In the Matter of

**Black Diamond Asset
Management LLC and
Robert Wilson**

Order Regarding Status

On June 2, 2018, Respondent Robert Wilson emailed my office and the Division of Enforcement concerning an emergent personal matter that may conflict with the hearing scheduled for June 11, 2018, and will make it difficult to reach him in the interim. But Wilson expressly declined to request a postponement.

Because a postponement may be desirable to ensure a full and fair hearing, I ORDER the Division to confer with Wilson regarding his availability and provide me with a status update no later than the telephonic prehearing conference scheduled for this Thursday, June 7, 2018, at 10:00 a.m. EDT. If the parties conclude that there is sufficient reason to request a postponement, the Division (and Respondents) should not wait until the prehearing conference to apprise my office of that determination and move for a postponement.
