Administrative Proceeding
File No. 3-15446

In the Matter of

**J.S. Oliver Capital Management,
L.P.,
Ian O. Mausner, and
Douglas F. Drennan**

**Order Extending
Prehearing Schedule and
Rescheduling Hearing**

The parties have submitted a joint motion to extend the prehearing schedule and reschedule the hearing in this proceeding due to the monthlong government shutdown. *See Pending Admin. Proc.*, Securities Act of 1933 Release No. 10603, 2019 SEC LEXIS 37, at *1 (Jan. 30, 2019). The parties propose that I postpone the start of the hearing from April 29 to June 17, 2019, and adjust the prehearing deadlines accordingly.

I find good cause to GRANT the motion in part. *See* 17 C.F.R. § 201.161(a). But I cannot adopt the schedule as proposed. I have a hearing in a different proceeding that is scheduled to begin on June 24, 2019, and my understanding is that the parties anticipate that the hearing in this case will last about two weeks. Starting the hearing on June 17, as proposed, would allow only one week. My office therefore consulted the parties, who agreed that they are available to begin the hearing on June 12, 2019.

I AMEND the procedural schedule as follows:

- April 29, 2019: The parties to exchange and file their witness and exhibit lists, and to provide each other with pre-marked copies of those exhibits that had not previously been provided.
- May 6, 2019: The parties to exchange and file their expert reports, if any.

- May 13, 2019: Deadline for the completion of fact discovery.
- May 22, 2019: The parties to exchange and file their expert rebuttal reports, if any.
- May 28, 2019: Deadline for the completion of expert discovery.
- May 28, 2019: The parties to exchange and file prehearing briefs and any motions in limine.
- June 3, 2019: The parties to exchange and file any oppositions to motions in limine.
- June 7, 2019: Final telephonic prehearing conference at 2:00 p.m. EDT.
- June 12, 2019: Hearing commences in San Diego, CA, at a time and location to be set in a future order.

Because starting on June 12 means that there will be only eight days for the hearing instead of ten days, I reiterate the admonition in my first scheduling order that the parties should attempt to reach agreement on anything that they reasonably can. Insofar as the parties can agree, for example, on the admissibility of exhibits and on stipulated facts, it will streamline the hearing.
