---

The Securities and Exchange Commission (Commission) instituted this proceeding with an Order Instituting Proceedings (OIP), pursuant to Section 12(j) of the Securities Exchange Act of 1934 (Exchange Act), on August 2, 2012. The OIP alleges that each Respondent is a corporation with a class of securities registered with the Commission pursuant to Section 12(g) of the Exchange Act and has repeatedly failed to file required periodic reports. Only GiraSolar, Inc. (GiraSolar), which has not yet been served with the OIP, remains in the proceeding.<sup>1</sup>

The Division of Enforcement (Division) attempted to serve GiraSolar at its last address in The Netherlands through The Netherlands Hague Convention Authority, which was unable to deliver the OIP because GiraSolar was no longer at that address and is now unknown in The Netherlands. Accordingly, GiraSolar has not been served in accordance with 17 C.F.R. § 201.141(a)(2)(ii) or (iv). The Division may wish to consider asking the Chief Administrative Law Judge to discontinue the proceeding as to GiraSolar since it cannot be found. See 17 C.F.R. § 200.30-10. The prehearing conference scheduled for November 15, 2013, will be postponed and held by telephone on March 28, 2014, at 9:30 a.m. EDT, if the proceeding has not been resolved.

IT IS SO ORDERED.
