Re: File Nos. 4-533 and 4-534

Dear Ms. Morris:

Amarin is pleased to provide comments in connection with the two plans before the Commission regarding the selection, reservation of trading symbols. Amarin supports the proposed plan submitted by NASDAQ and several other exchanges (the "Five Characters Plan").

Amarin supports the NASDAQ position that the Five Characters Plan would provide greater choice for public companies and less confusion for investors, and Amarin urges its approval by the Commission.

Yours sincerely,
