XVARIANT, INC. (n/k/a CHINA	:	CONFERENCE

---

The Securities and Exchange Commission (Commission) issued an Order Instituting Proceedings (OIP) on April 17, 2013, pursuant to Section 12(j) of the Securities Exchange Act of 1934 (Exchange Act), alleging that Xvariant, Inc. (n/k/a China Bionanometer Industries Corp.) (Xvariant), has a class of securities registered with the Commission pursuant to Exchange Act Section 12(g), and has failed to file periodic reports as required by Exchange Act Section 13(a) and Exchange Act Rules 13a-1 and 13a-13. The OIP also alleges that Xvariant is a revoked Nevada corporation located in Xian, Shaanxi, China.

The hearing was set for May 10, 2013. I postponed the hearing and scheduled a prehearing conference on August 13, 2013, based on the Division of Enforcement's (Division) representation that it can take a year or longer to serve the OIP on a firm located in the People's Republic of China, and that it had begun the process on April 26, 2013, by transmitting documents to China's Ministry of Justice's International Legal Cooperation Center. On August 6, 2013, the Division filed a motion for a further extension stating that it had not received any word on the status of service.

I GRANT the Motion, and POSTPONE the telephonic prehearing conference scheduled for August 13, 2013, to Tuesday, October 8, 2013, at 10:00 a.m. EDT, to assess the status of the proceeding.
