In the Matter of

**BioCoral, Inc.,
GC China Turbine Corp.,
Race World International, Inc.,
and
Worldwide Biotech &
Pharmaceutical Co.**

**Order Following
Prehearing Conference**

Today, I held a prehearing conference to discuss the Division's efforts to serve GC China Turbine Corp. in light of the Commission's disfavor of open-ended postponements. *See Richard Cannistraro*, Securities Exchange Act of 1934 Release No. 39521, 1998 WL 2614, at *1 (Jan. 7, 1998). The Division explained that the Office of International Affairs has made two attempts this month to get an update on the status of service from the Chinese Ministry of Justice. So far, no response has been received. The Division asked for sixty days to see if the Office of International Affairs receives a response, and I will grant that request. The Division shall inform me if there is a service update or shall file a notice that it has been unable to obtain an update by September 18, 2017.
