**Order Scheduling
Prehearing Conference**

On October 3, 2018, the Division of Enforcement submitted a status report regarding its efforts to contact New Western Energy Corp. and Primco Management, Inc.¹

This case is in an unusual procedural posture because the Securities and Exchange Commission issued a finality order revoking the registration of Respondents' securities. I ORDER that a telephonic prehearing conference shall be held on October 23, 2018, at 3:00 p.m. EDT. The Division shall provide dial-in instructions in advance of the conference and shall be prepared to discuss, among other things, whether the order instituting proceedings should be served again on the remaining Respondents.
