
Respondents did not answer the OIP or appear at the hearing on June 1, 2017. At the hearing, I granted the Division’s two motions in limine and allowed into evidence the sworn investigative testimony of James Burns and Mark Milman, pursuant to Rule of Practice 235(a) and (b), and the declaration of Marlee Engel pursuant to Rule 235(a)(2). The Division introduced into evidence sixty-six exhibits. I will send a list of exhibits to the Office of the Secretary for inclusion in the record index shortly, after which the Division should make sure that the Office of the Secretary has a copy of each exhibit. See Rule 351(b). The Division’s brief is due June 30, 2017.
