business of 1 or more foreign utility companies, or 1 or more companies organized exclusively to own, directly or indirectly, the securities or other interest in a foreign utility company, shall for all purposes of this Act, be considered to be—

(A) consistent with the operation of a single integrated public utility system, within the meaning of section 11; and

(B) reasonably incidental, or economically necessary or appropriate, to the operations of an integrated public utility system, within the meaning of section 11.

(d) EFFECT ON EXISTING LAW; NO STATE PREEMPTION.—Nothing in this section shall—

(1) preclude any person from qualifying for or maintaining any exemption otherwise provided for under this Act or the rules, regulations, or orders promulgated or issued under this Act; or

(2) be deemed or construed to limit the authority of any State (including any State regulatory authority) with respect to—

(A) any public utility company or holding company subject to such State's jurisdiction; or

(B) any transaction between any foreign utility company (or any affiliate or associate company thereof) and any public utility company or holding company subject to such State's jurisdiction.

(e) REPORTING REQUIREMENTS.—

(1) FILING OF REPORTS.—A public utility company that is an associate company of a foreign utility company shall file with the Commission such reports (with respect to such foreign utility company) as the Commission may by rules, regulations, or order prescribe as necessary or appropriate in the public interest or for the protection of investors or consumers.

(2) NOTICE OF ACQUISITIONS.—Not later than 30 days after the consummation of the acquisition of an interest in a foreign utility company by an associate company of a public utility company that is subject to the jurisdiction of a State commission with respect to its retail electric or gas rates or by such public utility company, such associate company or such public utility company, shall provide notice of such acquisition to every State commission having jurisdiction over the retail electric or gas rates of such public utility company, in such form as may be prescribed by the State commission.

(f) PROHIBITION ON ASSUMPTION OF LIABILITIES.—

(1) IN GENERAL.—No public utility company that is subject to the jurisdiction of a State commission with respect to its retail electric or gas rates shall issue any security for the purpose of financing the acquisition, or for the purposes of financing the ownership or operation, of a foreign utility company,

nor shall any such public utility company assume any obligation or liability as guarantor, endorser, surety, or otherwise in respect of any security of a foreign utility company.

(2) EXCEPTION FOR HOLDING COMPANIES WHICH ARE PREDOMINANTLY PUBLIC UTILITY COMPANIES.—Subsection (f)(1) shall not apply if:

(A) the public utility company that is subject to the jurisdiction of a State commission with respect to its retail electric or gas rates is a holding company and is not an affiliate under section 2(a)(11)(B) of another holding company or is not subject to regulation as a holding company and has no affiliate as defined in section 2(a)(11)(A) that is a public utility company subject to the jurisdiction of a State commission with respect to its retail electric or gas rates; and

(B) each State commission having jurisdiction with respect to the retail electric and gas rates of such public utility company expressly permits such public utility to engage in a transaction otherwise prohibited under section (f)(1); and

(C) the transaction (aggregated with all other then-outstanding transactions exempted under this subsection) does not exceed 5 per centum of the then-outstanding total capitalization of the public utility.

(g) PROHIBITION ON PLEDGING OR ENCUMBERING UTILITY ASSETS.—No public utility company that is subject to the jurisdiction of a State commission with respect to its retail electric or gas rates shall pledge or encumber any utility assets or utility assets of any subsidiary thereof for the benefit of an associate foreign utility company.

**SEC. 34. [79z-5c] EXEMPT TELECOMMUNICATIONS COMPANIES.**

(a) DEFINITIONS.—For purposes of this section—

(1) EXEMPT TELECOMMUNICATIONS COMPANY.—The term “exempt telecommunications company” means any person determined by the Federal Communications Commission to be engaged directly or indirectly, wherever located, through one or more affiliates (as defined in section 2(a)(11)(B)), and exclusively in the business of providing—

(A) telecommunications services;

(B) information services;

(C) other services or products subject to the jurisdiction of the Federal Communications Commission; or

(D) products or services that are related or incidental to the provision of a product or service described in subparagraph (A), (B), or (C).

No person shall be deemed to be an exempt telecommunications company under this section unless such person has applied to the Federal Communications Commission for a determination under this paragraph. A person applying in good faith for such a determination shall be deemed an exempt telecommunications company under this section, with all of the exemptions provided by this section, until the Federal Communications Commission makes such determination. The Federal

Communications Commission shall make such determination within 60 days of its receipt of any such application filed after the enactment of this section and shall notify the Commission whenever a determination is made under this paragraph that any person is an exempt telecommunications company. Not later than 12 months after the date of enactment of this section, the Federal Communications Commission shall promulgate rules implementing the provisions of this paragraph which shall be applicable to applications filed under this paragraph after the effective date of such rules.

(2) OTHER TERMS.—For purposes of this section, the terms “telecommunications services” and “information services” shall have the same meanings as provided in the Communications Act of 1934.

(b) STATE CONSENT FOR SALE OF EXISTING RATE-BASED FACILITIES.—If a rate or charge for the sale of electric energy or natural gas (other than any portion of a rate or charge which represents recovery of the cost of a wholesale rate or charge) for, or in connection with, assets of a public utility company that is an associate company or affiliate of a registered holding company was in effect under the laws of any State as of December 19, 1995, the public utility company owning such assets may not sell such assets to an exempt telecommunications company that is an associate company or affiliate unless State commissions having jurisdiction over such public utility company approve such sale. Nothing in this subsection shall preempt the otherwise applicable authority of any State to approve or disapprove the sale of such assets. The approval of the Commission under this Act shall not be required for the sale of assets as provided in this subsection.

(c) OWNERSHIP OF ETCS BY EXEMPT HOLDING COMPANIES.—Notwithstanding any provision of this Act, a holding company that is exempt under section 3 of this Act shall be permitted, without condition or limitation under this Act, to acquire and maintain an interest in the business of one or more exempt telecommunications companies.

(d) OWNERSHIP OF ETCS BY REGISTERED HOLDING COMPANIES.—Notwithstanding any provision of this Act, a registered holding company shall be permitted (without the need to apply for, or receive, approval from the Commission, and otherwise without condition under this Act) to acquire and hold the securities, or an interest in the business, of one or more exempt telecommunications companies.

(e) FINANCING AND OTHER RELATIONSHIPS BETWEEN ETCS AND REGISTERED HOLDING COMPANIES.—The relationship between an exempt telecommunications company and a registered holding company, its affiliates and associate companies, shall remain subject to the jurisdiction of the Commission under this Act: *Provided*, That—

(1) section 11 of this Act shall not prohibit the ownership of an interest in the business of one or more exempt telecommunications companies by a registered holding company (regardless of activities engaged in or where facilities owned or operated by such exempt telecommunications companies are located), and such ownership by a registered holding company

shall be deemed consistent with the operation of an integrated public utility system;

(2) the ownership of an interest in the business of one or more exempt telecommunications companies by a registered holding company (regardless of activities engaged in or where facilities owned or operated by such exempt telecommunications companies are located) shall be considered as reasonably incidental, or economically necessary or appropriate, to the operations of an integrated public utility system;

(3) the Commission shall have no jurisdiction under this Act over, and there shall be no restriction or approval required under this Act with respect to (A) the issue or sale of a security by a registered holding company for purposes of financing the acquisition of an exempt telecommunications company, or (B) the guarantee of a security of an exempt telecommunications company by a registered holding company; and

(4) except for costs that should be fairly and equitably allocated among companies that are associate companies of a registered holding company, the Commission shall have no jurisdiction under this Act over the sales, service, and construction contracts between an exempt telecommunications company and a registered holding company, its affiliates and associate companies.

(f) REPORTING OBLIGATIONS CONCERNING INVESTMENTS AND ACTIVITIES OF REGISTERED PUBLIC-UTILITY HOLDING COMPANY SYSTEMS.—

(1) OBLIGATIONS TO REPORT INFORMATION.—Any registered holding company or subsidiary thereof that acquires or holds the securities, or an interest in the business, of an exempt telecommunications company shall file with the Commission such information as the Commission, by rule, may prescribe concerning—

(A) investments and activities by the registered holding company, or any subsidiary thereof, with respect to exempt telecommunications companies, and

(B) any activities of an exempt telecommunications company within the holding company system, that are reasonably likely to have a material impact on the financial or operational condition of the holding company system.

(2) AUTHORITY TO REQUIRE ADDITIONAL INFORMATION.—If, based on reports provided to the Commission pursuant to paragraph (1) of this subsection or other available information, the Commission reasonably concludes that it has concerns regarding the financial or operational condition of any registered holding company or any subsidiary thereof (including an exempt telecommunications company), the Commission may require such registered holding company to make additional reports and provide additional information.

(3) AUTHORITY TO LIMIT DISCLOSURE OF INFORMATION.—Notwithstanding any other provision of law, the Commission shall not be compelled to disclose any information required to be reported under this subsection. Nothing in this subsection shall authorize the Commission to withhold the information

from Congress, or prevent the Commission from complying with a request for information from any other Federal or State department or agency requesting the information for purposes within the scope of its jurisdiction. For purposes of section 552 of title 5, United States Code, this subsection shall be considered a statute described in subsection (b)(3)(B) of such section 552.

(g) ASSUMPTION OF LIABILITIES.—Any public utility company that is an associate company, or an affiliate, of a registered holding company and that is subject to the jurisdiction of a State commission with respect to its retail electric or gas rates shall not issue any security for the purpose of financing the acquisition, ownership, or operation of an exempt telecommunications company. Any public utility company that is an associate company, or an affiliate, of a registered holding company and that is subject to the jurisdiction of a State commission with respect to its retail electric or gas rates shall not assume any obligation or liability as guarantor, endorser, surety, or otherwise by the public utility company in respect of any security of an exempt telecommunications company.

(h) PLEDGING OR MORTGAGING OF ASSETS.—Any public utility company that is an associate company, or affiliate, of a registered holding company and that is subject to the jurisdiction of a State commission with respect to its retail electric or gas rates shall not pledge, mortgage, or otherwise use as collateral any assets of the public utility company or assets of any subsidiary company thereof for the benefit of an exempt telecommunications company.

(i) PROTECTION AGAINST ABUSIVE AFFILIATE TRANSACTIONS.—A public utility company may enter into a contract to purchase services or products described in subsection (a)(1) from an exempt telecommunications company that is an affiliate or associate company of the public utility company only if—

(1) every State commission having jurisdiction over the retail rates of such public utility company approves such contract; or

(2) such public utility company is not subject to State commission retail rate regulation and the purchased services or products—

(A) would not be resold to any affiliate or associate company; or

(B) would be resold to an affiliate or associate company and every State commission having jurisdiction over the retail rates of such affiliate or associate company makes the determination required by subparagraph (A).

The requirements of this subsection shall not apply in any case in which the State or the State commission concerned publishes a notice that the State or State commission waives its authority under this subsection.
