ORDER REGARDING MOTION TO CORRECT

On December 9, 2015, this Office received a letter from Gundaker that does not appear to have been properly filed with the Office of the Secretary or served on the Division of Enforcement. The letter requests that it be considered as a petition for review or a motion to correct a manifest error and argues against the revocation of the registration of Gundaker’s securities.

To the extent that Gundaker’s letter is construed as a motion to correct manifest error, it is DENIED because it is untimely, having been submitted thirty-seven days after issuance of the Initial Decision. See 17 C.F.R. § 201.111(h). To the extent that Gundaker’s letter is construed as a petition for review, only the Commission may take action on it. See Michael Lee Mendenhall, Exchange Act Release No. 74532, 2015 WL 1247374, at *1 (Mar. 19, 2015).

SO ORDERED.
