In the Matter of
David Pruitt, CPA

**Order Following
Prehearing Conference**

I held a telephonic prehearing conference yesterday, during which the parties discussed Respondent's motion asking me to revise certain prior rulings in this proceeding. I have taken their positions under advisement and I plan to rule on Respondent's motion by February 16, 2018.

During the conference, I also ordered the parties to meet and confer about a proposed prehearing schedule, a proposed date to commence the hearing, and the anticipated length of the hearing. The parties should file a letter reporting the results of their discussions by February 2, 2018.
