In the Matter of
New Global Energy, Inc.

**Order Granting Motion for
Extension to File Answer**

On April 3, 2018, Respondent's counsel filed a response to my order to show cause of the same date, representing that counsel believed the answer was due twenty days after service. The response also requested an extension to April 9, 2018, to file Respondent's answer.

The delay was a simple mistake based on a conversation with the Division of Enforcement, Respondent's counsel responded promptly to the order to show cause, and the Division does not object to the extension. I therefore find the order to show cause satisfied and, for good cause, GRANT respondent's motion. 17 C.F.R. § 201.161(a). Respondent shall file its answer by April 9, 2018.
